MEMORANDUM

September 20, 2017

TO: Board of Directors, Colorado Water Conservation Board, and Rebecca Mitchell, Director

FROM: Michael Brod, Executive Director 

RE: Colorado Water Resources & Power Development Authority - Director's Report

Water Pollution Control Revolving Fund (WPCRF)

There are currently five (5) loans in process for approximately \$10 million. The loan capacity for the program in 2017 is approximately \$70 million. We have received our federal capitalization grant for FFY 2017 (from EPA) of approximately \$10.7 million.

Drinking Water Revolving Fund (DWRF)

There is one (1) loan in process for \$58 million (Town of Breckenridge). The loan capacity for the program in 2017 is approximately \$60 million. We have two (2) applications for approximately \$2 million that the Board will consider at our October meeting. We have received our federal capitalization grant for FFY 2017 (from EPA) of approximately \$14.5 million.

Water Revenue Bonds

We continue our meetings with participants in the Windy Gap Firing Project and the Northern Integrated Supply Project regarding financing options.

Animas – La Plata Project

The Authority still holds 355 ac/ft of depletion that is under contract with the Animas La Plata Water Conservancy District for purchase in installments. The District has purchased 345 ac/ft. to date. The District has executed an installment purchase agreement with Lake Durango Water Authority that will likely mean an accelerated purchase schedule from the Authority.

CWCB – Authority Joint Funding Opportunities

We continue the efforts of the Statewide Funding Committee and work with CWCB staff to investigate viable funding mechanisms for future water projects.

Authority Legislative Matters

The Authority has asked the Water Resources Review Committee to sponsor a bill that would amend the Authority's statute to allow us to make loans under the two state revolving fund programs for terms as permitted by the Clean Water Act and Safe Drinking Water Act.

Future Authority Board Meetings

October 6, 2017 – Authority Denver office or offsite (TBD)
December 1, 2017 – Authority Denver office
January 24, 2018 – Hyatt Denver Tech Center (in conjunction with the CWC Annual Convention)
