

BEFORE THE COLORADO WATER CONSERVATION BOARD

**IN THE MATTER OF PROPOSED INSTREAM FLOW APPROPRIATION
DIVISION 6: TROUT CREEK**

ORDER: PARTIES TO SUBMIT STATUS UPDATE

The hearing in this matter was continued at the Parties' request and is currently scheduled for the November 2020 meeting of the Colorado Water Conservation Board ("Board"). There has been a significant passage of time since the parties were before the Hearing Officer and there are circumstances such as the pandemic that may have made the field work difficult to conduct. Thus, the Parties are hereby ordered to confer and submit a joint status report informing the Hearing Officer about the plans to obtain additional stream measurements. This status update shall be submitted by July 1, 2020, and sent to all Parties and the Hearing Officer via the email addresses included in the attached Certificate of Service. The report should indicate if the Parties desire a status conference to be scheduled in this matter.

Dated this 17th day of June, 2020.
