

Colorado Water Conservation Board – FINAL Grant Report

Project Title: Middle Colorado Integrated Water Management Plan

Project Location: Middle Colorado River Watershed

Grant Type: Watershed Restoration Grant/Water Supply Reserve Basin Funds

Project Sponsor: Middle Colorado Watershed Council

Contact Information: Laurie Rink, Project Manager, laurie@midcowatershed.org, 303-204-4164

CWCB Contract or Purchase Order No.: CTGG1 2018-2054 CMS #110013

Reporting Period: January 1 through March 30, 2021

Grant Amount: \$311,400 (\$207,600 WRG, \$103,800 WSRF)

Amount Billed Final: \$311,392.10 (100%)

Amount Cash Match: \$28,000

Amount of In-Kind Match Generated: Stakeholder volunteer time \$131,962 + Contractor donated time (Lotic Hydrological) \$36,983 = \$168,945.

TOTAL PROJECT WORTH: \$508,337

SUMMARY OF WORK BY TASK

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
1.1	Project Management, Reporting, Expenses	\$ 17,485.00	\$17,479.67	100%

Summary of Work Completed to Date: Coordination of subcontractors, development and maintenance of project management spreadsheets, final invoicing.

Description of Work Products/Deliverables: Two invoices, one 6-month progress report, and one final report submitted during reporting period.

Issues/Concerns/Opportunities: Lotic Hydrological exceeded its estimate of cost for the assessment work, but agreed to continue working on a donated time basis to see the project to completion. A total of \$36,983 of consulting time was donated by the firm.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
2.1	Project Advisory Committee	\$ 16,950.00	\$17,106.00	100%

Summary of Work Completed to Date: One final meeting was held during the reporting period to present the final report and its outcomes. This was conducted as a virtual GoTo Meetings and the link is as follows:

- [Video of Virtual Meeting to Present Final Report](#) (2-24-21)

Description of Work Products/Deliverables: A separate Action Plan that summarizes the planning process, describes brief characteristics of the watershed, and presents the fifty-five recommended Actions for implementation. [Link to Action Plan](#).

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
2.2	Stakeholder Outreach and Engagement Plan	\$ 6,400.00	\$6,400.00	100%

Summary of Work Completed to Date: No additional work this reporting period.

Description of Work Products/Deliverables: [Community Engagement Plan](#) – Working Version dated 12-2-18 (updated 2-15-19) – submitted with a previous semi-annual report.

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
2.3	Implement Outreach and Engagement	\$ 45,100.00	\$44,995.00	100%

Summary of Work Completed to Date: Maintained an IWMP website for use by the Advisory Committee, focus groups and general public. Maintained several e-mail distribution lists including one for the general public, another for the Advisory Committee, and lists specific to each focus group. Created one final e-newsletter (February 2021) that was distributed to all e-mail lists. Continued outreach to partners through the process of finalizing the assessment documents.

Delivered final work product presentations to the: 1) Garfield County Water Forum (2-26-21), 2) Garfield County Board of County Commissioners (3-8-21), and 3) Colorado Basin Roundtable (3-29-21).

Description of Work Products/Deliverables:

- Link to [IWMP website](#)
- Link to e-newsletters ([February](#))
- See Attachment A for complete project meeting inventory

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
3.1	Refine Hydrologic Simulation Tools	\$ 17,000.00	\$17,000.00	100%

Summary of Work Completed to Date: No additional work completed during the reporting period.

- Description of Work Products/Deliverables: See [APPENDIX C: HYDROLOGICAL TRENDS AND SCENARIO MODELING](#)

Issues/Concerns/Opportunities: More work can be done by the CWCB and others to better characterize the combined impacts of climate change, population growth, Windy Gap Firing, Moffat Firing and, potentially, Eagle River MOU build-out during the next round of simulation model development.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
3.2	Characterize Ecological/Ecosystem	\$ 132,725.00	\$132,723.90	100%

Summary of Work Completed to Date: Final compilation and synthesis of data, production of GIS tools.

Description of Work Products/Deliverables:

- Main body of the [PLAN](#) report.
- Technical Appendices which include:
 - [APPENDIX A: ANNOTATED BIBLIOGRAPHY](#)
 - [APPENDIX B: MAPS AND SPATIAL DATA LAYERS](#)
 - [APPENDIX C: HYDROLOGICAL TRENDS AND SCENARIO MODELING](#)
 - [APPENDIX D: CHANNEL GEOMORPHOLGY AND SEDIMENT TRANSPORT](#)
 - [APPENDIX E: RIVER CORRIDOR CHARACTERISTICS](#)
 - [APPENDIX F: AQUATIC BIOTA LIMITING FACTORS ANALYSIS](#)
 - [APPENDIX G: WATER QUALITY REPORT CARD](#)
 - [APPENDIX H: CONSUMPTIVE USE ANALYSIS](#)
 - [APPENDIX I: RECREATIONAL SURVEY RESULTS](#)

- [APPENDIX J: AGGREGATE MENTAL MODEL](#)
- [APPENDIX K: OBJECTIVE/ACTION PRIORITIZATION MATRICES](#)
- [APPENDIX L: CPW CONSULTATION ROLE AND STEWARDSHIP RESPONSIBILITIES](#)

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
4.1	Identify Management Issues/Locations	\$ 21,300.00	\$9,200.00 (\$12,103 MATCH SPENT)	100% (100% MATCH SPENT)

Summary of Work Completed to Date: No additional work this reporting period.

Description of Work Products/Deliverables: Set of issues discussed in the final report.

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
4.2	Select Management Goals/Objectives	\$ 8,090.00	\$0 (\$8,090 MATCH SPENT)	0% (0% MATCH REMAINING)

Summary of Work Completed to Date: No additional work this reporting period.

Description of Work Products/Deliverables: Final goals and objectives are included in the final report.

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
5.1	Identify Alternatives that Meet Goals/Objectives	\$ 11,350.00	\$0 (\$11,385 MATCH	0% (0% MATCH

			SPENT)	REMAINING)
--	--	--	--------	------------

Summary of Work Completed to Date: Final revisions to Action cut-sheets through coordination with partners and stakeholders.

Description of Work Products/Deliverables: Four final comparative evaluation matrices included in the Action Plan that summarize how the fifty-five Action meet stated objectives.

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
6.1	Characterize Effectiveness/Feasibility	\$ 53,390.00	\$54,057.53	100%

Summary of Work Completed to Date: Finalization of report and technical appendices, finalization of Action details, development of Action cost estimates, and coordination with CBRT on inclusion of Actions in updated IPP list.

Description of Work Products/Deliverables: See Report and Appendices links in Task 3.1.

Issues/Concerns/Opportunities: None.

TASK NO.	DESCRIPTION	TOTAL GRANT \$	BILLED TO DATE	% COMPLETE
6.2	Develop Strategy for Phase II Efforts	\$ 9,575.00	\$8,855.00	100%

Summary of Work Completed to Date: Coordination with CWCB on submitted funding requests.

Description of Work Products/Deliverables: Application for Phase I funding consideration to CWCB under the Watershed Restoration Grant Program and Colorado Water Plan funds. Both grants awarded.

Issues/Concerns/Opportunities: None.

Inventory of IWMP-Related Meeting

Last updated 3-29-21

Date	Contact	No. Attendees	Format	Notes
3/29/21	CBRT	54	video	Presentation to CBRT on Final Report
3/8/21	BOCC	10	Video	Presentation to GarCo BOCC on Final Report
2/26/21	BOCC - Water Forum	35	Video	Presentation to GarCo Water Forum on Final Report
2/24/21	Laurie Rink -PM	50	Video	Ad Comm/Focus Group report presentation
2/19/21	Richard V., TU	2	Video	Discuss comments final report
12/7/20	Angie Fowler	3	Video	Work session to update CBRT IPP list with IWMP Action items
11/23/30	Jason Turner	51	Video	CBRT meeting - BIP updates
11/20/20	GarCo BOCC	30	Video	GarCo Water Forum meeting on county WaterSmart activities
11/11/20	Deb Figaro	4	Video	Discussion/coordination with Glenwood city staff on post-fire partnership
10/9/20	AVLT	6	Field	Silt Preserve visit to discuss implementation options
10/6/20	Laurie Rink - PM	16	Video	Ad Comm meeting on Aquatics Actions
9/29/20	Laurie Rink - PM	17	video	Ad Comm meeting on Water Quality/Recreation Actions
9/24/20	Laurie Rink - PM	19	video	Ad Comm meeting on Recreation Actions
9/16/20	Laurie Rink - PM	24	video	Ad Comm meeting on Consumptive Use Actions
9/9/20	BOCC	8	video	update on IWMP activities
9/3/20	Victor Lee	24	phone	special HUP call on water management for post-fire mitigation
8/26/20	River Network - Stacy Beaugh	2	video	recorded interview on methods of recreation surveys for SMPs
8/20/20	GarCo Community Development	5	video	comments on all draft Actions
7/13/20	GarCo BOCC	4	video	report on IWMP progress
7/10/20	CBRT Next Steps Committee	8	phone	report out on regional BIP IPP updates
6/25/20	Laurie Rink - PM	3	phone	internal technical team strategy discussion
6/22/20	CBRT Next Steps Committee	15	phone	BIP update strategy discussion
6/18/20	River Network	21	video	SMP practitioners webinar on meetings during COVID
6/9/20	Steve Anthony, Sarah LaRose	2	phone	feedback on invasives-related projects
6/1/20	CBRT Next Steps Committee	15	phone	BIP update strategy discussion
5/29/20	CBRT BIP Committee	12	video	webinar by SGM on updating IPP list
5/29/20	Michelle Garrison	33	phone	CROS call
5/18/20	Jason Turner	31	video	CBRT meeting to discuss BIP updates
5/14/20	Michelle Garrison	35	phone	CROS call
5/5/20	Roy Smith, BLM	1	phone	Conversation to review status of ISFs in watershed
4/2/20	AMP Insights	2	phone	Mtg Andrew Purkey, Dave Pitz on water banking concepts to apply in watershed
3/26/20	Katie Clifford	1	phone	Mtg with USGS to discuss social impacts of drought study
3/17/20	Seth Mason	1	phone	Planning mtg for report format
3/11/20	Victor Lee	35	office	HUP Kick off mtg for 2020 irrigation season
3/10/20	Dale Ryden	1	office	Mtg to discuss Aquatic Focus Group recommendations
3/9/20	GarCo Community Development	3	office	Mtg with staff to discuss Consumptive Focus Group recommendations
3/9/20	David Graf	1	office	Mtg to discuss Aquatic Focus Group recommendations
3/6/20	DARKA	40	office	Presentation to Colorado Ditch and Reservoir Company Association on IWMP
3/4/20	Laurie Rink - PM	8	office	Mtg Recreation Focus Group to finish ID recommendations
2/27/20	Laurie Rink - PM	7	office	Mtg WQ/Rip Focus Group to finish ID recommendations
2/27/20	GarCO Water Forum	20	office	Mtg to exchange information - requested presentation slot for September

2/26/20 Joel Sholtes	1 office	Mtg Dr. Joel Sholtes, CMU, on use of FHZ and application to IWMP
2/25/20 Glenwood P&Z Commission	35 office	Introduction of Flood Hazard Zone mapping and its use related to riparian setbacks
2/24/20 Jason Turner	15 phone	CBRT Next Steps Committee Mtg - discuss BIP updates
2/21/20 Laurie Rink - PM	5 office	Mtg Aquatics Focus Group to finish ID recommendations
2/18/20 Laurie Rink - PM	12 office	Mtg Consumptive Focus Group to finish ID recommendations
1/27/20 Laurie Rink - PM	15 office	Mtg Recreation Focus Group to finish ID objectives and start to ID projects/strategies
1/23/20 Jim Pokrandt	16 phone	CBRT Next Steps Committee Mtg to discuss BIP updates
1/22/20 GarCo Planning Commission	18 office	Public hearing on Comp Plan updates - provided comment on water elements
1/21/20 Laurie Rink - PM	10 office	WQ/Riparian Focus Group Mtg to ID objectives
1/16/20 Seth Mason	1 phone	Mtg to plan WQ/Riparian Focus Group Mtg
1/16/20 Kevin Whelan	1 office	Mtg with Kevin, Parachute resident on Colorado Fire Commission to update on IWMP
1/13/20 Laurie Rink - PM	10 office	Consumptive Use Focus Group meeting to ID objectives
1/10/20 Rica Fulton	1 phone	Mtg with Rica at REW to discuss their framework and its application for rip restoration prioritization
1/8/20 Care McInnis	1 office	Mtg Care as new Town Administrator for De Beque to bring up to speed in IWMP process
1/8/20 TJ Kraft	3 office	Mtg with Glenwood water/wastewater staff to discuss present/future wq challenges and risks
1/6/20 Laurie Rink - PM	2 phone	Mtg Quinn and Seth to plan Recreation Focus mtg master planning
12/18/19 Jared Emmert	1 office	Mtg to obtain information of Rifle WWTP wq current/future wq issues
12/18/19 Laurie Rink - PM	9 office	Aquatics Focus Group mtg to finish fisheries assessment work
12/16/19 Lori Martin - CPW	1 office	Mtg to obtain CPW fisheries goals/objectives documents
12/11/19 Anna Cochran - GarCo Ev Health	1 office	Mtg to obtain Env. Health wq goals and current/future projects
12/10/19 Laurie Rink - PM	9 office	Recreation Focus Group Mtg to set objectives
12/10/19 Bill Hoblitzel	1 phone	Review of wq assessment results and graphics
12/9/19 Laurie Rink - PM	2 phone	Coordination mtg Quinn and Seth on Recreation Focus Group Mtg planning
12/6/19 CBRT	2 phone	CBRT subcommittee mtg Angie F. and Kirsten K. on grants work
12/4/19 Laurie Rink - PM	18 office	Advisory Committee workshop on goal setting
11/20/19 Richard VanGytenbeek	4 field	Video shoot for water plan funding ask to Colo Legislature
11/18/19 CWCB	30 webinar	Colorado Water Plan updates webinar
11/13/19 Hannah Holm - Colorado Mesa	150 office	Upper Colorado River Water Forum
11/11/19 Seth Mason	1 office	Strategy meeting regarding 2020 schedule
10/30/19 Victor Lee	25 phone	Last HUP meeting for 2019 season
10/28/19 Jim Pokrandt	12 phone	CBRT Next Steps meeting to discuss BIP updates, etc.
10/16/19 Jess Paugh	1 office, Grand Junction	Mtg with Parachute Economic/Recreation Development Director to bring up to speed on IWMP
10/11/19 Richard VanGytenbeek	2 phone	Discussion on video production for IWMP work
10/10/19 Glenn Hartmann	4 phone	Mtg with Community Development GarCo - review Comp Plan updates for water
10/2/19 Laurie Rink - PM	19 Office, Rifle	Advisory Committee Meeting with presentation CWCB on Water Plan Technical Updates
10/1/19 Conservation Districts	100 office, Rifle	Member meeting to discuss Colorado River Risk Study results and Demand Management
10/1/19 Jackie Blumberg	2 office, Grand Junction	Meeting with DWR on restricted and rehabilitated dam possibilities
9/25/19 GarCo Planning Commission	18 office, Glenwood	Presentation on water in comp plan update, public comments
9/20/19 Laurie Rink - PM	6 office, Rifle	Recreation Focus Group mtg to discuss potential projects
9/19/19 CRD	280 office, Grand Junction	Annual seminar on Colorado River Risk Study, etc.
9/19/19 Nicole Seltzer	2 office, Grand Junction	Exchange information on SMP progress
9/13/19 GarCo Water Forum	22 office, Glenwood	Oil and gas + Water presentation, report on IWMP progress
9/12/19 Laurie Rink - PM	10 office, Rifle	Consumptive Use focus group mtg
9/11/19 Laurie Rink - PM	10 office, Rifle	WQ/Riparian Focus Group meeting
8/27/19 Ben Krause	3 office, GJ	Meeting with DWR Division 70 (Roan Creek) water commissioners to discuss water rights issues, possible storage projects
8/26/19 Jim Pokrandt	12 phone	CBRT Next Steps Committee mtg - discuss funding of irrigation eff. project middle river, updates to BIP
8/23/19 Laurie Rink - me	11 river float	Ad Comm/Focus Group river float Silt to Rifle
8/21/19 Victor Lee	25 phone	HUP call on declaration of HUP surplus, plan to augment August flows 15-mile reach
8/16/19 Jojo La	2 phone	Conversation on Recovery Program, useful data, overlapping priorities

8/7/19 Laurie Rink - PM	13 office, Rifle	IWMP Ad Comm meeting - Jim Pokrandt presentation on Colorado River Risk Study Phase III
8/6/19 Kelly Heeney	2 phone	Discussion on Water Fund and its applicability to Middle Colorado IWMP
8/1/19 Ian Roche	2 office, GJ	Meeting to discuss IWMP implementation funding with Conservation Colorado
7/12/19 Wendy Ryan, Seth, Jim P.	3 phone	Planning meeting for August Advisory Committee
6/26/19 CDs	17 office, Rifle	CD Colorado River Watershed mtg
6/25/19 GarCo BOCC	4 phone	Mtg of GarCo Water Forum Steering Committee for next mtg on oil/gas
6/24/19 CRD	12 phone	CBRT Next Steps Committee Mtg - Canyon Creek fish passage project
6/21/19 Seth	3 office, Carbondale	Technical consultant mtg to discuss river recreation survey updates, direction for master planning
6/21/19 Wild and Scenic Stakeholders	32 office, Glenwood	Presentation on IWMP to Upper Colo Wild and Scenic stakeholders
6/20/19 CRD	160 office, Grand Junction	4-basin RT mtg, presentation DCP, DM, and Risk Study Phase III
6/19/19 Victor Lee	38 office, Grand Junction	HUP kick off mtg
6/17/19 Glen Lund	1 office, Rifle	Mtg with water commissioner for north side river to discuss storage opportunities
6/14/19 Torie Jarvis	50 Carbondale, office	QQ quarterly mtg to hear presentation on instream flows and water planning for munis
6/7/19 Chad Mickschl	1 Silt, office	Mtg to gather data on BLM headgate inventory
6/6/19 Seth	1 Carbondale. Office	planning mtg for W&S presentation/interactions
6/5/19 CRD	40 Rifle, office	State of River mtg, presentation on IWMP
6/5/19 CROS	11 phone	CROS meeting on timing of peak supplements
6/4/19 Sara Dunn, Wendy Ryan, Dennis I	3 phone	Coordination mtg on State of River Presentation
5/30/19 Advisory Committee mtg	25 office, Rifle	Colo River Recovery Program presentation
5/27/19 jet Boat Colorado	6 field work	field reconnaissance Rifle to De Beque donated by jetBoat Colorado
5/6/19 Aquatics Focus Group	5 office, South Canyon	Aquatics Focus Group mtg to fill in data details
5/1/19 Seth Mason, AJ	2 office, Carbondale	planning meeting for Aquatic Focus group mtg
5/1/19 Kate Burchenal	1 office, Carbondale	discuss future funding for IWMP implementation
4/29/19 Tom Chart, Don Anderson, Jim P.	3 phone	discussion on coordination with USFWS on Recovery Program, presentation to Ad Comm
4/24 to 4/21 NWCOG QQ	45 workshop, Keystone	workshop Growing WaterSmart, attended as part of GarCo team
4/23/19 CWCB	50 web	webinar on method for ag consumptive use gap calcs
4/22/19 CBRT	20 phone	Next Steps meeting to discuss DM
4/17/19 Cinthia Ruiz	1 phone	Discuss use of students from CMC Upward Bound program for river recreation survey
4/11/19 Sara Dunn, Wendy Ryan, Jim P, Si	4 phone	Plan May Ad Comm agenda, project updates, e-newsletter ideas
4/10/19 Bill West	1 Rifle, office	Discuss water admin Division #45, south side of river
4/10/19 Alan Lambert	1 Rifle, office	Review historic river photography, Rifle Heritage Center
3/28/19 John Rizza	1 Fruita, office	Discuss WLA and how they can assist with ag integration in middle river
3/27/19 Wild Scenic Stakeholder Group	40 Keystone, office	To observe group process in preparation for June presentation
3/25/19 CBRT	35 Glenwood, office	Risk Phase III study updates
3/20/19 Kim Bruner	1 Rifle, office	Meeting to discuss GRIT and other Rifle initiatives for river recreation work and coordination with IWMP
3/20/19 Laurie Rink - PM	15 Rifle, office	Advisory Committee meeting with J. Pokrandt presentation
3/13/19 Victor Lee	30 Glenwood, office	HUP 2018 wrap and 2019 preliminaries
3/6/19 Lisa Tasker	1 Rifle, Powers Property	Field meeting to discuss Rifle Creek basin restoration opportunities with CNHP
3/5/19 Scott Schreiber	5 Glenwood, office	Consulting team meeting to plan water administration write up and graphics for stakeholder use and final deliverables
2/27/19 Laurie Rink - PM	10 Rifle, office	Consumptive Use Focus Group mtg - discussed model updates, use, coordination CDs
2/25/19 Seth Mason	1 phone	Planning for Consumptive Use Focus Group Mtg
2/25/19 Jim Pokrandt	12 phone	CBRT Next Steps committee - Phase II Risk Study, DCP planning, etc.
2/21/19 Justin Bilyeu	1 Rifle, office	Introduction of IWMP and discussion on industrial uses
2/21/19 Laurie Rink - PM	7 Glenwood, office	Aquatics focus group mtg - discuss data needs
2/13/19 Mark Weinhold	4 Glenwood, office	Meeting USFS to discuss overlapping restoration priorities - IWMP opportunities
2/13/19 Angie Fowler	1 Glenwood, office	Meeting to discuss reservoir re-operations. Other opportunities for additional storage in watershed
2/13/19 Laurie Rink - PM	9 Silt, office	Recreation Focus group mtg to discuss river access, current/future access issues
2/12/19 Hannah Holm	1 Grand Junction, office	Discuss consumptive use planning, CBRT interactions with process
2/12/19 Shannon Wadas	1 Fruita, office	Discuss REW role in phreatophyte control planning for IWMP/statewide DCP

2/8/19 Kevin Batchelder	27 Glenwood, office	GarCo Water Forum on DCP and DM, updated on IWMP
2/6/19 Sheryl Bowers	6 Glenwood, office	Meeting with Community Development, CDs, to discuss consumptive use analysis outcomes related to planning considerations
1/31/19 Brian Gray	1 Rifle, office	Discussion on water storage/habitat enhancement potential, input for river guide
1/28/19 CBRT	40 CBRT	Provide project update to full group, discussed ag positions on DM and DCP
1/18/19 Torie Jarvis	1 phone	Update on Land Use and Water Conservation study, question to engage GarCo and Rifle in local training workshop
1/18/19 Sara Dunn, Wendy Ryan, Jim P, Si	4 Rifle, office	Draft next Ad Comm meeting agenda, outline joint deliverable, discuss outreach and technical matters
1/18/19 Laurie Rink - PM	19 Rifle, office	Advisory Committee mtg with Alan Martellaro water administration presentation
1/9/19 Consumptive Use Focus Group	10 Rifle, office	Ecosystem function exercise with consumptive focus
12/20/18 Laurie Rink - PM	3 office, CRD	Planning meeting with Ag reps on next Ad Comm meeting, enewsletter, outreach
12/13/18 Recreation Focus Group	7 Silt, office	Ecosystem function exercise with recreation focus
12/12/18 Seth Mason, Quinn Donnelly	2 phone	Planning meeting for Recreation Focus group
12/11/18 MCWC RRAG - Riparian Focus	8 Rifle, office	Ecosystem function exercise with riparian focus
12/3/18 MCWC TAC - WQ Focus Group	7 CRD, office	Ecosystem function exercise with wq focus
12/3/18 Aquatic Focus Group	5 South Canyon, office	Data request by Stillwater and discussion of needs, ecosystem function exercise
11/30/18 Richard VanGytenbeek	1 phone	Discussion of strategy for evaluating feasibility of small-scale reservoir storage to satisfy consup/nonconsup uses
11/29/18 Sara Dunn	1 office, GW	Initial conversation on a coordinated IWMP effort with CDs
11/28/18 Rob Buirgy	1 phone	Discuss request for Upper Wild and Scenic workgroup presentation at new Ad Comm mtg
11/26/18 CBRT	45 CBRT	Drought contingency planning discussions
11/20/18 Jim Pokrandt	35 office, Clifton	CBRT meeting with IWMP presentation - middle Colo ag turnout and discussion
11/15/18 Laurie Rink - PM	20 Rifle, office	Advisory Committee mtg with Aaron Clay Water Law presentation
11/15/18 Ken Neubecker	1 phone	Conversation about contacting recreational reps for focus committee work
11/15/18 Wendy Ryan	1 office	Coordination on Ad Comm meeting format, details on consumptive use analysis
11/15/18 Mike Samson, Dennis Davidson	2 office, Rifle	Discussion on GarCo interest in IWMP coordinated effort
11/8/18 Seth Mason	1 phone	Planning for Ad Comm mtg
11/8/18 Sara Dunn	1 phone	Coordination on joint outreach - first enewsletter, format for Ad Comm mtg
11/7/18 CDs	50 CD mtg	CAWA/Annual CD meeting with presentations on ag water efficiencies and conservation
11/7/18 Hannah Holm	120 conference	CMU Water Center Upper Colorado River conference - climate change, etc.
11/5/18 Angie Fowler	1 office	Discussion on BIP findings for consumptive use, reservoir storage, involving muni reps in focus groups
11/5/18 Mark Weinhold	5 office	Discussion on identifying restoration projects on USFS land and coordinating with USFS priority designations, e.g., reservoir storage
11/3/18 Scot Doderio	2 office, Rifle	Discussed IWMP opportunities with SWCD Board, DK was present
11/1/18 Aaron Clay	1 phone	Develop outline of topics for Ad Comm Water Law 101 presentation
10/25/18 Sara Dunn	1 phone	Discuss new PM arrangement for CDs
10/25/18 Seth Mason, Jim Pokrandt	2 phone	Develop agenda for 11-15-18 Ad Comm mtg
10/25/18 David Graf	1 office, Fruita	Discuss CPW interest/involvement in IWMP
10/24/18 Kay Hopkins	1 USFS office, GW	Brief Kay on IWMP, talk about integration of Upper Colorado W&S process, obtain data/docs
10/23/18 Jim Pokrandt	12 office, GW	Present IWMP proposal to Next Steps committee of CBRT
10/19/18 Deb Figaro	18 office, GW	Presentation to Glenwood City Council on IWMP
10/19/18 Sam Potter	6 office, Rifle	Follow up discussion West Divide Water Conservancy District on IWMP
10/18/18 Mike Samson	15 Roundtable	Quarterly BOCC Mayor's meeting - Briefing on IWMP
10/17/18 Tom Baker	7 office, New Castle	Presentation to New Castle Board of Trustees on IWMP
10/17/18 Nathan Lindquist	1 office, Rifle	Discussion on IWMP and Rifle's involvement
10/16/18 BOCC	15 office, GW	Introduction to IWMP concept
10/15/18 CDs	5 NRCS office, GW	Quarterly progress/coordination meeting - focus on how to complete consumptive use inventory
10/12/18 Jenn Logan	1 office, GJ	Conversation about 3 species of concern and which tribes they utilize in MCRW
10/12/18 Rusty Lloyd, Stacy Beaugh	2 office, GJ	IWMP discussion and request for TC technical assistance
10/10/18 Caitlin Coleman	40 Conference, Avon	Panel discussion on SMPs/IWMPs at Sustaining Colorado Watersheds Conference
10/8/18 Nicole Seltzer	25 Workshop, Avon	Workshop to exchange information on SMPs/IWMPs
10/5/18 Liz Chandler	1 phone	Coordination on presentation for River Network workshop
10/4/18 Lance Stewart	1 office, De Beque	IWMP discussion and De Beque's involvement

10/1/18 Katie Mackley	1 office, Rifle	Brief on IWMP, request participation in focus group - Rifle Economic Development Corporation
9/28/18 Jim Pokrandt	1 phone	Strategy on upstream water users/managers role in IWMP
9/28/18 Stan Cazier	1 phone	Conversation of Grand County involvement in IWMP
9/25/18 CD Town Hall	50 CD mtg	Town Hall style meeting to gather feedback on ag-water issues, relationships b/t ag and enviro/rec, possible projects
9/25/18 Jim Pokrandt	40 field, Kremmling	Initial presentation CBRT on IWMP concept
9/24/18 Amy Marsh	1 Interview	For KDNK article in IWMP
9/24/18 CBRT	70 CBRT	Discussion upper basin drought contingency planning
9/19/18 Liz Chandler	1 phone	General coordination discussion
