An amendment to this Contract shall be executed for the following changes including, but not limited to, a change in Pledged Revenues, an increase in Total Loan Amount, and a decrease in Total Loan Amount with a change in the annual loan payment. Additionally, upon substantial completion of the Project, the following applies:

- B. **Upon substantial completion of the Project** with a decrease in the Total Loan Amount but no change in the annual payment, which then results in a shortened term of the loan, the State may exercise an option and shall provide written notice to the Borrower in form substantially equivalent to Appendix 2 to decrease the term of the loan. If exercised, the provisions of the

Option Letter and supporting documentation shall become part of and be incorporated into this Contract for the total duration of this Contract.

5. CONTRACT AMENDMENT SERVICE FEES

Under certain circumstances, the Borrower may be assessed a service fee for amending the Contract.

- A. A service fee may be imposed on the Borrower for amendments processed for the benefit of the Borrower and necessary for the Borrower's course of business but not necessary for the CWCB, including, but not limited to, a change in the Borrower's name, assignment of Contract, substitution of Pledged Revenues, loan payment deferments in excess of three (3) per loan, and loan consolidation. 6. PROMISSORY NOTE PROVISIONS

The Promissory Note shall identify the Total Loan Amount. The CWCB agrees to loan to the Borrower an amount not to exceed the Total Loan Amount and the Borrower agrees to repay the loan in accordance with the terms as set forth in the Promissory Note, (attached as Appendix 3) and incorporated herein.

7. INTEREST PRIOR TO PROJECT COMPLETION

For all loan funds disbursed by the CWCB to the Borrower prior to the Contract Project Performance End Date, interest shall accrue on the disbursed funds at the rate set by the CWCB for this loan. The CWCB shall calculate the amount of the interest that accrued prior to the Project's substantial completion (as determined by the CWCB) and notify the Borrower of such amount. The Borrower shall repay that amount to the CWCB either (1) within thirty (30) days from the date of notification from the CWCB, (2) at the CWCB's discretion, said interest shall be deducted from the final disbursement of loan funds that the CWCB makes to the Borrower, or (3) at the CWCB's discretion, said interest shall be rolled into the Total Loan Amount due.

Any such loan funds so remitted to CWCB shall be applied to the principal payment of amounts due on the Loan.

9. BORROWER'S AUTHORITY TO CONTRACT

The Borrower warrants that it has full power and authority to enter into this Loan Contract. The execution and delivery of this Contract and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the Borrower. The

Borrower's Authorizing Resolution(s) or Ordinance (attached as Appendix 4) and incorporated herein, include the authority to enter into this Loan Contract.

10. BOND COUNSEL'S OPINION LETTER

Prior to the final execution of this Contract the Borrower shall submit to the CWCB a letter from its bond counsel stating that it is the attorney's opinion that:

- B. The Resolutions (or Ordinances) of the Borrower authorizing the execution and delivery of the Contract were duly adopted by the governing bodies of the Borrower; and
- C. There are no provisions in the Borrower's articles of incorporation or bylaws or any state or local law that prevent this Contract from binding the Borrower; and
- D. The Contract will be valid and binding against the Borrower if entered into by the CWCB subject to typical limitations related to bankruptcy, police power and creditor's rights generally.
- E. The Borrower has complied with the requirements of Article X, Section 20 of the Colorado Constitution in connection with an election held within the District. The election held by the Borrower to obtain voter approval of this loan met all requirements of the Colorado Constitution or any other state or local law.

11. PLEDGE OF REVENUES

The Borrower irrevocably (but not exclusively) pledges to the CWCB, for the purpose of repaying the Total Loan Amount, the Pledged Revenues, in such amount as is necessary to make each annual payment due under this Contract. Such pledge of the Pledged Revenues is on parity with the debt identified in Section 5 of Appendix 1 (Schedule of Existing Debt) and any additional indebtedness that may be secured by the Pledged Revenues in the future that is incurred in accordance with Section 11.E., hereof, and together with the Existing Parity Debt, shall be the Borrower's "Parity Indebtedness."

- A. **Segregation of Pledged Revenues.** The Pledged Revenues shall be accounted for and maintained in an account separate from other Borrower revenues at all times. The Pledged Revenues shall be used first to pay debt service on the Total Loan Amount and all other Parity Indebtedness on an equal basis and thereafter may be used for any and all other expenses.
- B. **Establish Security Interest.** The Borrower has duly executed a Security Agreement, (attached as Appendix 5) and incorporated herein, to provide a security interest to the CWCB in the Pledged Revenues. The lien of this Contract on the Pledged Revenues shall have priority over all other competing claims with respect to the Pledged Revenues, except for the parity lien on the Pledged Revenues of any Parity Indebtedness.
- C. **Assessment Covenant.** Pursuant to its statutory authority and as permitted by law, the Borrower shall take all necessary actions consistent therewith during the term of this Contract to establish, levy and collect rates, charges and fees as described in Appendix 5, in amounts sufficient to pay this loan as required by the terms of this Contract and the Promissory Note, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves.
- D. **Debt Service Reserve Account or Fund.** To establish and maintain the debt service reserve account or fund, the Borrower shall deposit an amount equal to one-tenth (0.1) of an annual

payment into its debt service reserve account or fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the Borrower applies funds from this account to repayment of the loan, the Borrower shall replenish the account within ninety (90) days of withdrawal of the funds. The debt service reserve account or fund requirement is in effect until the loan is paid in full.

- E. **Additional Debts or Bonds.** The Borrower shall not issue any indebtedness payable from the Pledged Revenues or have a lien thereon which is superior to the lien of this loan. The Borrower may issue parity debt only with the prior written approval of the CWCB, provided that:
- i. The Borrower is currently and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of this Contract, including, but not limited to, being current on the annual payments due under this Contract.
 - ii. The Borrower provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the Borrower's revenues, for twelve (12) consecutive months out of the eighteen (18) months immediately preceding the date of issuance of such parity debt, the Borrower's revenues are sufficient to pay its annual operating and maintenance expenses, annual debt service on all outstanding indebtedness having a lien on the Pledged Revenues, including this loan, and the annual debt service on the proposed indebtedness to be issued. The analysis of revenues shall be based on the Borrower's current rate structure or the rate structure most recently adopted. No more than ten percent (10%) of total revenues may originate from tap and/or connection fees;
 - iii. The Borrower acknowledges and understands that any request for approval of the issuance of additional debt must be reviewed and approved by the CWCB prior to the issuance of any additional debt.
- F. **Annual Statement of Debt Coverage.** Each year during the term of this Contract, the Borrower shall promptly submit, to CWCB, a copy of the annual audit report of an audit performed on Borrower's records that relates to this Contract or the Project.
- G. **Pledged Revenues During Loan Repayment.** The Borrower shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Pledged Revenues, so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB.

12. RELEASE AFTER LOAN IS REPAYED

Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the Promissory Note, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the Pledged Revenues.

13. WARRANTIES

- A. The Borrower warrants that, by acceptance of the loan under this Contract and by its representations herein, the Borrower shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this Contract.
- B. The Borrower warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Borrower, to solicit or secure this Contract and has not paid or agreed to pay any person, company, corporation, individual, or firm, other

than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this Contract.

- C. The Borrower warrants that the Pledged Revenues for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for the Existing Parity Indebtedness which sets forth the position of the lien created by this Contract in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the Project Summary and incorporated herein.

14. OPERATION OF PROJECT

The Borrower shall, without expense or legal liability to the CWCB, manage, operate, and maintain the Project continuously in an efficient and economical manner.

15. CONFIDENTIAL INFORMATION-STATE RECORDS

A. Confidentiality

Borrower shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Borrower shall not, without prior written approval of the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Contract, permitted by law or approved in Writing by the State. Borrower shall provide for the security of all State Confidential Information in accordance with all policies promulgated by the Colorado Office of Information Security and all applicable laws, rules, policies, publications, and guidelines. If Borrower or any of its Subcontractors will or may receive the following types of data, Borrower or its Subcontractors shall provide for the security of such data according to the following: (i) the most recently promulgated IRS Publication 1075 for all Tax Information and in accordance with the Safeguarding Requirements for Federal Tax Information attached to this Contract as an Exhibit, if applicable, (ii) the most recently updated PCI Data Security Standard from the PCI Security Standards Council for all PCI, (iii) the most recently issued version of the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all CJI, and (iv) the federal Health Insurance Portability and Accountability Act for all PHI and the HIPAA Business Associate Agreement attached to this Contract, if applicable. Borrower shall immediately forward any request or demand for State Records to the State's principal representative.

B. Other Entity Access and Nondisclosure Agreements

Borrower may provide State Records to its agents, employees, assigns and Subcontractors as necessary to perform the Work, but shall restrict access to State Confidential Information to those agents, employees, assigns and Subcontractors who require access to perform their obligations under this Contract. Borrower shall ensure all such agents, employees, assigns, and Subcontractors sign agreements containing nondisclosure provisions at least as protective as those in this Contract, and that the nondisclosure provisions are in force at all times the agent, employee, assign or Subcontractor has access to any State Confidential Information. Borrower shall provide copies of those signed nondisclosure provisions to the State upon execution of the nondisclosure provisions.

C. Use, Security, and Retention

Borrower shall use, hold and maintain State Confidential Information in compliance with any and all applicable laws and regulations in facilities located within the United States, and shall

maintain a secure environment that ensures confidentiality of all State Confidential Information wherever located. Borrower shall provide the State with access, subject to Borrower's reasonable security requirements, for purposes of inspecting and monitoring access and use of State Confidential Information and evaluating security control effectiveness. Upon the expiration or termination of this Contract, Borrower shall return State Records provided to Borrower or destroy such State Records and certify to the State that it has done so, as directed by the State. If Borrower is prevented by law or regulation from returning or destroying State Confidential Information, Borrower warrants it will guarantee the confidentiality of, and cease to use, such State Confidential Information.

D. Incident Notice and Remediation

If Borrower becomes aware of any Incident, it shall notify the State immediately and cooperate with the State regarding recovery, remediation, and the necessity to involve law enforcement, as determined by the State. Unless Borrower can establish that none of Borrower or any of its agents, employees, assigns or Subcontractors are the cause or source of the Incident, Borrower shall be responsible for the cost of notifying each person who may have been impacted by the Incident. After an Incident, Borrower shall take steps to reduce the risk of incurring a similar type of Incident in the future as directed by the State, which may include, but is not limited to, developing and implementing a remediation plan that is approved by the State at no additional cost to the State. The State may, in its sole discretion and at Borrower's sole expense, require Borrower to engage the services of an independent, qualified, State-approved third party to conduct a security audit. Borrower shall provide the State with the results of such audit and evidence of Borrower's planned remediation in response to any negative findings.

E. Data Protection and Handling

Borrower shall ensure that all State Records and Work Product in the possession of Borrower or any Subcontractors are protected and handled in accordance with the requirements of this Contract, including the requirements of any Exhibits hereto, at all times.

16. CONFLICTS OF INTEREST

A. Actual Conflicts of Interest

Borrower shall not engage in any business or activities, or maintain any relationships that conflict in any way with the full performance of the obligations of Borrower under this Contract. Such a conflict of interest would arise when a Borrower's employee, officer or agent were to offer or provide any tangible personal benefit to an employee of the State, or any member of his or her immediate family or his or her partner, related to the award of, entry into or management or oversight of this Contract.

B. Apparent Conflicts of Interest

Borrower acknowledges that, with respect to this Contract, even the appearance of a conflict of interest shall be harmful to the State's interests. Absent the State's prior written approval, Borrower shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Borrower's obligations under this Contract.

C. Disclosure to the State

If a conflict or the appearance of a conflict arises, or if Borrower is uncertain whether a conflict or the appearance of a conflict has arisen, Borrower shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the actual or apparent conflict constitutes a breach of this Contract.

17. INSURANCE

The Borrower is a "public entity" within the meaning of the Colorado Governmental Immunity Act, §24-10-101, *et seq.*, C.R.S. (the "GIA") and shall maintain at all times during the term of this Loan Contract such liability insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the GIA. Borrower shall ensure that any Subcontractors maintain all insurance customary for the completion of the work done by that Subcontractor and as required by the State Risk Manager, Department of Personnel and Administration or the GIA.

18. BREACH OF CONTRACT

In the event of a Breach of Contract, the aggrieved Party shall give written notice of breach to the other Party. If the notified Party does not cure the Breach of Contract, at its sole expense, within thirty (30) days after the delivery of written notice, the Party may exercise any of the remedies as described in §19., for that Party. Notwithstanding any provision of this Contract to the contrary, the State, in its discretion, need not provide notice or a cure period and may immediately terminate this Contract in whole or in part or institute any other remedy in this Contract in order to protect the public interest of the State; or if Borrower is debarred or suspended under §24-109-105, C.R.S., the State, in its discretion, need not provide notice or cure period and may terminate this Contract in whole or in part or institute any other remedy in this Contract as of the date that the debarment or suspension takes effect.

19. REMEDIES

A. State's Remedies

i. Loan Default Remedies

Upon default in the payments to be made by the Borrower under this Contract, or default in the performance of any covenant or agreement contained herein, the CWCB, at its option, may do any of the following:

- a. Suspend this Contract and withhold further loan disbursements pending corrective action by the Borrower and if the Borrower does not cure the default as provided for below, permanently cease loan disbursements and deem the Project substantially complete.
- b. Declare the entire unpaid principal amount of the Promissory Note, accrued interest, and late charges, if any, then outstanding immediately due and payable.
- c. Exercise its rights under any appendices to this Contract, including, but not limited to, the Promissory Note and Security Agreement securing Pledged Revenues.
- d. Take any other action deemed appropriate by the CWCB.

The CWCB shall provide written notice to the Borrower of any such default and shall give the Borrower an opportunity to cure within sixty (60) days of receipt of such

notice. All remedies described herein may be simultaneously or selectively and successively enforced. The CWCB may enforce the provisions of this Contract at its option without regard to prior waivers of previous defaults by the Borrower, through judicial proceedings to require specific performance of this Contract, or by such other proceedings in law or equity as may be deemed necessary by the CWCB to ensure compliance with provisions of this Contract and the laws and regulations under which this Contract is executed. The CWCB's exercise of any or all of the remedies described herein shall not relieve the Borrower of any of its duties and obligations under this Contract.

B. Borrower's Remedies

If the State is in breach of any provision of this Contract and does not cure such breach, Borrower, following the notice and cure period in §19.A.i.d., and the dispute resolution process in §20., shall have all remedies available at law and equity.

WHEREAS, there have been presented to the Board the forms of the Financing Documents; and

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF EMPIRE, COLORADO:

Section 1. Approvals, Authorizations, and Amendments. The forms of the Financing Documents presented at this meeting are incorporated herein by reference and are hereby approved. The Town shall enter into and perform its obligations under the Financing Documents in the forms of such documents, with such changes as are not inconsistent herewith and as are hereafter approved by the Mayor of the Town (the "Mayor"). The Mayor and Town Clerk of the Town (the "Clerk") are hereby authorized and directed to execute the Financing Documents and to affix the seal of the Town thereto, and further to execute and authenticate such other documents or certificates as are deemed necessary or desirable in connection therewith. The Financing Documents shall be executed in substantially the forms approved at this meeting.

The execution of any instrument or certificate or other document in connection with the matters referred to herein by the Mayor and the Clerk or by other appropriate officers of the Town, shall be conclusive evidence of the approval by the Town of such instrument.

Section 2. Election to Apply Supplemental Act. Section 11-57-204 of the Supplemental Public Securities Act, constituting Title 11, Article 57, Part 2, C.R.S. (the “Supplemental Act”) provides that a public entity, including the Town, may elect in an act of issuance to apply all or any of the provisions of the Supplemental Act. The Board hereby elects to apply all of the Supplemental Act to the Financing Documents.

Section 3. Delegation.

(a) Pursuant to Section 11-57-205 of the Supplemental Act, the Board hereby delegates to the Mayor or Mayor Pro Tem the authority to make the following determinations relating to and contained in the Financing Documents, subject to the restrictions contained in paragraph (b) of this Section 3:

- (i) The interest rate on the Loan;
- (ii) The principal amount of the Loan;
- (iii) The amount of principal of the Loan maturing in any given year and the final maturity of the Loan;
- (iv) The dates on which the principal of and interest on the Loan is paid; and
- (v) The existence and amount of a reserve fund for the Loan, if any.

(b) The delegation in paragraph (a) of this Section 3 shall be subject to the following parameters and restrictions:

- (i) the interest rate on the Loan shall not exceed 2.50%;
- (ii) the aggregate principal amount of the Loan shall not exceed \$124,230; and
- (iii) the final maturity of the Loan shall not be any later than 30 years from the loan contract start date.

Section 4. Conclusive Recital. Pursuant to Section 11-57-210 of the Supplemental Act, the Promissory Note and Security Agreement shall contain a recital that each is issued pursuant to certain provisions of the Supplemental Act. Such recital shall be conclusive

evidence of the validity and the regularity of the issuance of the Promissory Note and Security Agreement after its delivery for value.

Section 5. Pledge of Revenues. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Financing Documents provided herein shall be governed by Section 11-57-208 of the Supplemental Act and this Ordinance. The amounts pledged to the payment of the Financing Documents shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge shall have the priority described in the Loan Contract. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the Town irrespective of whether such persons have notice of such liens.

For purposes of this Ordinance and the Loan Contract, “Pledged Revenue” shall mean the Net Revenue of the Town. “Net Revenue” shall mean the Gross Revenue less the Operation and Maintenance Expenses plus all proceeds of insurance in excess of or not applied to the repair and replacement of the System, and the proceeds or any sale, conveyance, or exchange of the System in excess of that applied to replace the System sold or exchanged.

“Gross Revenue” means all fees (including but not limited to user fees and plant investment fees), charges and revenues directly or indirectly derived by the Town for the services furnished by, or use of, the System, or any part thereof, including all income attributable to any future dispositions of property or rights related to contracts, settlements, or judgments held or obtained in connection with the System or its operations; provided however, that there shall be excluded from Gross Revenue (a) moneys borrowed and used for providing Capital Improvements, (b) any money and securities, and investment income therefrom, in any refunding fund, escrow account, or similar account pledged to the payment of any bonds or other obligations for the purpose of defeasing the same, and (c) any moneys received as grants or appropriations from the United States, the State of Colorado, or other sources, the use of which is limited or restricted by the grantor or donor to the provision of Capital Improvements or for other purposes resulting in the general unavailability thereof, except to the extent any such moneys shall be received as payments for the use of the System, services rendered thereby, the availability of any such service, or the disposal of any commodities therefrom.

“Operation and Maintenance Expenses” means all reasonable and necessary current expenses of the Town, paid or accrued, for operating, maintaining, and repairing the

System, including without limitation legal and overhead expenses of the Town directly related to the administration of the System; provided however, that there shall be excluded from Operation and Maintenance Expenses any allowance or transfers for depreciation, payments in lieu of taxes or franchise fees, legal liabilities not based on contract, expenses incurred in connection with Capital Improvements, payments due in connection with any bonds or other obligations issued to provide Capital Improvements, and charges for accumulation of reserves.

“System” means the municipal water system consisting of all properties, real, personal, mixed or otherwise, now owned or hereafter acquired by the Town, through purchase, construction and otherwise, and used in connection with such system of the Town, and in any way pertaining thereto, whether or not located within or without or both within and without the boundaries of the Town; and such defined term includes any other utility or other income-producing facilities added to the System and to which the lien and pledge herein provided are extended by ordinance adopted by the Board or the qualified electors of the Town.

Section 6. Limitation of Actions. Pursuant to Section 11-57-212 of the Supplemental Act, no legal or equitable action brought with respect to any legislative acts or proceedings in connection with the Financing Documents shall be commenced more than thirty days after the issuance of the Promissory Note.

Section 7. Limited Obligation; Special Obligation. The Financing Documents are payable solely from the Pledged Revenue and the Financing Documents do not constitute a debt within the meaning of any constitutional or statutory limitation or provision.

Section 8. No Recourse against Officers and Agents. Pursuant to Section 11-57-209 of the Supplemental Act, if a member of the Board, or any officer or agent of the Town acts in good faith, no civil recourse shall be available against such member, officer, or agent for payment of the principal of or interest on the Promissory Note. Such recourse shall not be available either directly or indirectly through the Board or the Town, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of the Promissory Note and as a part of the consideration of its sale or purchase, CWCB specifically waives any such recourse.

Section 9. Disposition and Investment of Proceeds of the Loan Contract. The proceeds of the Loan Contract shall be applied only to pay the costs and expenses of acquiring, constructing and equipping the Project, including costs related thereto and reimbursement to the

Town for capital expenditures heretofore incurred and paid from Town funds in anticipation of the incurrence of long-term financing therefor, and all other costs and expenses incident thereto, including without limitation the costs of obtaining the Loan Contract. The CWCB shall not be responsible for the application or disposal by the Town or any of its officers of the funds derived from the Loan Contract.

Section 10. Estimated Life of Improvements. It is hereby determined that the estimated life of the Project to be financed with the proceeds of the Loan Contract is not less than the final maturity of the Loan.

Section 11. Issuance of Additional Debts or Bonds. The Town will not issue any indebtedness payable from the Pledged Revenue and having a lien thereon which is superior to the lien created by the Financing Documents. The Town will issue parity debt only with the prior written approval of CWCB, provided that:

(a) the Town is at the time approval is requested from CWCB and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of the Loan Contract, including, but not limited to, being current on the annual payments due under the Loan Contracts and in the accumulation of all amounts then required to be accumulated in the Town's debt service reserve account or fund; and

(b) the Town provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the Town's revenues, for 12 consecutive months out of the 18 months immediately preceding the date of issuance of such parity debt, the Town's revenues are sufficient to pay its annual Operation and Maintenance Expenses, annual debt service on all outstanding indebtedness having a lien on the Pledged Revenue, including the Loan Contract, the annual debt service on the proposed indebtedness to be issued, and all required deposits to any reserve funds required by the Loan Contract or by the lender(s) of any indebtedness having a lien on the Pledged Revenue. No more than 10% of total revenues may originate from tap and/or connection fees.

Section 12. Direction to Take Authorizing Action. The appropriate officers of the Town and members of the Board are hereby authorized and directed to take all other actions necessary or appropriate to effectuate the provisions of this Ordinance, including but not limited to such certificates and affidavits as may reasonably be required by CWCB.

Section 13. Ratification and Approval of Prior Actions. All actions heretofore taken by the officers of the Town and members of the Board, not inconsistent with the provisions of this Ordinance, relating to the Financing Documents, or actions to be taken in respect thereof, are hereby authorized, ratified, approved, and confirmed.

Section 14. Repealer. All acts, orders, ordinances, or resolutions, or parts thereof, in conflict herewith are hereby repealed to the extent of such conflict.

Section 15. Severability. Should any one or more sections or provisions of this Ordinance be judicially determined invalid or unenforceable, such determination shall not affect, impair, or invalidate the remaining provisions hereof, the intention being that the various provisions hereof are severable.

Section 16. Inconsistencies. In the event of any inconsistencies between this Ordinance and the Loan Contract, this Ordinance is controlling.

Section 17. Ordinance Irrepealable. After the Promissory Note is issued, this Ordinance shall constitute an irrevocable contract between the Town and the CWCB, and shall be and remain irrepealable until the Promissory Note and the interest thereon shall have been fully paid, satisfied, and discharged. No provisions of any constitution, statute, ordinance, resolution or other measure enacted after the issuance of the Promissory Note shall in any manner be construed as impairing the obligations of the Town to keep and perform the covenants contained in this Ordinance.

Section 18. Recording and Authentication. Immediately on its passage this Ordinance shall be recorded in a book kept for that purpose, authenticated by the signatures of the Mayor and the Clerk, and shall be published in accordance with law.

Section 19. Declaration of Emergency. By reason of the Town's need to improve its System to provide for the health and welfare of its citizens and the further need to acquire additional financing to improve such System, and the limited availability of such low interest financing through the CWCB, the Board declares that this Ordinance is necessary for the immediate preservation of the public peace, health and safety, and this Ordinance shall be in full force and effect immediately upon final passage on first reading and adoption upon Board approval.

Section 20. Publication and Effective Date. This Ordinance after its passage on first and final reading shall be numbered, recorded, published and posted and the adoption,

posting, and publication shall be authenticated by the signature of the Mayor and the Town Clerk. This Ordinance shall become effective immediately.

READING AS AN EMERGENCY ORDINANCE, AND ORDERED PUBLISHED THIS 20TH

APPENDIX 5, SECURITY AGREEMENT

Date: August 20, 2019

Borrower: Town of Empire

Secured Party: Colorado Water Conservation Board

Promissory Note: \$124,230.00

Terms of Repayment: 2.50% per annum interest for thirty (30) years

Loan Contract Number: CT2020-572

Pledged Revenues: All pledged revenues from the water activity enterprise in such amount as is necessary to make each annual payment due under this Contract and all of Borrower's right to receive said revenues to repay the loan as described in Pledged Revenues provisions of the Contract and Borrower's Resolutions adopted August 20, 2019.

To secure payment of the loan evidenced by the Promissory Note payable in accordance with the terms of repayment, or until all principal, interest, and late charges, if any, are paid in full, the Borrower grants to Secured Party a security interest in the above described Pledged Revenues.

BORROWER EXPRESSLY WARRANTS AND COVENANTS:

1. That except for the security interest granted hereby and any other security interests described in Appendix 1, Project Summary, Section 5, the Borrower is the owner of the Pledged Revenues free from any adverse lien, security interest or encumbrances; and that the Borrower will defend the Pledged Revenues against all claims and demands of all persons at any time claiming the same or any interest therein.
2. That the execution and delivery of this agreement by the Borrower will not violate any law or agreement governing the Borrower or to which the Borrower is a party.
3. Except in accordance with Section 11.E., of the Loan Contract, to not permit or allow any adverse lien, security interest or encumbrance whatsoever upon the Pledged Revenues and not to permit the same to be attached or replevined.
4. That by its acceptance of the loan money pursuant to the terms of the Contract and by its representations herein, the Borrower shall be estopped from asserting for any reason that it is not authorized to grant a security interest in the Pledged Revenues pursuant to the terms of this agreement.
5. To pay all taxes and assessments of every nature that may be levied or assessed against the Pledged Revenues.
6. That the Borrower's articles of incorporation and by-laws do not prohibit any term or condition of this agreement.

UNTIL DEFAULT Borrower may have possession of the Pledged Revenues, provided that Borrower keeps the Pledged Revenues in an account separate from other revenues of Borrower and does not use Pledged Revenues for any purpose not permitted by the Contract. Upon default, Secured Party shall have the immediate right to the possession of the Pledged Revenues.

BORROWER SHALL BE IN DEFAULT under this agreement upon any of the following events or conditions:

- a. default in the payment or performance of any obligation contained herein or in the Promissory Note or Contract; or

- c. the making or furnishing of any warranty, representation or statement to Secured Party by or on behalf of the Borrower which proves to have been false in any material respect when made or furnished.

Upon such default and at any time thereafter, Secured Party shall have the remedies of a secured party under Section 11-57-208, Colorado Revised Statutes. Secured Party may require the Borrower to deliver or make the Pledged Revenues available to Secured Party at a place to be designated by Secured Party, which is reasonably convenient to both parties. Expenses of retaking, holding, preparing for sale, selling or the like shall include Secured Party's reasonable attorney's fees and legal expenses.

The Secured Party shall give the Borrower written notice of any alleged default and an opportunity to cure within sixty (60) Business Days of receipt of such notice before the Borrower shall be considered in default for purposes of this Security Agreement. No default shall be waived by Secured Party except in writing, and no waiver by Secured Party of any default shall operate as a waiver of any other default or of the same default on a future occasion. The taking of this Security Agreement shall not waive or impair any other security Secured Party may have or hereafter acquire for the payment of the above indebtedness, nor shall the taking of any such additional security waive or impair this Security Agreement; but Secured Party shall retain its rights of set-off against the Borrower. In the event court action is deemed necessary to enforce the terms and conditions set forth herein, said action shall only be brought in the District Court for the City and County of Denver, State of Colorado, and the Borrower consents to venue and personal jurisdiction in said Court.

All rights of Secured Party hereunder shall inure to the benefit of its successors and assigns; and all promises and duties of the Borrower shall bind its successors or assigns.
