- B. **Upon substantial completion of the Project** with a decrease in the Total Loan Amount but no change in the annual payment, which then results in a shortened term of the loan, the State may exercise an option and shall provide written notice to the Borrower in form substantially equivalent to Appendix 2 to decrease the term of the loan. If exercised, the provisions of the Option Letter and supporting documentation shall become part of and be incorporated into this Contract for the total duration of this Contract.

5. CONTRACT AMENDMENT SERVICE FEES

Under certain circumstances, the Borrower may be assessed a service fee for amending the Contract.

- A. A service fee may be imposed on the Borrower for amendments processed for the benefit of the Borrower and necessary for the Borrower's course of business but not necessary for the CWCB, including, but not limited to, a change in the Borrower's name, assignment of contract, substitution of Pledged Revenues or Pledged Property, loan payment deferrals in excess of three (3) per loan, and loan consolidation. Amendments in the course of CWCB business will be processed at no additional charge to the Borrower.
- B. The amount charged shall be in accordance with the service fee rate structure set forth in the CWCB Loan Service Charge Policy in effect at the time the Borrower shall request an amendment. The current service fee for an amendment is one thousand and no/100 dollars (\$1,000).

The CWCB agrees to loan to the Borrower an amount not to exceed the Total Loan Amount and the Borrower agrees to repay the loan in accordance with the terms as set forth in the Promissory Note, (attached as Appendix 3) and incorporated herein.

7. INTEREST PRIOR TO PROJECT COMPLETION

For all loan funds disbursed by the CWCB to the Borrower prior to the Contract Project Performance End Date, interest shall accrue on the disbursed funds at the rate set by the CWCB for this loan. The CWCB shall calculate the amount of the interest that accrued prior to the Project's substantial completion (as determined by the CWCB) and notify the Borrower of such amount. The Borrower shall repay that amount to the CWCB either (1) within thirty (30) days from the date of notification from the CWCB, (2) at the CWCB's discretion, said interest shall be deducted from the final disbursement of loan funds that the CWCB makes to the Borrower, or (3) at the CWCB's discretion, said interest shall be rolled into the Total Loan Amount due.

8. RETURN OF UNUSED LOAN FUNDS

Any loan funds disbursed but not expended for the Project in accordance with the terms of this Contract shall be remitted to the CWCB within thirty (30) calendar days from notification from the CWCB of either (1) completion of the Project or (2) determination by the CWCB that the Project

will not be completed. Any such loan funds so remitted to CWCB shall be applied to the principal payment of amounts due on the Loan.

9. BORROWER'S AUTHORITY TO CONTRACT

The Borrower warrants that it has full power and authority to enter into this Contract. The execution and delivery of this Contract and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the Borrower as evidenced by the Borrower's Authorizing Resolution, attached as Appendix 4 and incorporated herein.

10. ATTORNEY'S OPINION LETTER

Prior to the final execution of this Contract the Borrower shall submit to the CWCB a letter from its attorney stating that it is the attorney's opinion that:

- B. The resolutions of the Borrower authorizing the execution and delivery of the Contract were duly adopted by the Borrower's board of directors; and
- C. There are no provisions in the Borrower's articles of incorporation or bylaws or any state or local law that prevent this Contract from binding the Borrower; and
- D. The Contract will be valid and binding against the Borrower if fully executed.

11. PLEDGE OF REVENUES

The Borrower irrevocably (but not exclusively) pledges to the CWCB, for the purpose of repaying the Total Loan Amount, the Pledged Revenues, in such amount as is necessary to make each annual payment due under this Contract. Such pledge of the Pledged Revenues is on parity with the debt identified in Section 5 of Appendix 1 (Schedule of Existing Debt) and any additional indebtedness that may be secured by the Pledged Revenues in the future that is incurred in accordance with Section 11.E., hereof, and together with the Existing Parity Debt, shall be the Borrower's "Parity Indebtedness."

- A. **Segregation of Pledged Revenues.** The Pledged Revenues shall be accounted for and maintained in an account separate from other Borrower revenues at all times. The Pledged Revenues shall be used first to pay debt service on the Total Loan Amount and all other Parity Indebtedness on an equal basis and thereafter may be used for any and all other expenses.
- B. **Establish Security Interest.** The Borrower has duly executed a Security Agreement, (attached as Appendix 5) and incorporated herein, to provide a security interest to the CWCB in the Pledged Revenues. The lien of this Contract on the Pledged Revenues shall have priority over all other competing claims with respect to the Pledged Revenues, except for the parity lien on the Pledged Revenues of any Parity Indebtedness.
- C. **Assessment Covenant.** Pursuant to its statutory authority and as permitted by law, the Borrower shall take all necessary actions consistent therewith during the term of this Contract to establish, levy and collect rates, charges and fees as described in Appendix 5, in amounts sufficient to pay this loan as required by the terms of this Contract and the Promissory Note, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves.

- D. Debt Service Reserve Account or Fund.** To establish and maintain the debt service reserve account or fund, the Borrower shall deposit an amount equal to one-tenth (0.1) of an annual payment into its debt service reserve account or fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the Borrower applies funds from this account to repayment of the loan, the Borrower shall replenish the account within ninety (90) days of withdrawal of the funds. The debt service reserve account or fund requirement is in effect until the loan is paid in full.
- E. Additional Debts or Bonds.** The Borrower shall not issue any indebtedness payable from the Pledged Revenues or have a lien thereon which is superior to the lien of this loan. The Borrower may issue parity debt only with the prior written approval of the CWCB, provided that:
- i. The Borrower is currently and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of this Contract, including, but not limited to, being current on the annual payments due under this Contract and in the accumulation of all amounts then required to be accumulated in the Borrower's debt service reserve fund;
 - ii. The Borrower provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the Borrower's revenues, for twelve (12) consecutive months out of the eighteen (18) months immediately preceding the date of issuance of such parity debt, the Borrower's revenues are sufficient to pay its annual operating and maintenance expenses, annual debt service on all outstanding indebtedness having a lien on the pledged revenues, including this loan, the annual debt service on the proposed indebtedness to be issued, and all required deposits to any reserve funds required by this Contract or by the lender(s) of any indebtedness having a lien on the pledged revenues. The analysis of revenues shall be based on the Borrower's current rate structure or the rate structure most recently adopted. No more than ten percent (10%) of total revenues may originate from tap and/or connection fees;
 - iii. The Borrower acknowledges and understands that any request for approval of the issuance of additional debt must be reviewed and approved by the CWCB prior to the issuance of any additional debt.
- F. Pledged Revenues During Loan Repayment.** The Borrower shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Pledged Revenues, so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB.

12. PLEDGE OF PROPERTY

The Borrower irrevocably pledges to the CWCB, for purposes of repayment of this loan, an interest in the Pledged Property. The Pledged Property as further described in Section 6 (Loan Security) of Appendix 1 is authorized by the Borrower's Authorizing Resolution, and secured by the Deed of Trust (attached as Appendix 6).

- A. Pledged Property during Loan Repayment.** The Borrower shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Pledged Property so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB. In the event of any such sale, transfer or encumbrance without the CWCB's written concurrence, the CWCB may at any

time thereafter declare all outstanding principal, interest, and late charges, if any, on this loan immediately due and payable.

13. RELEASE AFTER LOAN IS REPAYED

Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the Promissory Note, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the Pledged Revenues and the Pledged Property.

14. WARRANTIES

- A. The Borrower warrants that, by acceptance of the loan under this Contract and by its representations herein, the Borrower shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this Contract.
- B. The Borrower warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Borrower, to solicit or secure this Contract and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this Contract.
- C. The Borrower warrants that the pledged revenues for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for the existing parity loans which sets forth the position of the lien created by this contract in relation to any existing lien(s). The Borrower further warrants that, insofar as Borrower has acquired the pledged property by an exclusive easement, said property is not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for the existing parity loans which sets forth the position of the lien created by this contract in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the project summary and incorporated herein.

15. CHANGE OF OWNERSHIP OF WATER SHARES DURING TERM OF CONTRACT

If the interest rate for this loan is based on the CWCB's agricultural or blended agricultural and municipal and/or commercial and/or industrial rates, the Borrower agrees to notify the CWCB of any change of the ownership of the water rights represented by its shares from irrigation to municipal or commercial or industrial use. The interest rate shall be revised when said change in ownership would increase the original interest rate by one-half percent (0.5%) or more. The parties shall amend this Contract including a revised Promissory Note, to effect said change in interest rate.

16. OPERATION OF PROJECT

The Borrower shall, without expense or legal liability to the CWCB, manage, operate, and maintain the Project continuously in an efficient and economical manner.

17. CONFIDENTIAL INFORMATION-STATE RECORDS

A. Confidentiality

Borrower shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Borrower shall not, without prior written approval of the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Contract, permitted

by law or approved in Writing by the State. Borrower shall provide for the security of all State Confidential Information in accordance with all policies promulgated by the Colorado Office of Information Security and all applicable laws, rules, policies, publications, and guidelines. Borrower shall immediately forward any request or demand for State Records to the State's principal representative.

B. Other Entity Access and Nondisclosure Agreements

Borrower may provide State Records to its agents, employees, assigns and Subcontractors as necessary to perform the Project, but shall restrict access to State Confidential Information to those agents, employees, assigns and Subcontractors who require access to perform their obligations under this Contract. Borrower shall ensure all such agents, employees, assigns, and Subcontractors sign agreements containing nondisclosure provisions at least as protective as those in this Contract, and that the nondisclosure provisions are in force at all times the agent, employee, assign or Subcontractor has access to any State Confidential Information. Borrower shall provide copies of those signed nondisclosure provisions to the State upon execution of the nondisclosure provisions.

C. Use, Security, and Retention

Borrower shall use, hold and maintain State Confidential Information in compliance with any and all applicable laws and regulations in facilities located within the United States, and shall maintain a secure environment that ensures confidentiality of all State Confidential Information wherever located. Borrower shall provide the State with access, subject to Borrower's reasonable security requirements, for purposes of inspecting and monitoring access and use of State Confidential Information and evaluating security control effectiveness. Upon the expiration or termination of this Contract, Borrower shall return State Records provided to Borrower or destroy such State Records and certify to the State that it has done so, as directed by the State. If Borrower is prevented by law or regulation from returning or destroying State Confidential Information, Borrower warrants it will guarantee the confidentiality of, and cease to use, such State Confidential Information.

D. Incident Notice and Remediation

If Borrower becomes aware of any Incident, it shall notify the State immediately and cooperate with the State regarding recovery, remediation, and the necessity to involve law enforcement, as determined by the State. Unless Borrower can establish that none of Borrower or any of its agents, employees, assigns or Subcontractors are the cause or source of the Incident, Borrower shall be responsible for the cost of notifying each person who may have been impacted by the Incident. After an Incident, Borrower shall take steps to reduce the risk of incurring a similar type of Incident in the future as directed by the State, which may include, but is not limited to, developing and implementing a remediation plan that is approved by the State at no additional cost to the State.

E. Data Protection and Handling

Borrower shall ensure that all State Records and the Project records in the possession of Borrower or any Subcontractors are protected and handled in accordance with the requirements of this Contract, including the requirements of any Exhibits hereto, at all times.

18. CONFLICTS OF INTEREST

A. Actual Conflicts of Interest

Borrower shall not engage in any business or activities, or maintain any relationships that conflict in any way with the full performance of the obligations of Borrower under this Contract. Such a conflict of interest would arise when a Borrower's employee, officer or agent were to offer or provide any tangible personal benefit to an employee of the State, or any member of his or her immediate family or his or her partner, related to the award of, entry into or management or oversight of this Contract.

B. Apparent Conflicts of Interest

Borrower acknowledges that, with respect to this Contract, even the appearance of a conflict of interest shall be harmful to the State's interests. Absent the State's prior written approval, Borrower shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Borrower's obligations under this Contract.

C. Disclosure to the State

If a conflict or the appearance of a conflict arises, or if Borrower is uncertain whether a conflict or the appearance of a conflict has arisen, Borrower shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. C. Subrogation Waiver

All insurance policies secured or maintained by Borrower in relation to this Contract shall include clauses stating that each carrier shall waive all rights of recovery under subrogation

or otherwise against Borrower or the State, its agencies, institutions, organizations, officers, agents, employees, and volunteers.

D. Public Entities

If Borrower is a "public entity" within the meaning of the Colorado Governmental Immunity Act, §24-10-101, *et seq.*, C.R.S. Secured Party may require the Borrower to deliver or make the Pledged Revenues available to Secured Party at a place to be designated by Secured Party, which is reasonably convenient to both parties. Expenses of retaking, holding, preparing for sale, selling or the like shall include Secured Party's reasonable attorney's fees and legal expenses.

The Secured Party shall give the Borrower written notice of any alleged default and an opportunity to cure within sixty (60) business days of receipt of such notice before the Borrower shall be considered in default for purposes of this Security Agreement. No default shall be waived by Secured Party except in writing, and no waiver by Secured Party of any default shall operate as a waiver of any other default or of the same default on a future occasion. The taking of this Security Agreement shall not waive or impair any other security Secured Party may have or hereafter acquire for the payment of the above indebtedness, nor shall the taking of any such additional security waive or impair this Security Agreement; but Secured Party shall retain its rights of set-off against the Borrower. In the event court action is deemed necessary to enforce the terms and conditions set forth herein, said action shall only be brought in the District Court for the City and County of Denver, State of Colorado, and the Borrower consents to venue and personal jurisdiction in said Court.
