# Anaconda Ditch Water Rights Acquisition Project

## San Luis Valley Water Conservancy District

Substantially Complete May 1, 2017

## Project Description

The San Luis Valley Water Conservancy District operates an augmentation program servicing portions of Rio Grande, Alamosa, Saguache, Hinsdale and Mineral Counties. The augmentation program was developed to offset river depletions from wells serving residential and commercial uses in the area. To add to the existing augmentation program, the District is purchased a 58% interest in the Anaconda Ditch, providing an additional 304.8 acre-feet of augmentation water.
