Hi Lauren,

Thanks for the email. Yes, CPW would like to increase its original loan amount \ get a new loan for the increase. We currently have decision items in front of the legislature for the escrow payment and then for the ongoing loan payments.

Hi Mark and Justin,

We need to bring any changes to CPW's loan to the CWCB Board meeting this month. We are operating on the assumption that CPW will want to increase it's original loan amount to cover the increased cost estimate. Please let me and Jonathan know, and we are happy to set up a meeting if you would like to discuss further.

Thanks!
