

Colorado Basin Roundtable
January 22, 2018
Noon - 4 p.m.
Glenwood Springs Community Center

Agenda

- 11:45** **Pizza lunch available for consumptive use**
- 12:15** **Snowpack Update**
- 12:30** **Financial WSRF update**
- 12:40** **Eagle River Memorandum of Understanding Presentation**
We will be reminded of this MOU, ratified in 1998, that outlines contemplated water development activities in the Eagle River Basin for the benefit of West Slope users and transmountain diverters Aurora and Colorado Springs, as well as the Climax Moly Mine. This is a prelude to better understand a WSRF grant request by the Eagle River Watershed Council
- 1:00** **Grants Voting**
- **Eagle River Watershed Council: \$75,000**
- **Middle Colorado Watershed Council: \$103,800**
- **Town of Carbondale: \$20,700**
- 1:20** **Break**
- 1:35** **Grants Application Presentation: Middle River ag group request**
- 1:55** **Grants Application Presentation: Roaring Fork Watershed Plan**
- 2:15** **IBCC Update, Risk Study Phase II Update, West Slope Caucus discussions: Eric Kuhn, Jim Pokrandt and RT participants**
- 2:45** **Contemplation of contracting for education, outreach and Roundtable Advancement of its BIP**
- 3:15** **Roundtable participants concerns**
