Re: Feasibility Study Grant Approval
Genesee Water Storage Dam and Reservoir No. 2

Dear Mr. Jones:

I am pleased to inform you that I have approved your request for a grant from the Feasibility Study Small Grant Fund. The maximum amount of the grant is \$37,387 for up to 50% of the cost of a feasibility study to evaluate the potential for additional water storage at Genesee Water Storage Dam and Reservoir No. 2. I understand that the report will meet the requirements of the CWCB Guidelines and will follow the format of the sample feasibility studies found on our website.

Anna Mauss of this office will review the final feasibility study. Anna will contact you concerning this grant and will assist you with the processing of pay requests.

On behalf of the Board, I would like to thank the District for its efforts to address water storage.

Sincerely,

Rebecca Mitchell, Director
Colorado Water Conservation Board
