PAID IN FULL

THEREFORE, in consideration of the mutual and dependent covenants contained herein, the parties agree as follows:

A. LOAN PROVISIONS

1. **Loan Service Fee.** The amount of the loan (LOAN AMOUNT) shall include (1) the amount of the funds loaned by the CWCB to the BORROWER for the PROJECT and (2) a service fee of one percent (1%) of the PROJECT amount. Loan Contract C150262

2. **Contract Amendment Service Fees.** Under certain circumstances, the BORROWER shall be assessed a fee for amending the contract.
- A service fee shall be imposed on the BORROWER for amendments processed for the benefit of the BORROWER and necessary for the BORROWER's course of business but not necessary for the CWCB, including, but not limited to, a change in borrower name (novation), assignment of contract, substitution of collateral, loan payment deferments in excess of 3 per loan, and loan consolidation. Amendments in the course of CWCB business, including, but not limited to, loan payment deferments (up to 3 per loan), and changes in terms of loan repayment will be processed at no additional charge to the BORROWER.
 - The amount charged shall be in accordance with the fee rate structure set forth in the CWCB Loan Service Charge Policy in effect at the time the BORROWER shall request an amendment. The current fee for an amendment is \$1,000.
 - The BORROWER shall remit the service fee to the CWCB prior to initiation of the amendment. Any service fee remitted to the CWCB cannot be refunded
3. **Promissory Note Provisions.** The CWCB agrees to loan to the BORROWER an amount not to exceed the LOAN AMOUNT and the BORROWER agrees to repay the loan in accordance with the terms as set forth in the Promissory Note, attached hereto as **Appendix 2** and incorporated herein. The Promissory Note shall identify the LOAN AMOUNT. If the amount of loan funds disbursed by the CWCB to the BORROWER differs from the LOAN AMOUNT, the parties agree to amend this contract, including its appendices where necessary, to revise the LOAN AMOUNT, and such amendment shall not be subject to contract amendment service fees.
4. **Interest Prior to PROJECT Completion.** As the loan funds are disbursed by the CWCB to the BORROWER, interest shall accrue at the rate set by the CWCB for this loan. The CWCB shall calculate the amount of the interest that accrued prior to PROJECT's substantial completion (as determined by the CWCB) and notify BORROWER of such amount. The BORROWER shall repay that amount to the CWCB either within ten (10) days from the date of notification from the CWCB, or, at the CWCB's discretion, said interest shall be deducted from the final disbursement of loan funds that the CWCB makes to the BORROWER.
5. **Return of Unused Loan Funds.** Any loan funds disbursed but not expended for the PROJECT in accordance with the terms of this contract shall be remitted to the CWCB within 30 calendar days from notification from the CWCB of either (1) completion of the PROJECT or (2) determination by the CWCB that the PROJECT will not be completed.
6. **BORROWER's Authority To Contract.** The BORROWER warrants that it has full power and authority to enter into this contract. The execution and delivery of this contract and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the BORROWER. The BORROWER's authorizing resolution(s) or ordinance(s) are attached as **Appendix 3** and incorporated herein.

7. **Attorney's Opinion Letter.** Prior to the execution of this contract by the CWCB, the BORROWER shall submit to the CWCB a letter from its legal counsel stating that it is the attorney's opinion that
- a. the contract has been duly executed by officers of the BORROWER who are duly elected or appointed and are authorized to execute the contract and to bind the BORROWER;
 - b. the resolutions or ordinances of the BORROWER authorizing the execution and delivery of the contract were duly adopted by the governing bodies of the BORROWER;
 - c. there are no provisions in the Colorado Constitution or any other state or local law that prevent this contract from binding the BORROWER;
 - d. the contract will be valid and binding against the BORROWER if entered into by the CWCB.
8. **Pledge of revenues.** The BORROWER irrevocably pledges to the CWCB, for purposes of repayment of this loan, revenues levied for that purpose as authorized in Appendix 3 and any other funds legally available to the BORROWER, in an amount sufficient to pay the annual payment due under this contract ("Pledged Revenues"). Further, the BORROWER agrees to:
- a. **Segregation of Pledged Revenues.** The BORROWER shall set aside and keep the Pledged Revenues in an account separate from other BORROWER revenues, and warrants that these revenues will not be used for any other purpose.
 - b. **Establish Security Interest.** The BORROWER has duly executed a Security Agreement, attached hereto as **Appendix 4** and incorporated herein, to provide a security interest to the CWCB in the Pledged Revenues. The CWCB shall have priority over all other competing claims for said revenues, except for the liens of the BORROWER'S existing loans as listed in Section 5 (Schedule of Existing Debt), of the **Project Summary**, which sets forth the position of the lien created by this contract in relation to any existing lien(s).
 - c. **Rate Covenant.** Pursuant to its statutory authority and as permitted by law, the BORROWER shall take all necessary actions consistent therewith during the term of this contract to establish, levy and collect rates, charges and fees as described in Appendix 3, in amounts sufficient to pay this loan as required by the terms of this contract and the Promissory Note, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves, including obtaining voter approval, if necessary, of increases in the BORROWER'S rate schedule or taxes, if applicable.
 - d. **Debt Service Reserve Account.** To establish and maintain the debt service reserve account, the BORROWER shall deposit an amount equal to one-tenth of an annual payment into its debt service reserve fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the BORROWER applies funds from this account to

repayment of the loan, the BORROWER shall replenish the account within ninety (90) days of withdrawal of the funds.

- e. **Additional Debts or Bonds.** The BORROWER shall not issue any indebtedness payable from the pledged revenues and having a lien thereon which is superior to the lien of this loan. The BORROWER may issue parity debt only with the prior written approval of the CWCB, provided that:
- i. The BORROWER is currently and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of this contract, including, but not limited to, being current on the annual payments due under this contract and in the accumulation of all amounts then required to be accumulated in the BORROWER'S debt service reserve fund;
 - ii. The BORROWER provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the BORROWER'S revenues, for 12 consecutive months out of the 18 months immediately preceding the date of issuance of such parity debt, the BORROWER'S revenues are sufficient to pay its annual operating and maintenance expenses, annual debt service on all outstanding indebtedness having a lien on the pledged revenues, including this loan, the annual debt service on the proposed indebtedness to be issued, and all required deposits to any reserve funds required by this contract or by the lender(s) of any indebtedness having a lien on the pledged revenues. The analysis of revenues shall be based on the BORROWER'S current rate structure or the rate structure most recently adopted. No more than 10% of total revenues may originate from tap and/or connection fees.

The BORROWER acknowledges and understands that any request for approval of the issuance of additional debt must be reviewed and approved by the CWCB Director prior to the issuance of any additional debt.

- f. **Annual Statement of Debt Coverage.** Each year during the term of this contract, the BORROWER shall submit to the CWCB an annual audit report and a certificate of debt service coverage from a Certified Public Accountant.
9. **Pledged Revenues During Loan Repayment.** The BORROWER shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Pledged Revenues, so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB.
10. **Release After Loan Is Repaid.** Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the Promissory Note, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the Pledged Revenues.
11. **Warranties.**
- a. The BORROWER warrants that, by acceptance of the loan under this contract and by

its representations herein, the BORROWER shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this contract.

- b. The BORROWER warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the BORROWER, to solicit or secure this contract and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this contract.
- c. The BORROWER warrants that the Pledged Revenues and collateral for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for any existing lien(s) identified in Section 5 (Schedule of Existing Debt) of the **Project Summary**, which sets forth the position of the lien created by this contract in relation to any existing lien(s).

12. **Remedies For Default.** Upon default in the payments to be made by the BORROWER under this contract, or default in the performance of any covenant or agreement contained herein, the CWCB, at its option, may:

- a. suspend this contract and withhold further loan disbursements pending corrective action by the BORROWER, and if the BORROWER does not cure the default as provided for below, permanently cease loan disbursements and deem the PROJECT substantially complete;
- b. exercise its rights under any appendices to this contract, including, but not limited to, the Promissory Note and Security Agreement; and/or
- c. take any other appropriate action.

The CWCB shall provide written notice to the BORROWER of any such default and shall give the BORROWER an opportunity to cure within thirty (30) days of receipt of such notice. All remedies described herein may be simultaneously or selectively and successively enforced. The CWCB may enforce the provisions of this contract at its option without regard to prior waivers of previous defaults by the BORROWER, through judicial proceedings to require specific performance of this contract, or by such other proceedings in law or equity as may be deemed necessary by the CWCB to ensure compliance with provisions of this contract and the laws and regulations under which this contract is executed. The CWCB's exercise of any or all of the remedies described herein shall not relieve the BORROWER of any of its duties and obligations under this contract.

13. **OPERATION OF PROJECT.** The BORROWER shall, without expense or legal liability to the CWCB, manage, operate and maintain the PROJECT continuously in an efficient and economical manner.

14. **BORROWER's Liability Insurance.**

- a. Because the BORROWER is a "public entity" within the meaning of the Colorado Governmental Immunity Act, CRS 24-10-101, et seq., as amended ("Act"), the BORROWER shall at all times maintain such liability insurance, by commercial policy or self-insurance as is necessary to meet its liabilities under the Act.
 - b. Prior to the disbursement of any loan funds, the BORROWER shall provide the CWCB with an Acord Form 25 or other form satisfactory to the CWCB evidencing said insurance and shall provide the CWCB with documentation of renewals of said insurance.
15. **Additional Contract Requirements.** Any additional contract requirements are set forth in Additional Contract Requirement (Section 6) of the **Project Summary**.

B. PROJECT PROVISIONS

1. **Construction Fund Program Procedures.** During the completion of the PROJECT, the BORROWER shall adhere to the CWCB Construction Fund Program Procedures (Section 7) of the **Project Summary**.

3. **Loan Disbursements.** The CWCB shall disburse loan funds in accordance with the Disbursement Schedule (Section 9) of the **Project Summary**.
4. **Time for Performance.** The BORROWER recognizes that time is of the essence in the performance of all of its obligations under this contract. Therefore, the BORROWER shall complete the PROJECT within the time specified in Time for Performance (Section 10) of the **Project Summary**.
5. **Indemnification By The Construction Firm.** The BORROWER shall require all Construction Firms and their subcontractors to indemnify the BORROWER against all liability and loss, and against all claims and actions based upon or arising out of damage or injury, including death, to persons or property, caused by any acts or omissions of those parties or sustained in connection with the performance of any contract related to the PROJECT or by conditions created thereby, or based upon any violation of any statute, ordinance, or regulation, and the defense of any such claims or actions.
6. **Liability Insurance During Construction.** During construction of the PROJECT, the BORROWER shall require the construction firm(s) and any subcontractors to maintain the following insurance coverage in the limits shown during the term of their contracts for the construction of the PROJECT. The BORROWER shall provide the CWCB with an Acord Form 27 evidencing said insurance prior to commencement of construction, maintained until construction is complete, and shall provide the CWCB with documentation of renewals of said insurance. No payments shall be made to the BORROWER unless all insurance certificates are current.

C. GENERAL PROVISIONS

1. **Periodic Inspections.** Throughout the term of this contract, the BORROWER shall permit a designated representative of the CWCB to make periodic inspections of the PROJECT. Such inspections shall cover the condition of the PROJECT, operating records, maintenance records, and financial records. These inspections are solely for the purpose of verifying compliance with the terms and conditions of this contract and shall not be construed nor interpreted as an approval of the actual design, construction or operation of any element of the PROJECT facilities
2. **Applicable Laws.** The BORROWER shall strictly adhere to all applicable federal, state, and local laws and regulations that are in effect or may hereafter be established throughout the term of this contract.
3. **Designated Agent Of The CWCB.** The CWCB's employees are designated as the agents of the CWCB for the purpose of this contract.
4. **Assignment.** The BORROWER may not assign this contract except with the prior written approval of the CWCB.
5. **Contract Relationship.** The parties to this contract intend that the relationship between them under this contract is that of lender-borrower, not employer-employee. No agent, employee, or servant of the BORROWER shall be, or shall be deemed to be, an employee, agent, or servant of the CWCB. The BORROWER shall be solely and entirely responsible for its acts and the acts of its agents, employees, servants, engineering firms, construction firms, and subcontractors during the term of this contract.
6. **Integration Of Terms.** This contract is intended as the complete integration of all understandings between the parties. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever unless embodied herein in writing. No subsequent novation, renewal, addition, deletion, or other amendment hereto shall have any force or effect unless embodied in a written contract executed and approved pursuant to STATE fiscal rules, unless expressly provided for herein.

Any net proceeds remaining after such work has been completed or this loan has been repaid, shall be retained by the BORROWER. If the net insurance proceeds are insufficient to pay the full cost of the replacement, repair and restoration, the BORROWER shall complete the work and pay any cost in excess of the net proceeds. In the event BORROWER chooses to repay the loan, BORROWER shall remain responsible for the full loan amount outstanding regardless of the amount of such insurance proceeds or condemnation award.
9. **Captions.** The captions and headings contained in this contract are for convenience and reference only and shall not be construed so as to define or limit the terms or provisions contracted herein.
10. **CWCB's Approval.** This contract requires review and approval of plans, specifications, and various other technical and legal documents. The CWCB's review of these documents is only for the purpose of verifying BORROWER'S compliance with this contract and shall not be construed or interpreted as a technical review or approval of the actual design or construction of the PROJECT. Notwithstanding any consents or approvals given to the BORROWER by the CWCB on any such documents, BORROWER and any of its consultants, by preparing any such documents, shall be solely responsible for the accuracy and completeness of any of said documents.
11. **Waiver.** The waiver of any breach of a term of this contract shall not be construed as a waiver of any other term or of any subsequent breach of the same term.
