Re: CWCB Local Assistance Program Grant Approval

Dear Mr. Peterson:

I am pleased to inform you that I have approved the request by the Colorado Ag Water Alliance and the Collbran Water Conservancy District for a CWCB Local Assistance Program grant. The maximum amount of the grant is \$52,500 for up to 75% of the cost of the Plateau Valley Pre-Development Work project. I understand that the grant will result in a federal grant application and you will report back to the CWCB the federal grant decision within 30 days of notification from the federal agency.

Michael Regan of this office will be the project manager on this grant.

Sincerely,

Rebecca Mitchell, Director  
Colorado Water Conservation Board
