Re: WSRF Grant Request: Leon Lake Dam Repair

Dear Mr. Godbout:

This letter is presented to advise you that the grant application submitted by the Leon Lake Ditch & Reservoir Company for \$41,000 from Basin Account funds from the Water Supply Reserve Fund for Leon Lake Dam / Groin Seep Hole Repair was reviewed by the Gunnison Basin Roundtable and its Project Screening Committee. The request for funding was approved by a unanimous vote of the Gunnison Basin Roundtable during our meeting on June 5, 2017.

This water activity meets the provisions of Section 37-75-104(2), Colorado Revised Statutes. The requirements/language from the statute is provided in Part 3 of the Criteria and Guidelines.

This project is listed in Tier 1 of the Gunnison Basin Implementation Plan and is part of a vital storage project on the Grand Mesa.

Sincerely,

Frank J. Kugel
