Description: Larimer Cnty Emergency Flood Warning System Phase II							
Expansion of the Larimer County Early Flood Warning System (EFWS) in areas directly impacted by the 2020 Cameron Peak Fire. Sites are identified in the most recent Larimer County EFWS Master Plan which considered available information including the final BAER report in the analysis as well as collaborative feedback from multiple stakeholders. The project includes installation, configuration and operation of the remaining (7) rain gages and (3) rain/stream gages, base station configuration and stream rating curve development, FCC licensing, permitting, calibration, etc. The additional sites will be operated and maintained for a minimum of 10-years.
