

Colorado Basin Roundtable

July 25, 2016

Glenwood Springs Community Center
Glenwood Springs, CO
Noon-4 pm

10:30 a.m. Special Risk Study Workshop for CBRT Technical Advisory Committee members and other interested parties. Held at the Colorado River District offices. A full presentation will be conducted later in the afternoon for the full Roundtable at its regular meeting.

Regular Meeting

Noon Pizza Working Lunch

12:15 **Implementing ag water Alternative Transfer Methods; Integrated Land Use Planning**

Anne Castle, the former assistant Secretary of the Interior for Water and Science and now a senior fellow at the Getches-Wilkinson Center for Natural Resources, Energy and the Environment at the CU Law School, will talk about the Center's focus on implementing these two elements of Colorado's Water Plan. This discussion will inform the analysis we already addressed in our Basin Implementation Plan's Ag Sustainability finding and will help us understand our Develop Local Water Conscious Land Use Strategies finding.

1:00 **West Slope Roundtable Risk Study Update**

Eric Kuhn, John Carron.

1:45 **Break**

2:00 **Vote on Grand Valley Water Users Association Grant/Additional Presentation**

Mark Harris, General Manager (See attachments including grant ap and Next Steps minutes 6/27). This grant request received a favorable review from the Next Steps Committee

2:20 **Legacy Project Discussion**

Ken Ransford, Louis Meyer. Steering Committee to be recruited (See attachment that is minutes of Next Steps Meeting)

3:00 **Grant Discussion**

Jeff Derry of the Center for Snow and Avalanche Studies will present a concept for a \$2,500 Basin Grant and a Statewide Request

3:20 **Trout Unlimited Support Request**

Richard Van Gytenbeek, Colorado River Basin Outreach Coordinator (See attachment)
The Our Colorado River program is now trying to take some of those good ideas from the water plan and set them into motion. To do that, the program has identified three Policy Goals which we are asking groups like the CBRT to consider and hopefully support.

4:00 **Dismiss**

- **Next Steps Committee** meets Monday, August 22, noon, CRD offices Anyone is invited to attend or participate by phone. [888-585-9008](tel:888-585-9008), room no. 670485897
