<b>Description:</b> Col Water Plan Grant MASTER Irrigator Rep River CMS#149406							
Colorado Water Plan Grant funding will support delivery of an annual, four-day "Colorado Master Irrigator" classroom-based course designed to equip northeastern Colorado farmers with science-backed information on strategies and tools they can use to reduce on-farm consumptive water use, increase water and energy conservation/use efficiency, and stay profitable. Colorado Master Irrigator will also prioritize peer-to-peer exchange and partnerships critical for broader management and mindset shifts to take place that can help sustain the region's agriculture-dependent communities given significant Ogallala aquifer declines.
