Re: Water Supply Reserve Account Grant Application: Holbrook Reservoir #1 Outlet Flow Measurement Upgrade, Phase 1

Dear Craig:

At its May 11, 2016 meeting, the Arkansas Roundtable approved the Holbrook Reservoir #1 Outlet Flow Measurement Upgrade, Phase 1 Project for \$10,000 in Basin Funds, \$20,000 in Statewide Funds with \$10,150 cash matching funds. There were no dissenting opinions expressed in the consensus decision.

This project furthers multiple goals and objectives of the Arkansas Basin Implementation Plan. With respect to the Colorado Water Plan, this project supports Objective A. Supply-Demand Gap: *"Protect and Develop Compact Entitlements and Manage Risks,"* Objective D. Agriculture: *"Support Agricultural Conservation and Efficiency,"* and Objective E. Storage: *"Assess and promote opportunities for multipurpose and multi-partner storage projects that address strategic needs."* (Section 10.3). Should you have any questions or concerns, please feel free to contact me either by telephone, 719-742-6164, or by email, sandy@white-jankowski.com.

With warm regards

Michael D. (Sandy) White
Chair
