Re: WSRA Grant Contract Number CTGG1 2015

Dear Mr. Godbout,

Trout Unlimited is requesting that it be released as fiscal agent for the Water Supply Reserve Account contract for the Elk Home Ditch Improvement Project (contract number CTGG1 2015) approved by the Colorado Water Conservation Board ("CWCB") in March of 2015. We request that the contract be transferred to the Upper Gunnison River Water Conservancy District as the new fiscal agent.

This change will not affect the scope of work for the project approved by the Gunnison Basin Roundtable and the CWCB.

Sincerely,

Drew Peternell
