

Consent Agenda Item 1.c

March 21- 22, 2018 Board Meeting

Case No. 17CW3203 (Water Division 1); The Alice Springs Land & Cattle Company, LLC

Summary of Water Court Application

This is an Application for water storage right and approval of plan for augmentation.

Staff Recommendation

Staff recommends that the Board ratify the filing of a Statement of Opposition filed on behalf of the Board in February 2018 to protect CWCB's instream flow water rights.

CWCB Instream Flow Water Rights

The CWCB holds water rights, including the following instream flow water rights, in Water Division 1 in the Cache La Poudre River Watershed that could be injured by this application:

Case Number	Stream	Upper Terminus	Lower Terminus	CFS Rate (Dates)	Approp. Date
85CW0428	North Fork Cache La Poudre River	confl Sheep Creek	confl Dale Creek	14 (1/1 - 12/31)	11/08/1985
85CW0430	North Fork Cache La Poudre River	confl Dale Creek	confl Halligan Res	20 (1/1 - 12/31)	11/08/1985

Potential for Injury

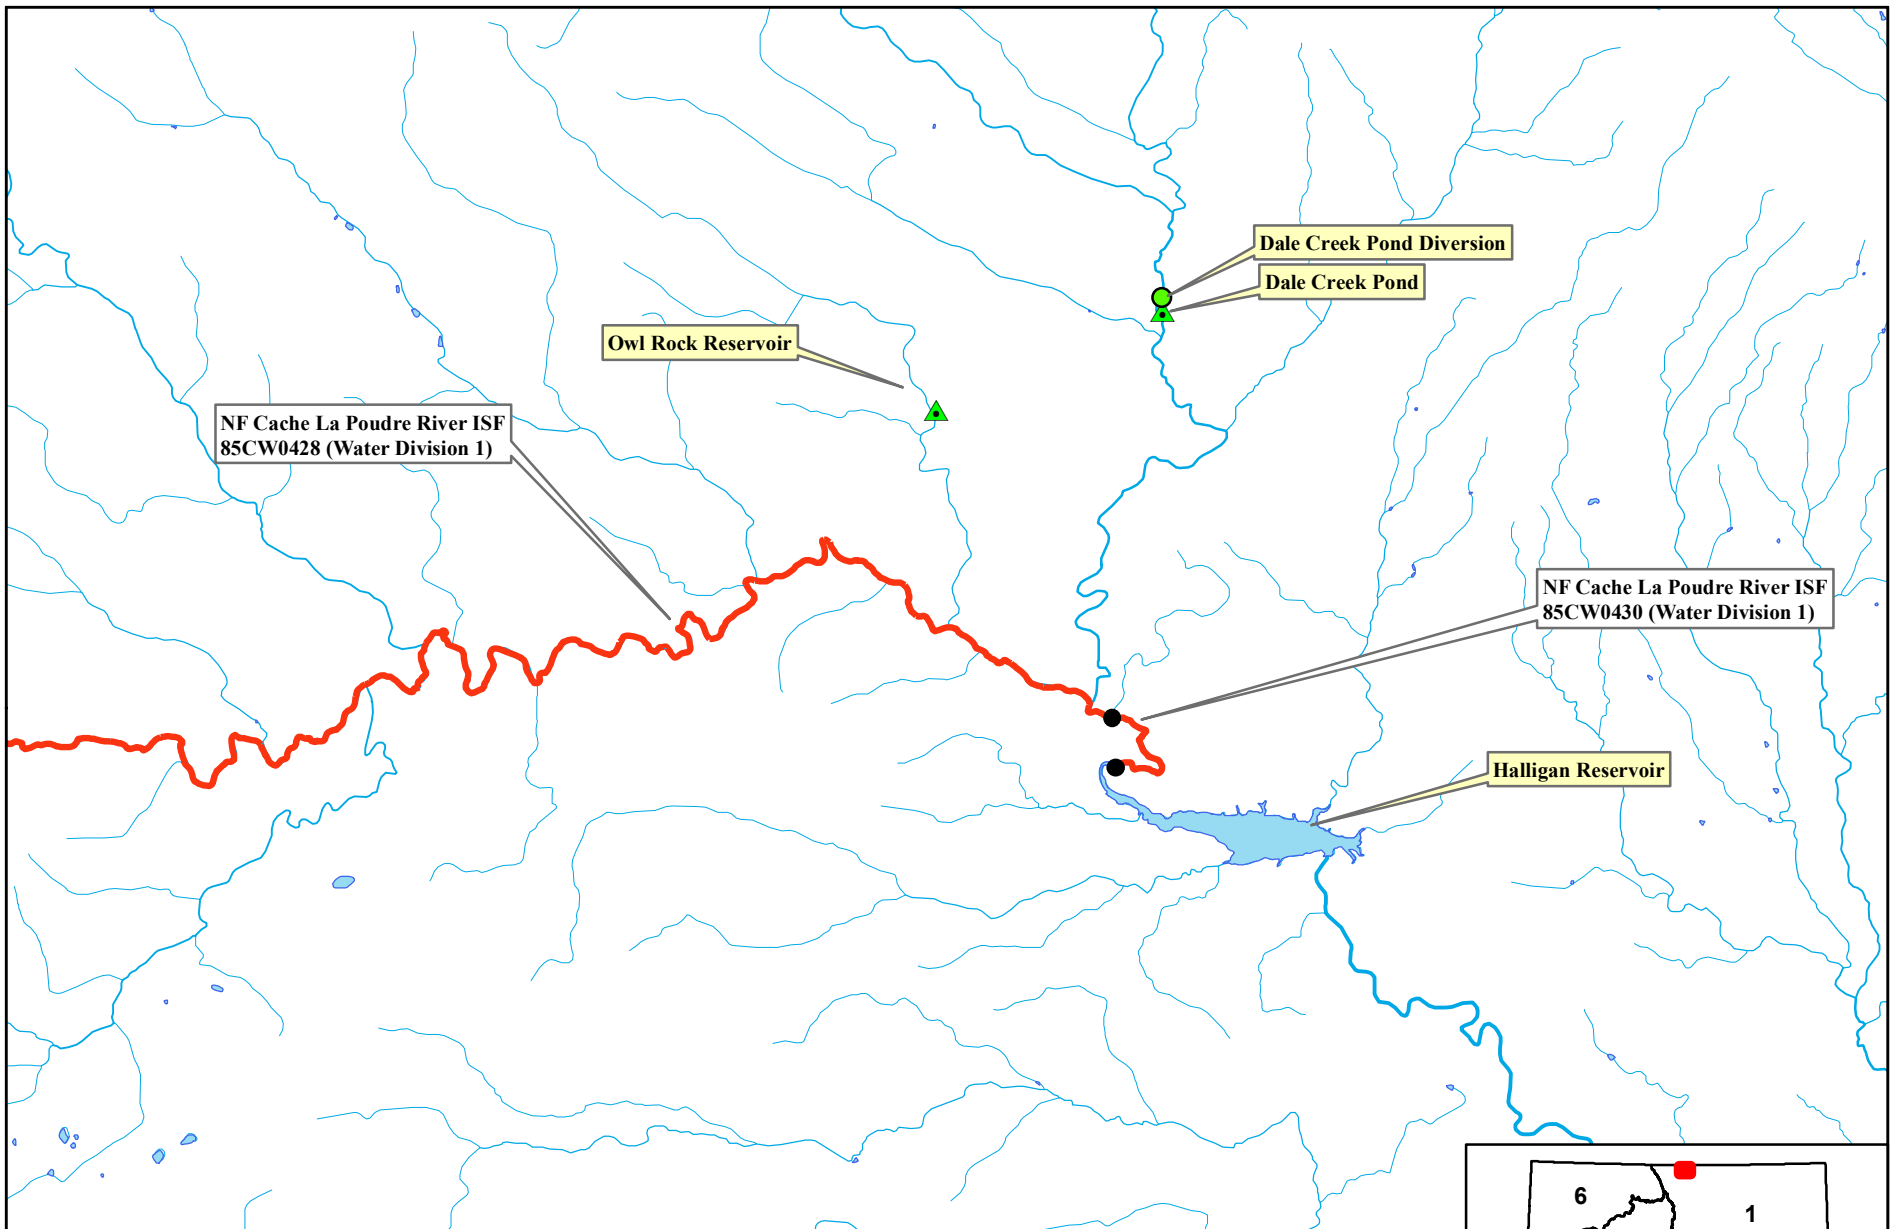

- The proposed plan for augmentation may not replace depletions in the proper time, place and amount, which could injure the CWCB's instream flow water rights.

Other Objectors

Statements of Opposition were also filed by Cache La Poudre Water Users Association, and the City of Fort Collins.

Attorney Representing CWCB

Christopher R. Stork, Assistant Attorney General, is assigned to this case and can be contacted at christopher.stork@coag.gov, or 720-508-6311.
