SUBJECT: Poudre Learning Center Water Education and Outreach Grant Application

Dear Mr. Godbout,

The South Platte Basin Roundtable approved funding of \$9,979 from the basin fund to the Poudre Learning Center Foundation for the Poudre Learning Center Water Education and Outreach project. The project was reviewed by the Roundtable on July 11, 2017 at our monthly meeting. There was a quorum of members present at the meeting. This project requests \$40,000 in funding from the Statewide account.

The project will advance in-basin education goals along with specifically promoting the Colorado Water Plan. The project will also foster a relationship between the Poudre Learning Center and the South Platte Basin Roundtable.

The completed grant application will be forwarded directly to you by the applicant. Please contact the applicant directly or me at 720-272-2857 -- gvarra@varracompanies.com, if you have any comments or questions.

Sincerely,

Garrett Varra
South Platte Basin Roundtable Vice-Chair
