

BEFORE THE COLORADO WATER CONSERVATION BOARD

IN THE MATTER OF PROPOSED INSTREAM FLOW APPROPRIATION
DIVISION 6: TROUT CREEK

ORDER GRANTING JOINT MOTION REQUESTING EXTENSION OF PREHEARING
DEADLINE AND TO VACATE PREHEARING CONFERENCE

THIS MATTER comes before the Hearing Officer on the joint motion of the Staff of the Colorado Water Conservation Board ("CWCB Staff"), Bureau of Land Management ("BLM"), Knott Land and Livestock Company, Inc., and Twentymile Coal, LLC (collectively, the "Parties"), to: (1) extend the deadline for the Parties to provide Supplemental Prehearing Statements; and (2) to vacate the Second Prehearing Conference. The Hearing Officer, having reviewed the motion and being otherwise adequately advised, enters the following order:

Rule 5c of the Rules Concerning the Colorado Instream Flow and Natural Lake Level Program, 2 CCR 408-2 ("ISF Rules"), states that "[w]hen necessary, the Board may modify or delay this schedule [for contested instream flow appropriations] or any part thereof as it deems appropriate." Moreover, Rule 5n states that the Hearing Officer shall assist the Parties in "adjusting deadlines and schedules to further the Parties' settlement efforts or for other good cause shown."

The Hearing Officer finds that the case will be best served if the Supplemental Prehearing Statements deadline is rescheduled and the Second Prehearing Conference is vacated. The motion is **GRANTED**, and the following deadlines in this matter are revised as follows:

Friday, October 16, 2020: Supplemental Prehearing Statements Due

On or before October 16, 2020, each Party, including CWCB Staff, may provide supplemental prehearing statements concerning additional stream measurements, or any other information or analyses gathered or performed by the Parties not addressed in the Parties' prehearing statements and that will be relied on by the Party at the hearing. The supplemental prehearing statements may include revised or additional information listed under ISF Rule 5n(2).

The Second Prehearing Conference Scheduled for Monday, October 12, 2020, at 3:30 p.m. is VACATED.

Dated this 9th day of October, 2020.
