

The Rio Grande Basin Roundtable

2018 Basin Tour

August 14, 2018

The 2018 Basin tour will highlight the Conejos systems role in meeting the compact and how the water community there has worked together to develop solutions to meet a variety of needs. The tour will begin at the park in Manassa.

Tour Itinerary

- 10:00 Meet at the Park in Manassa
- 10:15 Overview of the Conejos System
- 11:15 Lunch
- 12:15 ConConCo - Meeting the compact and Irrigators Water Needs
- Pinnacles - Winter Flow Program
- Platoro/Stunner Pass - Reservoir Overview, Radar Project
- 5:00 Return Via Conejos Canyon for those who leave their cars in Manassa and for those who live at the northern end of the Valley I encourage you to return via Summitville, much shorter.

Lunch will be provided to all attendees at no cost.

Please RSVP to Judy Lopez at 719-580-5300 or by email at jlopez@coloradoopenlands.org

We will consolidate vehicles -So for those of up north I encourage you to connect with northern folks and carpool to Manassa .That way you can exit home via Summitville. If it doesn't matter then we will have lots of cars coming back to Manassa so jump in

RSVP By August 10, 2018 so that we can insure that we have plenty of food!

See You There!
