Lamar, CO 81052

Re: Feasibility Study Grant Approval

Dear Mr. Higbee:

I am pleased to inform you that I have approved your request for a grant from the Feasibility Study Small Grant Fund. The maximum amount of the grant is \$9,500 for up to 50% of the cost of a feasibility study to evaluate the purchase of West Farm Gravel Pit. I understand that the report will meet the requirements of the CWCB Guidelines and will follow the format of the sample feasibility studies found on our website.

Please note that an award of a Feasibility Study Grant does not constitute endorsement of a project. Projects that include dry up of agricultural land can be difficult for the CWCB to support.

Anna Mauss of this office will review the final feasibility study. Anna will contact you concerning this grant and will assist you with the processing of pay requests.

Sincerely,

Rebecca Mitchell, Director
Colorado Water Conservation Board
