Re: CWCB Local Assistance Program Grant Approval

Dear Fay:

I am pleased to inform you that I have approved the request by American Rivers for a CWCB Local Assistance Program grant. The maximum amount of the grant is \$158,212 for up to 75 percent of the cost of *Addressing Capacity Gaps and Building a Robust Pipeline of Wetland and Riparian Conservation and Restoration Projects in the San Luis Valley* project. I understand that the grant will result in at least one federal grant application and you will report back to the CWCB the federal grant decision within 30 days of notification from the federal agency.

Michael Regan of this office will be the project manager on this grant.

Sincerely,

Rebecca Mitchell, Director
Colorado Water Conservation Board
