Re: Chatfield Reallocation Project - Loan Increase
Contract Number CT2016-2055

Dear Mr. Kaufman:

I am pleased to inform you that on May 30, 2018, Senate Bill SB18-218, which includes authorization of your \$9,046,267 CWCB loan increase, was signed by Governor Hickenlooper. This results in a total loan authorization of \$53,486,267.

As you are aware, an executed contract must be in place before the additional funds can be disbursed. Peg Mason has initiated the loan contract amendment process and when all of the contract requirements are met and the contract is executed the District may request loan funds to cover eligible project expenses. You can contact Peg at (303) 866-3441 x3227 regarding the status of the contract.

On behalf of the Board, I would like to thank you for your interest in a loan from the Colorado Water Conservation Board.

Sincerely,

Kirk Russell, P.E., Section Chief
Finance Section
