- B. **Upon substantial completion of the Project** with a decrease in the Total Loan Amount but no change in the annual payment, which then results in a shortened term of the loan, the State may exercise an option and shall provide written notice to the Borrower in form substantially

equivalent to Appendix 2 to decrease the term of the loan. If exercised, the provisions of the Option Letter and supporting documentation shall become part of and be incorporated into this Contract for the total duration of this Contract.

5. CONTRACT AMENDMENT SERVICE FEES

Under certain circumstances, the Borrower may be assessed a service fee for amending the Contract.

- A. A service fee may be imposed on the Borrower for amendments processed for the benefit of the Borrower and necessary for the Borrower's course of business but not necessary for the CWCB, including, but not limited to, a change in the Borrower's name, assignment of Contract, substitution of Pledged Revenues, loan payment deferments in excess of three (3) per loan, and loan consolidation. The CWCB agrees to loan to the Borrower an amount not to exceed the Total Loan Amount and the Borrower agrees to repay the loan in accordance with the terms as set forth in the Promissory Note, (attached as Appendix 3) and incorporated herein.

7. INTEREST PRIOR TO PROJECT COMPLETION

For all loan funds disbursed by the CWCB to the Borrower prior to the Contract Project Performance End Date, interest shall accrue on the disbursed funds at the rate set by the CWCB for this loan. The CWCB shall calculate the amount of the interest that accrued prior to the Project's substantial completion (as determined by the CWCB) and notify the Borrower of such amount. The Borrower shall repay that amount to the CWCB either (1) within thirty (30) days from the date of notification from the CWCB, (2) at the CWCB's discretion, said interest shall be deducted from the final disbursement of loan funds that the CWCB makes to the Borrower, or (3) at the CWCB's discretion, said interest shall be rolled into the Total Loan Amount due.

9. BORROWER'S AUTHORITY TO CONTRACT

The Borrower warrants that it has full power and authority to enter into this Loan Contract. The execution and delivery of this Contract and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the Borrower. The

- B. The Resolutions (or Ordinances) of the Borrower authorizing the execution and delivery of the Contract were duly adopted by the governing bodies of the Borrower; and
- C. There are no provisions in the Borrower's articles of incorporation or bylaws or any state or local law that prevent this Contract from binding the Borrower; and
- D. The Contract will be valid and binding against the Borrower if entered into by the CWCB subject to typical limitations related to bankruptcy, police power and creditor's rights generally.
- E. The Borrower has complied with the requirements of Article X, Section 20 of the Colorado Constitution in connection with an election held within the District. The election held by the Borrower to obtain voter approval of this loan met all requirements of the Colorado Constitution or any other state or local law.

11. PLEDGE OF REVENUES

The Borrower irrevocably (but not exclusively) pledges to the CWCB, for the purpose of repaying the Total Loan Amount, the Pledged Revenues, in such amount as is necessary to make each annual payment due under this Contract. Such pledge of the Pledged Revenues is on parity with the debt identified in Section 5 of Appendix 1 (Schedule of Existing Debt) and any additional indebtedness that may be secured by the Pledged Revenues in the future that is incurred in accordance with Section 11.E., hereof, and together with the Existing Parity Debt, shall be the Borrower's "Parity Indebtedness."

- A. **Segregation of Pledged Revenues.** The Pledged Revenues shall be accounted for and maintained in an account separate from other Borrower revenues at all times. The Pledged Revenues shall be used first to pay debt service on the Total Loan Amount and all other Parity Indebtedness on an equal basis and thereafter may be used for any and all other expenses.
- B. **Establish Security Interest.** The Borrower has duly executed a Security Agreement, (attached as Appendix 5) and incorporated herein, to provide a security interest to the CWCB in the Pledged Revenues. The lien of this Contract on the Pledged Revenues shall have priority over all other competing claims with respect to the Pledged Revenues, except for the parity lien on the Pledged Revenues of any Parity Indebtedness.
- C. **Assessment Covenant.** Pursuant to its statutory authority and as permitted by law, the Borrower shall take all necessary actions consistent therewith during the term of this Contract to establish, levy and collect rates, charges and fees as described in Appendix 5, in amounts sufficient to pay this loan as required by the terms of this Contract and the Promissory Note, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves.

- D. **Debt Service Reserve Account or Fund.** To establish and maintain the debt service reserve account or fund, the Borrower shall deposit an amount equal to one-tenth (0.1) of an annual payment into its debt service reserve account or fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the Borrower applies funds from this account to repayment of the loan, the Borrower shall replenish the account within ninety (90) days of withdrawal of the funds. The debt service reserve account or fund requirement is in effect until the loan is paid in full.
- E. **Additional Debts or Bonds.** The Borrower shall not issue any indebtedness payable from the Pledged Revenues or have a lien thereon which is superior to the lien of this loan. The Borrower may issue parity debt only with the prior written approval of the CWCB, provided that:
- i. The Borrower is currently and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of this Contract, including, but not limited to, being current on the annual payments due under this Contract.
 - ii. The Borrower provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the Borrower's revenues, for twelve (12) consecutive months out of the eighteen (18) months immediately preceding the date of issuance of such parity debt, the Borrower's revenues are sufficient to pay its annual operating and maintenance expenses, annual debt service on all outstanding indebtedness having a lien on the Pledged Revenues, including this loan, and the annual debt service on the proposed indebtedness to be issued. The analysis of revenues shall be based on the Borrower's current rate structure or the rate structure most recently adopted. No more than ten percent (10%) of total revenues may originate from tap and/or connection fees;
 - iii. The Borrower acknowledges and understands that any request for approval of the issuance of additional debt must be reviewed and approved by the CWCB prior to the issuance of any additional debt.
- F. **Annual Statement of Debt Coverage.** Each year during the term of this Contract, the Borrower shall promptly submit, to CWCB, a copy of the annual audit report of an audit performed on Borrower's records that relates to this Contract or the Project.
- G. **Pledged Revenues During Loan Repayment.** The Borrower shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Pledged Revenues, so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB.

12. RELEASE AFTER LOAN IS REPAYED

Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the Promissory Note, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the Pledged Revenues.

13. WARRANTIES

- A. The Borrower warrants that, by acceptance of the loan under this Contract and by its representations herein, the Borrower shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this Contract.

- B. The Borrower warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Borrower, to solicit or secure this Contract and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this Contract.
- C. The Borrower warrants that the Pledged Revenues for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for the Existing Parity Indebtedness which sets forth the position of the lien created by this Contract in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the Project Summary and incorporated herein.

14. OPERATION OF PROJECT

The Borrower shall, without expense or legal liability to the CWCB, manage, operate, and maintain the Project continuously in an efficient and economical manner.

15. CONFIDENTIAL INFORMATION-STATE RECORDS

A. Confidentiality

Borrower shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Borrower shall not, without prior written approval of the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Contract, permitted by law or approved in Writing by the State. Borrower shall provide for the security of all State Confidential Information in accordance with all policies promulgated by the Colorado Office of Information Security and all applicable laws, rules, policies, publications, and guidelines. If Borrower or any of its Subcontractors will or may receive the following types of data, Borrower or its Subcontractors shall provide for the security of such data according to the following: (i) the most recently promulgated IRS Publication 1075 for all Tax Information and in accordance with the Safeguarding Requirements for Federal Tax Information attached to this Contract as an Exhibit, if applicable, (ii) the most recently updated PCI Data Security Standard from the PCI Security Standards Council for all PCI, (iii) the most recently issued version of the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all CJI, and (iv) the federal Health Insurance Portability and Accountability Act for all PHI and the HIPAA Business Associate Agreement attached to this Contract, if applicable. Borrower shall immediately forward any request or demand for State Records to the State's principal representative.

B. Other Entity Access and Nondisclosure Agreements

Borrower may provide State Records to its agents, employees, assigns and Subcontractors as necessary to perform the Work, but shall restrict access to State Confidential Information to those agents, employees, assigns and Subcontractors who require access to perform their obligations under this Contract. Borrower shall ensure all such agents, employees, assigns, and Subcontractors sign agreements containing nondisclosure provisions at least as protective as those in this Contract, and that the nondisclosure provisions are in force at all times the agent, employee, assign or Subcontractor has access to any State Confidential Information. Borrower shall provide copies of those signed nondisclosure provisions to the State upon execution of the nondisclosure provisions.

C. Use, Security, and Retention

Borrower shall use, hold and maintain State Confidential Information in compliance with any and all applicable laws and regulations in facilities located within the United States, and shall maintain a secure environment that ensures confidentiality of all State Confidential Information wherever located. Borrower shall provide the State with access, subject to Borrower's reasonable security requirements, for purposes of inspecting and monitoring access and use of State Confidential Information and evaluating security control effectiveness. Upon the expiration or termination of this Contract, Borrower shall return State Records provided to Borrower or destroy such State Records and certify to the State that it has done so, as directed by the State. If Borrower is prevented by law or regulation from returning or destroying State Confidential Information, Borrower warrants it will guarantee the confidentiality of, and cease to use, such State Confidential Information.

D. Incident Notice and Remediation

If Borrower becomes aware of any Incident, it shall notify the State immediately and cooperate with the State regarding recovery, remediation, and the necessity to involve law enforcement, as determined by the State. Unless Borrower can establish that none of Borrower or any of its agents, employees, assigns or Subcontractors are the cause or source of the Incident, Borrower shall be responsible for the cost of notifying each person who may have been impacted by the Incident. After an Incident, Borrower shall take steps to reduce the risk of incurring a similar type of Incident in the future as directed by the State, which may include, but is not limited to, developing and implementing a remediation plan that is approved by the State at no additional cost to the State. The State may, in its sole discretion and at Borrower's sole expense, require Borrower to engage the services of an independent, qualified, State-approved third party to conduct a security audit. Borrower shall provide the State with the results of such audit and evidence of Borrower's planned remediation in response to any negative findings.

E. Data Protection and Handling

Borrower shall ensure that all State Records and Work Product in the possession of Borrower or any Subcontractors are protected and handled in accordance with the requirements of this Contract, including the requirements of any Exhibits hereto, at all times.

16. CONFLICTS OF INTEREST

A. Actual Conflicts of Interest

Borrower shall not engage in any business or activities, or maintain any relationships that conflict in any way with the full performance of the obligations of Borrower under this Contract. Such a conflict of interest would arise when a Borrower's employee, officer or agent were to offer or provide any tangible personal benefit to an employee of the State, or any member of his or her immediate family or his or her partner, related to the award of, entry into or management or oversight of this Contract.

B. Apparent Conflicts of Interest

Borrower acknowledges that, with respect to this Contract, even the appearance of a conflict of interest shall be harmful to the State's interests. Absent the State's prior written approval, Borrower shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Borrower's obligations under this Contract.

C. Disclosure to the State

If a conflict or the appearance of a conflict arises, or if Borrower is uncertain whether a conflict or the appearance of a conflict has arisen, Borrower shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the actual or apparent conflict constitutes a breach of this Contract.

17. INSURANCE

The Borrower is a "public entity" within the meaning of the Colorado Governmental Immunity Act, §24-10-101, *et seq.*, C.R.S. (the "GIA") and shall maintain at all times during the term of this Loan Contract such liability insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the GIA. Borrower shall ensure that any Subcontractors maintain all insurance customary for the completion of the work done by that Subcontractor and as required by the State Risk Manager, Department of Personnel and Administration or the GIA.

18. BREACH OF CONTRACT

In the event of a Breach of Contract, the aggrieved Party shall give written notice of breach to the other Party. If the notified Party does not cure the Breach of Contract, at its sole expense, within thirty (30) days after the delivery of written notice, the Party may exercise any of the remedies as described in §19., for that Party. Notwithstanding any provision of this Contract to the contrary, the State, in its discretion, need not provide notice or a cure period and may immediately terminate this Contract in whole or in part or institute any other remedy in this Contract in order to protect the public interest of the State; or if Borrower is debarred or suspended under §24-109-105, C.R.S., the State, in its discretion, need not provide notice or cure period and may terminate this Contract in whole or in part or institute any other remedy in this Contract as of the date that the debarment or suspension takes effect.

19. REMEDIES

A. State's Remedies

Section 3. Security for the Promissory Note.

(a) *Limited Tax Obligations.* The Promissory Note is a limited tax general obligation of the Subdistrict, payable from the Pledged Revenues and moneys on deposit in the Reserve Account, and the Subdistrict pledges its full faith and credit to the payment of principal of and interest on the Promissory Note. All of the Promissory Note, together with the interest thereon, shall be payable solely from and to the extent of the Pledged Revenues and moneys on deposit in the Reserve Account, and the Pledged Revenues are hereby pledged to the payment of the Promissory Note. The Promissory Note shall constitute an irrevocable first lien upon the Pledged Revenues which is on a parity with the lien of the Outstanding CWCB Loans, but not necessarily an exclusive such lien. Nothing herein shall be construed to require the Subdistrict to levy an ad valorem property tax for payment of the Promissory Note in excess of the Limited Mill Levy. The Promissory Note shall not constitute a debt or indebtedness of the Counties, the State or any political subdivision of the State other than the Subdistrict.

(b) *Budgeting and Appropriation of Pledged Revenues.* The amounts necessary to pay all costs and expenses incidental to the issuance of the Promissory Note and to pay the principal of and interest on the Promissory Note when due and to fund the Reserve Account are hereby appropriated for said purposes, and such amounts as appropriate for each year shall also be included in the annual budget and the appropriation bills to be adopted and passed by the Board in each year, respectively, until the Promissory Note has been fully paid, satisfied and discharged.

(c) *Levy and Collection of Taxes.* It shall be the duty of the Board, annually, at the time and in the manner provided by law for levying other Subdistrict taxes, to ratify and carry out the provisions hereof with reference to the levying and collection of taxes; and the Board shall levy, certify and collect said taxes in the manner provided by law for the purpose of paying the principal of and interest on the Promissory Note and funding the Reserve Account in the amount of the Required Reserve Amount. Nothing herein shall be interpreted to prohibit or limit the ability of the Subdistrict to use legally available moneys other than the proceeds of the ad valorem property taxes levied pursuant to subsection (a) of this Section to pay all or any portion of the principal of or interest on the Promissory Note. If and to the extent such other legally available moneys are used to pay the principal of or interest on the Promissory Note, the Subdistrict may, but shall not be required to, (i) reduce the amount of taxes levied for such purpose pursuant to subsection (b) of this Section or (ii) use proceeds of taxes levied pursuant to subsection (b) of this Section to reimburse the fund or account from which such other legally available moneys are withdrawn for the amount withdrawn from such fund or account to pay the principal of or interest on the Promissory Note. If the Subdistrict selects alternative (ii) in the immediately preceding sentence, the taxes levied pursuant to subsection (a) of this Section shall include amounts sufficient to fund the reimbursement.

(d) *Certification to County Commissioners.* It is hereby declared that, if the Subdistrict does not otherwise determine and certify to the Boards of County Commissioners of each of the Counties a rate of levy for general ad valorem property taxes as required by subsection (a) of this Section, the foregoing provisions of this Section shall constitute a certificate from the Board to the Boards of County Commissioners of each of the Counties showing the aggregate amount of ad valorem taxes to be levied by the Boards of County Commissioners of the Counties from time to time, as required by law, for the purpose of paying the principal of and interest on the Promissory Note when due.

Section 4. Form of Promissory Note. The Promissory Note shall be in substantially the form set forth in Appendix 3 to the Loan Contract with such changes thereto, not inconsistent herewith, as may be necessary or desirable and approved by the officials of the Subdistrict executing the same (whose manual or facsimile signatures thereon shall constitute conclusive evidence of such approval). The interest rate authorized for the Promissory Note is 1.75% per annum (and the maximum net effective interest rate does not exceed 5.50% per annum pursuant to the terms of the Ballot Authorization), exclusive of any late charges of 5.0% of the annual payment due which may be imposed pursuant to the terms of the Loan Contract for any late payments.

Section 5. Funds and Accounts.

(a) *Reaffirmation of Funds; Creation of Accounts.* There are hereby reaffirmed the General Fund and the Debt Service Fund. There is hereby established within the Debt Service Fund the Note Account and the Reserve Account. There is hereby established within the General Fund the Project Account. The foregoing funds and accounts shall be maintained by the Subdistrict in accordance with the provisions of this Resolution.

(b) *Project Account.* All moneys received from CWCB under the Loan Contract shall be credited to the Project Account, in one or more subaccounts relating to each Loan Contract as determined in the discretion of the Subdistrict's Executive Director, and shall be applied solely to the payment of the Project Costs. Upon the determination of the Subdistrict's Executive Director that all Project Costs have been paid or are determinable, any balance remaining in the Project Account (less any amounts necessary to pay Project Costs not then due and owing) shall be applied solely in accordance with the terms of the Loan Contract, including without limitation Section 8 thereof.

(c) *Note Account.* Moneys in the Note Account shall be used solely for the purpose of paying the interest on and principal of the Promissory Note. There shall be credited to the Note Account an amount of Pledged Revenues which, when combined with other legally available moneys in the Note Account, will be sufficient to pay the principal of and interest on the Promissory Note when due. In the event of insufficient Pledged Revenues the Promissory Note and Parity Obligations, moneys shall be applied as provided in the Loan Contract and in the financing documents providing for the Parity Obligations.

(d) *Reserve Account.*

(i) Moneys in the Reserve Account shall be used, if necessary, only to prevent a default in the payment of the principal of or interest on the Promissory Note on any Payment Dates and the Reserve Account is hereby pledged to the payment of the Promissory Note. In the event the amounts credited to the Note Account are insufficient to pay the principal of or interest on Promissory Note when due, the Subdistrict shall transfer from the Reserve Account to the Note Account an amount which, when combined with moneys in the Note Account will be sufficient to make such payments when due.

(ii) Commencing with the first Payment Date, the Subdistrict shall annually credit an amount equal to one-tenth of the Required Reserve Amount on or before each Payment Date until such time as the amount credited thereto is equal to the Required Reserve Amount (i.e., the Reserve Account is to be fully funded within ten years from substantial completion of the Project). In the event that moneys from the Reserve Account are transferred to the Note Account as provided in paragraph (i) of this Subsection, such amount shall be replenished as provided in the Loan Contract. Moneys credited to the Reserve Account may be invested or deposited in lawful securities or obligations and all interest income from the investment or reinvestment of moneys credited to the Reserve Account shall be credited to the Reserve Account until the amount therein is equal to the Required Reserve Amount, at which time as the balance of the Reserve Account shall be maintained in the Required Reserve Amount and such interest income shall be credited to the Note Account.

Section 6. Additional Obligations. No bonds, notes, interim securities or other obligations shall be issued payable from the Pledged Revenues and having a lien thereon which is superior to the lien of the Promissory Note. The Subdistrict may issue Parity Obligations or Subordinate Obligations only upon compliance with the requirements Section 11(E) of the Loan Contract.

Date: June 18, 2019

Borrower: Central Colorado Water Conservancy District,
Well Augmentation Subdistrict

Secured Party: Colorado Water Conservation Board

Promissory Note: \$3,030,000.00

Terms of Repayment: 1.75% per annum interest for thirty (30) years

Loan Contract Number: CT2020-326

Pledged Revenues: All pledged revenues from the water activity enterprise in such amount as is necessary to make each annual payment due under this Contract and all of Borrower's right to receive said revenues to repay the loan as described in Pledged Revenues provisions of the Contract and Borrower's Resolutions adopted June 18, 2019.

To secure payment of the loan evidenced by the Promissory Note payable in accordance with the terms of repayment, or until all principal, interest, and late charges, if any, are paid in full, the Borrower grants to Secured Party a security interest in the above described Pledged Revenues.

BORROWER EXPRESSLY WARRANTS AND COVENANTS:

1. That except for the security interest granted hereby and any other security interests described in Appendix 1, Project Summary, Section 5, the Borrower is the owner of the Pledged Revenues free from any adverse lien, security interest or encumbrances; and that the Borrower will defend the Pledged Revenues against all claims and demands of all persons at any time claiming the same or any interest therein.
2. That the execution and delivery of this agreement by the Borrower will not violate any law or agreement governing the Borrower or to which the Borrower is a party.
3. Except in accordance with Section 11.E., of the Loan Contract, to not permit or allow any adverse lien, security interest or encumbrance whatsoever upon the Pledged Revenues and not to permit the same to be attached or replevined.
4. That by its acceptance of the loan money pursuant to the terms of the Contract and by its representations herein, the Borrower shall be estopped from asserting for any reason that it is not authorized to grant a security interest in the Pledged Revenues pursuant to the terms of this agreement.
5. To pay all taxes and assessments of every nature that may be levied or assessed against the Pledged Revenues.
6. That the Borrower's articles of incorporation and by-laws do not prohibit any term or condition of this agreement.

UNTIL DEFAULT Borrower may have possession of the Pledged Revenues, provided that Borrower keeps the Pledged Revenues in an account separate from other revenues of Borrower and does not use Pledged Revenues for any purpose not permitted by the Contract. Upon default, Secured Party shall have the immediate right to the possession of the Pledged Revenues.

BORROWER SHALL BE IN DEFAULT under this agreement upon any of the following events or conditions:

- c. the making or furnishing of any warranty, representation or statement to Secured Party by or on behalf of the Borrower which proves to have been false in any material respect when made or furnished.

Upon such default and at any time thereafter, Secured Party shall have the remedies of a secured party under Section 11-57-208, Colorado Revised Statutes. Secured Party may require the Borrower to deliver or make the Pledged Revenues available to Secured Party at a place to be designated by Secured Party, which is reasonably convenient to both parties. Expenses of retaking, holding, preparing for sale, selling or the like shall include Secured Party's reasonable attorney's fees and legal expenses.

The Secured Party shall give the Borrower written notice of any alleged default and an opportunity to cure within sixty (60) Business Days of receipt of such notice before the Borrower shall be considered in default for purposes of this Security Agreement. No default shall be waived by Secured Party except in writing, and no waiver by Secured Party of any default shall operate as a waiver of any other default or of the same default on a future occasion. The taking of this Security Agreement shall not waive or impair any other security Secured Party may have or hereafter acquire for the payment of the above indebtedness, nor shall the taking of any such additional security waive or impair this Security Agreement; but Secured Party shall retain its rights of set-off against the Borrower. In the event court action is deemed necessary to enforce the terms and conditions set forth herein, said action shall only be brought in the District Court for the City and County of Denver, State of Colorado, and the Borrower consents to venue and personal jurisdiction in said Court.

All rights of Secured Party hereunder shall inure to the benefit of its successors and assigns; and all promises and duties of the Borrower shall bind its successors or assigns.
