We have examined the constitution and the laws of the State of Colorado (the "State"), and such certified proceedings, certificates, documents, opinions and other papers as we deem necessary to render this opinion. In regard to opinions (a) and (b) below, we have specifically relied on the Certificate of the Borrower (attached hereto). (a) the Loan Contract has been duly executed by officers of the Borrower who are authorized to execute the Loan Contract and to bind the Borrower; and

(b) the Loan Resolution of the Borrower authorizing the execution and delivery of the Loan Contract, including the Project Summary, Promissory Note and Security Agreement attached thereto, were duly adopted by the governing body of the Borrower; and

(c) there are no provisions in the Colorado Constitution or any other State of Colorado or local law applicable to the Borrower that prevents the Loan Contract from binding the Borrower; and

(e) the Borrower was formed and is operated and maintained as a water activity enterprise pursuant to Article 45.1, Title 37, C.R.S. and as an enterprise within the meaning of Article X, Section 20 of the Colorado Constitution.

We note that the revenues pledged for repayment of the loan are solely those revenues defined as the "Pledge Revenues" in the Loan Resolution, as more particularly set forth in the Loan Resolution.

The rights of the CWCB under the Loan Contract, Promissory Note, and Security Agreement, and the enforceability of the Loan Contract, Promissory Note, and Security Agreement may be limited by the effect of, and by restrictions and limitations imposed by or resulting from, bankruptcy, insolvency, moratorium, reorganization, debt adjustment or other similar laws affecting creditors' rights generally heretofore or hereafter enacted or other laws, judicial decisions, and principles of equity relating to the enforcement of contractual obligations generally, and are further subject as to enforceability to judicial discretion, to the exercise by the State and its governmental bodies of the police power inherent in the sovereignty of the State, and to the exercise by the United States of America of the powers delegated to it by the Constitution of the United States of America.

We express no opinion herein as to any matter not specifically set forth above. This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

### FACTUAL RECITALS

1. Authority exists in the law, and funds have been budgeted, appropriated and otherwise made available and a sufficient unencumbered balance thereof remains available for encumbering and subsequent payment of this CONTRACT; and
2. Required approval, clearance, and coordination have been accomplished from and with appropriate agencies; and
3. For the purposes of this CONTRACT, the District's participation in the Chatfield Reallocation Project, specific to the "*first cost of storage*" as defined in the Agreement between the Department of the Army and the Colorado Department of Natural Resources for Reallocation of Water Storage Space, Recreation Modifications, and Compensatory Mitigation Features at the Chatfield Dam and Reservoir, Colorado dated October 9, 2014, incorporated herein by reference is defined as the "PROJECT." The District's total participation cost is estimated to be \$7,100,000. On May 22, 2014 the CWCB approved a total loan amount not to exceed \$6,453,900 for the District's participation cost of the Chatfield Reallocation Project, to improve the operation of the District's augmentation plan. The total loan amount, *for this CONTRACT, for the first cost of storage* is \$723,160, which includes a one percent (1%) loan service fee of \$7,160 at an interest rate of 3.00% for 30 years; and
4. The **PROJECT SUMMARY**, attached as **APPENDIX 1** and incorporated herein, contains BORROWER Information (Section 1), the PROJECT Description (Section 2), CWCB's authority for making this loan (Section 3), and CWCB Approval and Legislative Authorization (Section 4), identifying the amount of the loan and the terms of repayment. The PROJECT SUMMARY also contains sections on BORROWER's debt, collateral, procedures and eligible expenses; and
5. The CWCB now desires, by this CONTRACT, to loan money to the BORROWER for this PROJECT upon mutually agreeable terms and conditions.

THEREFORE, in consideration of the mutual and dependent covenants contained herein, the parties agree to incorporate these recitals as part of the agreement of the parties and as follows:

A. **LOAN PROVISIONS**

1. **Loan Service Fee.** The amount of the loan (LOAN AMOUNT) shall include (1) the amount of the funds loaned by the CWCB to the BORROWER for the PROJECT and (2) a service fee of one percent (1%) of the PROJECT amount. In the event that the BORROWER does not use the LOAN AMOUNT authorized, the parties shall amend this CONTRACT to revise the LOAN AMOUNT including adjustment of the service fee to reflect 1% of the actual LOAN AMOUNT disbursed to the BORROWER.
2. **Contract Amendment Service Fees.** Under certain circumstances, the BORROWER shall be assessed a fee for amending the CONTRACT.
  - a. A service fee shall be imposed on the BORROWER for amendments processed for the benefit of the BORROWER and necessary for the BORROWER's course of business but not necessary for the CWCB, including, but not limited to, a change in BORROWER name, assignment of contract, substitution of collateral, loan payment deferrals in excess of 3 per loan, and loan consolidation. Amendments in the course of CWCB business, including, but not limited to, loan payment deferrals (up to 3 per loan), and changes in terms of loan repayment will be processed at no additional charge to the BORROWER.
  - b. The amount charged shall be in accordance with the fee rate structure set forth in the CWCB Loan Service Charge Policy in effect at the time the BORROWER shall request an amendment. The current fee for an amendment is \$1,000.
  - c. The BORROWER shall remit the service fee to the CWCB prior to initiation of the amendment. Any service fee remitted to the CWCB cannot be refunded.
3. **Promissory Note Provisions.** The CWCB agrees to loan to the BORROWER an amount not to exceed the LOAN AMOUNT and the BORROWER agrees to repay the loan in accordance with the terms as set forth in the **PROMISSORY NOTE**, attached hereto as **APPENDIX 2** and incorporated herein. The **PROMISSORY NOTE** shall identify the LOAN AMOUNT. If the amount of loan funds disbursed by the CWCB to the BORROWER differs from the LOAN AMOUNT, the parties agree to amend the Promissory Note and this CONTRACT, including its appendices where necessary, to revise the LOAN AMOUNT.
4. **Interest Prior to Project Completion.** As the loan funds are disbursed by the CWCB to the BORROWER, or to a third party for the benefit of the BORROWER, interest shall accrue on the disbursed funds at the rate set by the CWCB for this loan. The CWCB shall calculate the amount of the interest that accrued prior to PROJECT's substantial completion (as determined by the CWCB) and notify BORROWER of such amount. The BORROWER shall repay that amount to the CWCB either within ten (10) days from the date of notification from the CWCB, or, at the CWCB's discretion, said interest shall be deducted from the final disbursement of loan funds that the CWCB makes to the BORROWER.

5. **Return of Unused Loan Funds.** Any loan funds disbursed but not expended for the PROJECT in accordance with the terms of this CONTRACT shall be remitted to the CWCB within 30 calendar days from notification from the CWCB of either (1) completion of the PROJECT or (2) determination by the CWCB that the PROJECT will not be completed. Any such loan funds so remitted to CWCB shall be applied to the payment of amounts due on the Loan.
6. **Borrower's Authority to Contract.** The BORROWER warrants that it has full power and authority to enter into this CONTRACT. The execution and delivery of this CONTRACT and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the BORROWER. The **BORROWER'S AUTHORIZING RESOLUTION(s) OR ORDINANCE(s)** are attached as **APPENDIX 3** and incorporated herein.
7. **Bond Counsel's Opinion Letter.** Prior to the execution of this CONTRACT by the CWCB, the BORROWER shall submit to the CWCB a letter from its bond counsel stating that it is the bond counsel's opinion that:
- a. the CONTRACT has been duly executed by officers of the BORROWER who are duly elected or appointed and are authorized to execute the CONTRACT and to bind the BORROWER; and
  - b. the resolutions or ordinances of the BORROWER authorizing the execution and delivery of the CONTRACT were duly adopted by the governing bodies of the BORROWER; and
  - c. there are no provisions in the Colorado Constitution or any other state or applicable and binding local law that prevent this CONTRACT from binding the BORROWER; and
  - d. the CONTRACT will be valid and binding against the BORROWER if entered into by the CWCB.
  - e. the BORROWER was formed and is operated and maintained as a water activity enterprise pursuant to Article 45.1, Title 37, C.R.S. and within the meaning of COLORADO CONST. Art. X, Section 20; and
8. **Pledge of revenues.** The BORROWER irrevocably pledges to the CWCB, for purposes of repayment of this loan, the PLEDGED REVENUES as defined in the Loan Resolution set forth in APPENDIX 3 in an amount sufficient to pay the annual payment due under this CONTRACT.
- a. **Segregation of Pledged Revenues.** The BORROWER shall set aside and keep the PLEDGED REVENUES in an account separate from other BORROWER revenues and warrants that these revenues will not be used for any other purpose.
  - b. **Establish Security Interest.** The BORROWER has duly executed a **SECURITY AGREEMENT**, attached hereto as **APPENDIX 4** and incorporated herein, to provide a security interest to the CWCB in the PLEDGED REVENUES. The CWCB

shall have priority over all other competing claims for said revenues, except for the liens of the BORROWER's existing loans as listed in Section 5 (Schedule of Existing Debt), of the PROJECT SUMMARY, which sets forth the position of the lien created by this CONTRACT in relation to any existing lien(s).

- c. **Debt Service Reserve Account or Fund.** To establish and maintain the debt service reserve account or fund, the BORROWER shall deposit an amount equal to one-tenth of an annual payment into its debt service reserve account or fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the BORROWER applies funds from this account to repayment of the loan, the BORROWER shall replenish the account within ninety (90) days of withdrawal of the funds. The debt service reserve account or fund requirement is in effect until the loan is paid in full.
- d. **Additional Debts or Bonds.** The BORROWER shall not issue any indebtedness payable from the PLEDGED REVENUES and having a lien thereon which is superior to the lien of this loan. The BORROWER may issue parity debt only with the prior written approval of the CWCB, provided that:
  - i. The BORROWER is currently and at the time of the issuance of the parity debt in substantial compliance with all of the obligations of this CONTRACT, including, but not limited to, being current on the annual payments due under this CONTRACT and in the accumulation of all amounts then required to be accumulated in the BORROWER's debt service reserve fund;
  - ii. The BORROWER provides to the CWCB a Parity Certificate from an independent certified public accountant certifying that, based on an analysis of the BORROWER's revenues, for 12 consecutive months out of the 18 months immediately preceding the date of issuance of such parity debt, the BORROWER's revenues are sufficient to pay its annual operating and maintenance expenses, annual debt service on all outstanding indebtedness having a lien on the PLEDGED REVENUES, including this loan, the annual debt service on the proposed indebtedness to be issued, and all required deposits to any reserve funds required by this CONTRACT or by the lender(s) of any indebtedness having a lien on the PLEDGED REVENUES. The analysis of revenues shall be based on the BORROWER's current rate structure or the rate structure most recently adopted. No more than 10% of total revenues may originate from tap and/or connection fees.

The BORROWER acknowledges and understands that any request for approval of the issuance of additional debt must be reviewed and approved by the CWCB prior to the issuance of any additional debt.

- e. **Annual Statement of Debt Coverage.** Each year during the term of this CONTRACT, the BORROWER shall submit to the CWCB an annual financial statement.

9. **Pledged Revenues During Loan Repayment.** The BORROWER shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the PLEDGED REVENUES, so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB.
10. **Release After Loan Is Repaid.** Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the PROMISSORY NOTE, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the PLEDGED REVENUES.
11. **Warranties.**
- a. The BORROWER warrants that, by acceptance of the loan under this CONTRACT and by its representations herein, the BORROWER shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this CONTRACT.
  - b. The BORROWER warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the BORROWER, to solicit or secure this CONTRACT and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this CONTRACT.
  - c. The BORROWER warrants that the PLEDGED REVENUES for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for any existing lien(s) identified in Section 5 (Schedule of Existing Debt) of the PROJECT SUMMARY, which sets forth the position of the lien created by this CONTRACT in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the PROJECT SUMMARY and incorporated herein.
12. **Remedies for Default.** Upon default in the payments to be made by the BORROWER under this CONTRACT, or default in the performance of any covenant or agreement contained herein, the CWCB, at its option, may:
- a. suspend this CONTRACT and withhold further loan disbursements pending corrective action by the BORROWER, and if the BORROWER does not cure the default as provided for below, permanently cease loan disbursements and deem the PROJECT substantially complete;
  - b. declare the entire principal amount, accrued interest, and late charges, if any, then outstanding immediately due and payable;
  - c. exercise its rights under any appendices to this CONTRACT, including, but not limited to, the PROMISSORY NOTE and SECURITY AGREEMENT; and/or
  - d. take any other appropriate action.

The CWCB shall provide written notice to the BORROWER of any such default and shall give the BORROWER an opportunity to cure within thirty (30) days of receipt of such notice. All remedies described herein may be simultaneously or selectively and successively enforced. The CWCB may enforce the provisions of this CONTRACT at its option without regard to prior waivers of previous defaults by the BORROWER, through judicial proceedings to require specific performance of this CONTRACT, or by such other proceedings in law or equity as may be deemed necessary by the CWCB to ensure compliance with provisions of this CONTRACT and the laws and regulations under which this CONTRACT is executed. The CWCB's exercise of any or all of the remedies described herein shall not relieve the BORROWER of any of its duties and obligations under this CONTRACT.

13. **Operation of Project.** The BORROWER shall, without expense or legal liability to the CWCB, manage, operate and maintain the PROJECT continuously in an efficient and economical manner.
14. **Borrower's Liability Insurance.** Because the BORROWER is a "public entity" within the meaning of the Colorado Governmental Immunity Act, CRS 24-10-101, et seq., as amended ("Act"), the BORROWER shall at all time maintain such liability insurance, by commercial policy or self-insurance as is necessary to meet its liabilities under the Act.
15. **Additional Contract Requirements.** Any additional CONTRACT requirements are set forth in Additional Conditions & Contract Requirements (Section 7) of the PROJECT SUMMARY.
16. CWCB agrees that it is a political subdivision and that the obligations of the Borrower hereunder are not and will not be specifically pledged by CWCB as security or collateral for an issuance of securities by CWCB.

#### B. PROJECT PROVISIONS

1. **Eligible Expenses.** The PROJECT expenses for which the BORROWER is eligible for loan disbursements are listed in Eligible Expenses (Section 8) of the PROJECT SUMMARY. The BORROWER shall pay all of the expenses related to the Project when such bills are due.
2. **Loan Disbursements.** The CWCB shall disburse loan funds in accordance with the Disbursement Schedule (Section 9) of the PROJECT SUMMARY.
3. **Time for Performance.** The BORROWER recognizes that time is of the essence in the performance of all of its obligations under this CONTRACT. Therefore, the BORROWER shall complete the PROJECT within the time specified in Time for Performance (Section 10) of the PROJECT SUMMARY.

#### C. GENERAL PROVISIONS

1. **Periodic Inspections.** Throughout the term of this CONTRACT, the BORROWER shall permit a designated representative of the CWCB to make periodic inspections of the PROJECT. Such inspections shall cover the condition of the PROJECT, operating records, maintenance records, and financial records. These inspections are solely for

the purpose of verifying compliance with the terms and conditions of this CONTRACT and shall not be construed nor interpreted as an approval of the actual design, construction or operation of any element of the PROJECT facilities.

2. **Applicable Laws.** The BORROWER shall strictly adhere to all applicable federal, state, and local laws and regulations that are in effect or may hereafter be established throughout the term of this CONTRACT.
3. **Designated Agent Of The CWCB.** The CWCB's employees are designated as the agents of the CWCB for the purpose of this CONTRACT.
4. **Assignment.** BORROWER's rights and obligations, of this CONTRACT, hereunder are personal and may not be transferred, assigned without the prior, written consent of the State. Any attempt at assignment without such consent shall be void. All assignments approved by BORROWER or the State are subject to all of the provisions hereof.
5. **Contract Relationship.** The parties to this CONTRACT intend that the relationship between them under this CONTRACT is that of LENDER-BORROWER, not employer-employee. No agent, employee, or servant of the BORROWER shall be, or shall be deemed to be, an employee, agent, or servant of the CWCB. The BORROWER shall be solely and entirely responsible for its acts and the acts of its agents, employees, servants, engineering firms, construction firms, and subcontractors during the term of this CONTRACT.
6. **Integration of Terms.** This CONTRACT is intended as the complete integration of all understandings between the parties. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever unless embodied herein in writing. No subsequent renewal, addition, deletion, or other amendment hereto shall have any force or effect unless embodied in a written contract executed and approved pursuant to State fiscal rules, unless expressly provided for herein.
7. **Order of Precedence.** The provisions of this CONTRACT shall govern the relationship of the Parties. In the event of conflicts or inconsistencies between this CONTRACT and its exhibits and attachments, including, but not limited to, those provided by Contractor, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority:

  - ii. The provisions of the main body of this CONTRACT
  - iii. Appendices
8. **Casualty and Eminent Domain.** If, at any time, during the term of this CONTRACT, (a) the BORROWER'S PROJECT facilities, including buildings or any portion thereof, are damaged destroyed, in whole or in part, by fire or other casualty, or (b) title to or use of the PROJECT facilities or any part thereof shall be taken under the exercise of the

power of eminent domain, the BORROWER shall cause the net proceeds of any insurance claim or condemnation award to be applied to the prompt replacement, repair and restoration of the PROJECT facilities or any portion thereof, or to repayment of this loan. Any net proceeds remaining after such work has been completed or this loan has been repaid, shall be retained by the BORROWER. If the net insurance proceeds are insufficient to pay the full cost of the replacement, repair and restoration, the BORROWER shall complete the work and pay any cost in excess of the net proceeds. In the event BORROWER chooses to repay the loan, BORROWER shall remain responsible for the full loan amount outstanding regardless of the amount of such insurance proceeds or condemnation award.

9. **Captions.** The captions and headings in this CONTRACT are for convenience of reference only, and shall not be used to interpret, define, or limit its provisions.
10. **CWCB's Approval.** This CONTRACT requires review and approval of plans, specifications, and various other technical and legal documents. The CWCB's review of these documents is only for the purpose of verifying BORROWER's compliance with this CONTRACT and shall not be construed or interpreted as a technical review or approval of the actual design or construction of the PROJECT. Notwithstanding any consents or approvals given to the BORROWER by the CWCB on any such documents, BORROWER and any of its consultants, by preparing any such documents, shall be solely responsible for the accuracy and completeness of any of said documents.
11. **Waiver.** Waiver of any breach under a term, provision, or requirement of this CONTRACT, or any right or remedy hereunder, whether explicitly or by lack of enforcement, shall not be construed or deemed as a waiver of any subsequent breach of such term, provision or requirement, or of any other term, provision, or requirement.
12. **CORA Disclosure.** To the extent not prohibited by federal law, this CONTRACT and the performance measures and standards under CRS §24-103.5-101, if any, are subject to public release through the Colorado Open Records Act, CRS §24-72-101, et seq.
13. **Binding Effect.** All provisions herein contained, including the benefits and burdens, shall extend to and be binding upon the Parties' respective heirs, legal representatives, successors, and assigns.
14. **Entire Understanding.** This CONTRACT represents the complete integration of all understandings between the Parties and all prior representations and understandings, oral or written, are merged herein. Prior or contemporaneous additions, deletions, or other changes hereto shall not have any force or affect whatsoever, unless embodied herein.
15. **Severability.** Provided this CONTRACT can be executed and performance of the obligations of the Parties accomplished within its intent, the provisions hereof are severable and any provision that is declared invalid or becomes inoperable for any reason shall not affect the validity of any other provision hereof, provided that the Parties can continue to perform their obligations under this CONTRACT in

accordance with its intent.

16. **Third Party Beneficiaries.** Enforcement of this CONTRACT and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits which third parties receive as a result of this CONTRACT are incidental to the CONTRACT, and do not create any rights for such third parties.

(i) ***Use of Moneys in the Reserve Account.*** Moneys in the Reserve Account shall be used, if necessary, only to prevent a default in the payment of the principal of or interest on the Promissory Notes on any Payment Date and the Reserve Account is hereby pledged to the payment of the Promissory Notes. The District shall transfer moneys from the Reserve Account to pay principal of and interest on the Promissory Notes in the event that Pledged Revenues are not sufficient to make such payments when due.

(ii) ***Funding and Maintenance of Required Reserve Amount.*** Commencing with the first Payment Date for each Loan Contract, the District shall annually credit an amount equal to one-tenth of the Required Reserve Amount for such Loan Contracts on or before each Payment Date until such time

as the amount credited thereto is equal to the Required Reserve Amount (i.e., the Reserve Account is to be fully funded within ten years from substantial completion of the Project). In the event that moneys from the Reserve Account are transferred as provided in paragraph (i) of this Subsection, such amount shall be replenished from Pledged Revenues within the time period set forth in the Loan Contracts. Moneys credited to the Reserve Account may be invested or deposited in lawful securities or obligations and all interest income from the investment or reinvestment of moneys credited to the Reserve Account shall be credited to the Reserve Account until the amount therein is equal to the Required Reserve Amount, at which time the balance of the Reserve Account shall be maintained in the Required Reserve Amount and such interest income shall be credited to the Debt Service Fund and applied to payment of the Promissory Notes.

#### **Section 5. Security for Payment of the Promissory Notes.**

(a) ***Pledge of Pledged Revenue.*** Each Promissory Note shall constitute an irrevocable and first lien upon the Pledged Revenue, but not an exclusive first lien. The Pledged Revenue is hereby pledged to the payment of each Promissory Note on parity with the lien of the other Promissory Notes. The creation, perfection, enforcement and priority of the pledge of revenues to secure or pay the Promissory Note shall be governed by Section 11-57-208, C.R.S. and this Resolution. The Pledged Revenue shall immediately be subject to the lien of such pledge without any physical delivery, filing or further act. **For purposes of the Loan Contracts and the Promissory Notes, the term “Pledged Revenues” used therein shall have the meaning ascribed to such term herein.**

(b) ***Promissory Note Does Not Constitute a Debt.*** Each Promissory Note, together with the interest thereon, shall be payable only out of: (i) the Pledged Revenue; or (ii) if necessary, the Reserve Account. The CWCB may not look to the funds, accounts or assets of the District for the payment of the principal of and interest on the Promissory Notes, and the Loan Contracts and the Promissory Notes shall not constitute a debt or an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation; nor shall they be considered or held to be general obligations of the District.

#### **Section 6. Additional Covenants and Agreements.**

(a) ***Maintenance of Rates and Coverage.*** The District hereby covenants that it will establish, maintain, enforce and collect rates, fees and charges for water services furnished by the Water Activity Enterprise sufficient to pay all Operations and Maintenance Expenses, to repay the Loans, and any other financial obligations of the Water Activity Enterprise. In the event that the Pledged Revenue at any time is not sufficient to make the payments required by said provision, the District covenants to promptly increase Gross Revenue to an extent which will ensure compliance with this covenant (the “Rate Covenant”).

(b) ***Enterprise Status.*** The District operates the Water Activity Enterprise, and covenants to continue to operate the Water Activity Enterprise, as an “enterprise” within the meaning of Article X, Section 20 of the Colorado Constitution; provided, however, after calendar year 2014 the District may disqualify itself as an “enterprise” in any year in which said disqualification does not materially, adversely affect the enforceability of the covenants made pursuant to this Resolution.

(c) ***Findings of the Board.*** The Board, having been fully informed of and having considered all the pertinent facts and circumstances, hereby finds, determines, declares and covenants with the CWCBC that:

(i) The Water Activity Enterprise, sometimes referred to herein as the District, has been duly established and is operating during the current calendar year as an “enterprise” within the meaning of Article X, Section 20 of the Colorado Constitution;

(ii) the Board elects to apply all of the provisions of Title 11, Article 57, Part 2, C.R.S. to the execution of the Loan Contracts and to the issuance of the Promissory Notes; and

(iii) the execution of the Loan Contracts and the issuance and delivery of the Promissory Notes, and all procedures undertaken incident thereto, are in full compliance and conformity with all applicable requirements, provisions and limitations prescribed by the Constitution and the Enabling Law, and all conditions and limitations of the Enabling Law and other applicable law relating to the execution of the Loan Contracts and the issuance and delivery of the Promissory Notes have been satisfied.

**Section 7. Approval of Documents.** The President (or in the President’s absence the Vice President) and the Secretary of the Board shall, and they are hereby authorized and directed to take all actions necessary or appropriate to effectuate the provisions of this Resolution, including, but not limited to, the execution of the Loan Contracts, the Promissory Notes, the Security Agreements (as set forth in Appendices 2 and 4 to the Loan Contracts) in substantially the forms presented to the Board, with such non-material changes thereto, not inconsistent herewith, as may be necessary or desirable to effectuate the provisions of this Resolution and approved by counsel to the District and the officials of the District executing the same (whose manual or facsimile signatures thereon of such officials shall constitute conclusive evidence of such approval), and execution of such additional agreements, certificates and affidavits as may be reasonably required to effectuate the provisions of this Resolution. The execution by the President (or in the President’s absence the Vice President) of the Board of any document authorized herein shall be conclusive proof of the approval by the District of the terms thereof.

**Section 8. Contingent Authorization.** The authorization for funding draw requests related to any Loan Contract approved by this Resolution are expressly contingent upon satisfaction of all of the following conditions:

- Execution of the Water Provider Agreement by and between the District and CDNR;
- Formation of the Mitigation Company; and
- Due authorization, execution, and delivery of the Escrow Agreement by all parties.

**Section 9. Amendment of Resolution.** This Resolution may be amended only with the prior written consent of CWCB.

**Section 10. Limitation of Actions.** In accordance with Section 11-57-212, C.R.S., no legal or equitable action can be brought with respect to any legislative acts or proceedings in connection with the authorization and execution of the Loan Contracts or issuance and delivery of the Promissory Notes more than 30 days after the date of passage of this Resolution.

**Section 11. Ratification of Prior Actions.** All actions heretofore taken (not inconsistent with the provisions of this Resolution) by the Board or by the officers and employees of the District directed toward the issuance of the Promissory Notes for the purposes herein set forth are hereby ratified, approved and confirmed.

**Section 12. Headings.** The headings to the various sections and paragraphs to this Resolution have been inserted solely for the convenience of the reader, are not a part of this Resolution, and shall not be used in any manner to interpret this Resolution.

**Section 13. Resolution Irrepealable.** After any one of the Promissory Notes has been issued, this Resolution shall constitute a contract between CWCB and the District, and shall be and remain irrepealable until the Promissory Notes and the interest accruing thereon shall have been fully paid, satisfied and discharged, as herein provided.

**Section 14. Severability.** It is hereby expressly declared that all provisions hereof and their application are intended to be and are severable. In order to implement such intent, if any provision hereof or the application thereof is determined by a court or administrative body to be invalid or unenforceable, in whole or in part, such determination shall not affect, impair or invalidate any other provision hereof or the application of the provision in question to any other situation; and if any provision hereof or the application thereof is determined by a court or administrative body to be valid or enforceable only if its application is limited, its application shall be limited as required to most fully implement its purpose.

**Section 15. Repealer.** All orders, bylaws, resolutions and ordinances of the District, or parts thereof, inconsistent or in conflict with this Resolution are hereby repealed to the extent only of such inconsistency or conflict.

**Section 16. Effective Date.** This Resolution shall be effective as of the date of adoption by the Board; provided that the authorizations contained herein shall be contingent upon the conditions set forth in Section 8 hereof.
