Arapahoe County Water and
Wastewater Authority

**Arapahoe County Water and Wastewater Authority
2020 Loan Contract as Amended with the
Colorado Water Conservation Board**

Ladies and Gentlemen:

We have acted as bond counsel to the Arapahoe County Water and Wastewater Authority (the “Authority”) in Arapahoe County, Colorado in connection with the Authority’s authorization, execution and delivery to the Colorado Water Conservation Board (“CWCB”) of a loan contract as amended (the “Loan Contract”), a security agreement as amended (the “Security Agreement”), and a promissory note as amended (the “Note;” and together with the Loan Contract and the Security Agreement, the “Loan Documents”), which Loan Documents were authorized by an ordinance duly adopted by the Board of Directors of the Authority on September 8, 2021, and pursuant to which the CWCB will loan the Authority an aggregate amount of \$4,040,000.

In our capacity as bond counsel, we have examined the Authority’s certified proceedings, the Loan Documents, and such other documents and such law of the State of Colorado and of the United States of America as we have deemed necessary to render this opinion letter. Capitalized terms not otherwise defined herein shall have the meanings ascribed to them by the Loan Documents.

Regarding questions of fact material to our opinions, we have relied upon the Authority’s certified proceedings and other representations, certifications and opinions of public officials, the Authority Attorney, and others furnished to us without undertaking to verify the same by independent investigation.

Based upon such examination, and subject to the following qualifications, it is our opinion as bond counsel that:

1. The Authority has full legal right and authority to execute the Loan Documents and to observe and perform its duties, covenants, obligations and agreements thereunder.

2. The Authority has pledged the Pledged Revenue for the punctual payment of the principal of and interest on the Loan and all other amounts due under the Loan Documents according to their respective terms, and the Loan Contract creates a valid lien on such Pledged Revenue on a parity with the Existing Parity Indebtedness, and any Parity Indebtedness, if any, hereafter issued. No filings or recordings are required under the Colorado Uniform Commercial Code in order to create a lien on the Pledged Revenue, and all actions have been taken as required by Section 11-57-208, Colorado Revised Statutes.

3. The Loan Documents have been duly authorized, executed and delivered by authorized officers of the Authority and, assuming in the case of the Loan Contract and the Security Agreement, that the CWCB has all the requisite power and authority to authorize, execute and deliver, and has duly authorized, executed and delivered the Loan Contract and the Security Agreement, the Loan Documents constitute legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms.

4. There are no provisions of the Colorado Constitution or any other state or applicable and binding local law that prevent the Loan Documents from binding the Authority; the execution and delivery of the Loan Documents are not subject to the limitations of Article X, Section 20 of the Colorado Constitution ("TABOR") because the Authority constitutes an enterprise under TABOR as of the date hereof. The performance of the obligations of the Authority under the Loan Documents is not subject to the limitations of TABOR as long as the Authority continues to qualify as an enterprise under TABOR. If the Authority ceases to qualify as an enterprise under TABOR, the Loan Documents will continue to constitute legal, valid and binding obligations of the Authority enforceable in accordance with their respective terms subject to the revenue and spending limitations of TABOR; provided, however, that if the Authority at any time ceases to qualify as an enterprise under TABOR, (a) the Authority may impose any increased fees, rates and charges of the water system without voter approval; (b) all revenues of the Authority used to pay Loan Payments are to be included in the Town fiscal year spending limit under Section 7(d) of TABOR, except that creation of bonded debt increases fiscal year spending by the amount of debt service so funded and debt service changes and reductions are exceptions to, and not part of, the Town revenue and spending base and limits; and (c) if the Authority is required to reduce spending in order to comply with its fiscal year spending limit under Section 7(b) of TABOR, the Authority will first be required to reduce spending for purposes for which it does not have an obligation under law or by contract prior to reducing spending required to comply with the other covenants contained in the Loan Documents.

The opinions expressed in this opinion letter are subject to the following:

The obligations of the Authority pursuant to the Loan Documents are limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or in equity.

We are opining only upon those matters set forth herein, and we are not passing upon any federal or state tax consequences arising from the receipt or accrual of interest on or the ownership or disposition of the Loan Documents.

This opinion letter is issued as of the date hereof and we assume no obligation to revise or supplement this opinion letter to reflect any facts or circumstances that may hereafter come to our attention or changes in law that may hereafter occur.

In connection with the execution and delivery of the Loan Documents, we have represented the Authority which is our sole client in this transaction. Delivery of this letter to the CWCB does not establish an attorney-client relationship between the CWCB and this firm.

This opinion letter is furnished to you solely for your information and benefit in connection with the initial execution and delivery of the Loan Documents and may not be relied upon by you for any other purpose or relied upon by any other person without the prior written consent of this firm.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Butler Snow LLP", is written over the typed name of the firm.
