## Colorado River Basinwide and Basin States Salinity Control Program

This letter is to inform you that a Funding Opportunity Announcement (FOA) is anticipated to be released by **August 14, 2017**, by the Bureau of Reclamation (Reclamation), Colorado River Basinwide Salinity Control Program.

### Funding Opportunity Announcement BOR-UC-17-F003

Reclamation's Upper Colorado Region is requesting applications for salinity control projects that reduce salinity contributions to the Colorado River system.

If you have any questions during this process please contact the appropriate local Technical Contact listed on the reverse page.

Listening Sessions will be held by Reclamation to help applicants understand the requirements of the FOA, and to obtain answers regarding the FOA, **in Roosevelt, Utah; and in Delta and Cortez, Colorado.** If there are any questions regarding the workshops please contact the appropriate local Technical Contact listed on the reverse page.
