Re: Feasibility Study Grant Approval

Dear Ms. Knowlton:

I am pleased to inform you that I have approved your request for a grant from the Feasibility Study Small Grant Fund. The maximum amount of the grant is \$49,947 for up to 50% of the cost of the Upper Black Creek Reservoir Spillway Feasibility Study. I understand that the report will meet the requirements of the CWCB Guidelines and will follow the format of the sample feasibility studies found on our website.

Anna Mauss of this office will review the final feasibility study. Anna will contact you concerning this grant and will assist you with the processing of pay requests.

On behalf of the Board, I would like to thank the Company for its efforts to address the public safety concerns related to the dam.

Sincerely,

Rebecca Mitchell, Director  
Colorado Water Conservation Board
