Dear CWCB,

On November 19<sup>th</sup>, 2019 our second CoAgMet station was installed at the Brush Creek Ranch and Open Space located in Eagle, CO. The station has been reporting for just over a month now and the free data can be accessed at <http://coagmet.colostate.edu/>, the new station code is EGL01.

The ECCD thanks CWCB for awarding us the WSRF Grant so we could install this station and help curb excess irrigation and conserve our precious water.

Sincerely,

*Courtney Grant*
