Re: Interbasin Compact Committee (IBCC) and Water Supply Reserve Fund (WSRF) Annual Reports

Dear Ms. Cosgrove,

Pursuant to section 37•7S-10S (4), Colorado Revised Statutes, "the Interbasin Compact Committee (IBCC) shall submit an annual report to the House Rural Affairs and Agriculture Committee and the Senate Agriculture and Natural Resources Committee by October 31 concerning the status of compact negotiations and, in consultation with the Colorado Water Conservation Board (CWCBC), how moneys from the Water Supply Reserve Fund were allocated during the previous twelve months for water activities approved by Basin Roundtables."

On behalf of Russell George, Director of Compact Negotiations and Rebecca Mitchell, Director of CWCBC, I am transmitting an electronic copy of the report entitled "Interbasin Compact Committee Annual Report, 2020" and an electronic copy of the report entitled "Water Supply Reserve Fund Annual Report, 2020" intending to perform full compliance with the above statutory section. These electronic copies are intended for your staff and each member of the above committees. Upon request, hard copies can be made available.

Please let me know if there is anything more I can provide to you on this subject.

Sincerely,

Russ Sands
Section Chief - Water Supply Planning
Colorado Water Conservation Board
