 - ii. The Special Provision titled "Public Contracts with Natural Persons" is deleted.

The logo consists of the letters 'DS' in a small font above a stylized 'KA' inside a rounded square border.

iii. The Special Provision titled "Public Contracts for Services" is deleted.

6. RESOLUTION

The Borrower has adopted a Board of Director's Resolution, irrevocable for the term of this loan, authorizing the Borrower to enter into this contract amendment to borrow the additional loan amount, to establish and collect assessments sufficient to pay the annual loan payments, to pledge said assessments for repayment of the loan, and to execute documents necessary to convey a security interest in said assessments and collateral, if necessary, to the CWCB, and attached as Appendix D.

Appendix A-1, Amendment No. 2 to Loan Contract CT2019-3706
Amendment to Promissory Note

Date: 4 / 1 9 , 2023
 Borrower: Tunnel Water Company
 Interest Rate: 2.85% per annum
 Term: Thirty (30) years or until loan is paid in full
 Loan Contract No.: CT2019-3706
 Annual Loan Payment: \$901,045.52
 Payment Initiation Date: (to be filled in at Substantial Completion of Project)
 Maturity Date: (to be filled in at Substantial Completion of Project)

For Value Received, the Borrower promises to pay the Colorado Water Conservation Board ("CWCB"), the Principal Amount plus Interest for the Term of Repayment, pursuant to the Loan Contract and this Amendment to Promissory Note (Note).

1. This Note, in the **revised loan amount of \$18,008,300.00**, shall replace and supersede the Original Promissory Note, attached as Appendix 3 to the Original Loan Contract.
2. Principal and interest shall be payable in equal Annual Loan Payments, as set forth above, with the first payment due and payable one year from Payment Initiation Date, and annually thereafter. All principal, interest, and late charges, if any, then remaining unpaid shall be due and payable on or before the Maturity Date.
3. Payments shall be made to the Colorado Water Conservation Board at 1313 Sherman Street Room 718, Denver, Colorado 80203.
4. The CWCB may impose a late charge in the amount of 5% of the annual payment if the CWCB does not receive the Annual Loan Payment within sixty (60) calendar days of the due date. CWCB will review the request from the Borrower, and may, in its sole discretion, choose to waive the late fee.
5. This Note may be prepaid in whole or in part at any time without premium or penalty. Any partial prepayment shall not postpone the due date of any subsequent payments or change the amount of such payments.
6. All payments received shall be applied first to late charges, if any, next to accrued interest and then to reduce the principal amount.
7. This Note is issued pursuant to the Loan Contract between the CWCB and the Borrower. The Loan Contract creates security interests in favor of the CWCB to secure the prompt payment of all amounts that may become due hereunder. Said security interests are evidenced by a Security Agreement ("Security Instrument") of even date and amount and cover certain revenues and/or accounts of the Borrower. The Loan Contract and Security Instruments grant additional rights to the CWCB, including the right to accelerate the maturity of this Note in certain events.
8. If any annual payment is not paid when due or any default under the Loan Contract or the Security

Instruments securing this Note occurs, the CWCB may declare the entire outstanding principal balance of the Note, all accrued interest, and any outstanding late charges immediately due and payable, and the indebtedness shall bear interest at the rate of 7% per annum from the date of default. The CWCB shall give the Borrower written notice of any alleged default and an opportunity to cure within sixty (60) days of receipt of such notice before the Borrower shall be considered in default for purposes of this Promissory Note.

9. The Borrower hereby agrees that if this Note or interest thereon is not paid when due or if suit is brought, then it shall pay all reasonable costs of collection, including reasonable attorney fees. In the event of any bankruptcy or similar proceedings, costs of collection shall include all costs and attorney fees incurred in connection with such proceedings, including the fees of counsel for attendance at meetings of creditors' committees or other committees.
10. This Note shall be governed in all respects by the laws of the State of Colorado.

Colorado Water Conservation Board will record Amendment to Deed of Trust with the County.

RESOLUTION OF THE BOARD OF DIRECTORS
OF THE TUNNEL WATER COMPANY
AUTHORIZING AMENDMENT TO INCREASE CWCB LOAN

A meeting of the Board of Directors of the Tunnel Water Company (the "Company") called in accordance with Section II of the Company's Bylaws, was held on February 20, 2023 at the office of the Tunnel Water Company at 2319 East Mulberry Street, Fort Collins, CO.

At the meeting, the Board discussed the status of the Colorado Water Conservation Board ("CWCB") Loan secured in October of 2015. This is CWCB Loan CT2019-3706 with an original loan amount of \$9,090,000.00 for the rehabilitation of the West Half of the Laramie-Poudre Tunnel ("Tunnel"). The Board discussed that due to unforeseen conditions on the project the Company would need to increase the loan balance to approximately \$18,008,300.00. The understanding of the Board is that the CWCB is willing to amend CWCB Loan CT2019-3706 to increase the loan balance accordingly.

It was determined that the Company proceed with amending CWCB Loan CT2019-3706. Following discussion, and upon motion made and duly seconded, the Board resolved the Company make application to the CWCB for the amended loan and complete the required loan contract, promissory note, security agreement, and deed of trust for the amended loan. It was also resolved by the Board that the Company will pledge revenues to assure repayment of the loan, that the Company has the authority to enter into the loan, perform and observe all of the contractual terms, conditions and obligations, and therefore to execute the required resolutions required by the CWCB as part of the loan contract as well as to secure approval and execution of the resolution required by the CWCB for the shareholders of the Tunnel Water company.

I hereby certify that the foregoing resolution of the Board of Directors of the Tunnel Water Company was duly adopted by said Board, as above set forth.

Dated this 20th Day of February 2023.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
