Re: Supply Irrigating Ditch-Emergency Supply Ditch Rehabilitation Project
State CMS No. 74820

This firm represents the Supply Irrigating Ditch Company (the "Company"). The Company has requested that I provide an opinion to the Colorado Water Conservation Board (CWCB) that upon executing loan documents with the CWCB, the loan contract CMS 74820, for the Emergency Supply Ditch Rehabilitation Project (the "Project") will be binding and enforceable against the Company.

In providing this opinion, I reviewed the Company's articles of incorporation, amendments to the articles, by-laws and amendments to the by-laws, applicable statutes, the meeting of the Board of Directors of the Company, the notice of special meeting of shareholders held on January 9, 2015, the minutes of the annual meetings of shareholders and directors of the Company and the Resolution passed by the shareholders on January 9, 2015.

Based on my review of the Company's documents, it is my opinion that:

1. A majority of the members of the Board of Directors of the Company authorized the Company to borrow money for corporate purposes in the principal amount of \$324,210.0 under the terms of the Promissory Note evidencing such indebtedness under the loan contract. The Board also approved a security agreement which pledges of all revenues derived from assessments on stock and all of the Company's right to receive said assessment revenues to repay the loan and execute a deed of trust encumbering an undivided one hundred per cent (100%) interests in the Diversion Structure, Headgate Structure, including any easements, rights-of-way or other property or property interests held and used in connection with the access and operation of such Structure.
2. The annual meeting of shareholders was legally noticed and held on January 9, 2015. At that meeting a quorum of shareholders of the Company were present or present by proxy.

3. At that meeting, a Resolution of the Company was passed by a majority vote of the shareholders of the Company authorizing the Company to enter into a loan agreement, promissory note in the principal amount of \$324,210.00, security agreement and deed of trust, with the CWCB for the purpose of the construction of the Project.

4. The Board of Directors of the Company is duly authorized to enter into the loan contract, promissory note, security agreement and deed of trust with the CWCB and bind the Company according to the terms of the loan contract, promissory note, security agreement and deed of trust.

5. There are no provisions in the Company's articles of incorporation, by-laws, state or local laws or other reviewed documents which would prohibit the action of the Company to enter into the loan contract with the CWCB and execute the promissory note, security agreement and deed of trust.

6. Upon execution by the duly authorized officers or directors of the Company, the loan contract described as CWCB CMS #74820, the promissory note in the original principal balance of \$324,210.00, the security agreement and the deed of trust will be valid and binding against the Company.

This opinion may be relied upon by the CWCB in approving the loan with the Company and for this purpose only.

Sincerely,

Phillip S. Wong

2. Required approval, clearance, and coordination have been accomplished from and with appropriate agencies; and
3. On November 20, 2014, the CWCB approved a loan request from the BORROWER for the Emergency Supply Ditch Rehabilitation Project to repair the damage caused by the 2013 flood event. 4. The PROJECT SUMMARY attached as APPENDIX 1 and incorporated herein, contains BORROWER Information (Section 1), the Project Description (Section 2), CWCB's authority for making this loan (Section 3), and CWCB Approval and Legislative Authorization which identifies the amount of the loan and the terms of repayment (Section 4). The PROJECT SUMMARY also contains sections on BORROWER's debt, collateral, procedures and eligible expenses; and
5. The CWCB now desires, by this CONTRACT, to loan money to the BORROWER for this PROJECT upon mutually agreeable terms and conditions.

THEREFORE, in consideration of the mutual and dependent covenants contained herein, the parties agree as follows:

A. LOAN PROVISIONS

1. **Loan Service Fee.** The amount of the loan (LOAN AMOUNT) shall include (1) the amount of the funds loaned by the CWCB to the BORROWER for the PROJECT and (2) a service fee of one percent (1%) of the PROJECT amount. In the event that the BORROWER does not use the LOAN AMOUNT authorized, the parties shall amend this

CONTRACT to revise the LOAN AMOUNT including adjustment of the service fee to reflect 1% of the actual LOAN AMOUNT disbursed to the BORROWER.

2. **Contract Amendment Service Fees.** Under certain circumstances, the BORROWER shall be assessed a fee for amending the CONTRACT.
 - a. A service fee shall be imposed on the BORROWER for amendments processed for the benefit of the BORROWER and necessary for the BORROWER's course of business but not necessary for the CWCB, including, but not limited to, a change in BORROWER name, assignment of CONTRACT, substitution of collateral, loan payment deferrals in excess of 3 per loan, and loan consolidation. Amendments in the course of CWCB business, including but not limited to, loan payment deferrals (up to 3 per loan) and changes in terms of loan repayment will be processed at no additional charge to the BORROWER.
 - b. The amount charged shall be in accordance with the fee rate structure set forth in the CWCB Loan Service Charge Policy in effect at the time the BORROWER shall request an amendment. The current fee for an amendment is \$1,000.
 - c. The BORROWER shall remit the service fee to the CWCB prior to initiation of the amendment. Any service fee remitted to the CWCB cannot be refunded.
3. **Promissory Note Provisions.** The CWCB agrees to loan to the BORROWER an amount not to exceed the LOAN AMOUNT and the BORROWER agrees to repay the loan in accordance with the terms as set forth in the **PROMISSORY NOTE**, attached hereto as **APPENDIX 2** and incorporated herein. The PROMISSORY NOTE shall identify the LOAN AMOUNT. If the amount of loan funds disbursed by the CWCB to the BORROWER differs from the LOAN AMOUNT, the parties agree to amend this CONTRACT, including its appendices where necessary, to revise the LOAN AMOUNT.
4. **Interest Prior to PROJECT Completion.** Interest will not accrue prior to PROJECT completion.
5. **Return of Unused Loan Funds.** Any loan funds disbursed but not expended for the PROJECT in accordance with the terms of this CONTRACT shall be remitted to the CWCB within 30 calendar days from notification from the CWCB of either (1) completion of the PROJECT or (2) determination by the CWCB that the PROJECT will not be completed. Any such loan funds so remitted to CWCB shall be applied to the principal payment of amounts due on the Loan.
6. **BORROWER's Authority to Contract.** The BORROWER warrants that it has full power and authority to enter into this CONTRACT. The execution and delivery of this CONTRACT and the performance and observation of its terms, conditions and obligations have been duly authorized by all necessary actions of the BORROWER. The CWCB shall have priority over all other competing claims for said PLEDGED PROPERTY, except for the liens of the BORROWER's existing loans as listed in Section 5 (Schedule of Existing Debt) of the PROJECT SUMMARY, which sets forth the position of the lien created by this CONTRACT in relation to any existing lien(s).
 - c. **Revenue Assessments.** Pursuant to its statutory authority, articles of incorporation and bylaws, the BORROWER shall take all necessary actions consistent therewith during the term of this CONTRACT to levy assessments sufficient to pay this loan as required by the terms of this CONTRACT and the PROMISSORY NOTE, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves. In the event the assessments levied by the BORROWER become insufficient to assure such repayment to the CWCB, the BORROWER shall immediately take all necessary action consistent with its statutory authority, its articles of incorporation and bylaws including, but not limited to, levying additional assessments to raise sufficient revenue to assure repayment of this loan.
 - d. **Assessment Covenant.** Pursuant to its statutory authority and as permitted by law, the BORROWER shall take all necessary actions consistent therewith during the term of this CONTRACT to establish, levy and collect rates, charges and fees as described in APPENDIX 3, in amounts sufficient to pay this loan as required by the terms of this CONTRACT and the PROMISSORY NOTE, to cover all expenditures for operation and maintenance and emergency repair services, and to maintain adequate debt service reserves, including obtaining voter approval, if necessary, of increases in the BORROWER's rate schedule or taxes, if applicable.

- e. **Debt Service Reserve Account.** To establish and maintain the debt service reserve account, the BORROWER shall deposit an amount equal to one-tenth of an annual payment into its debt service reserve fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the BORROWER applies funds from this account to repayment of the loan, the BORROWER shall replenish the account within ninety (90) days of withdrawal of the funds.
9. **Collateral.** The COLLATERAL for this loan is described in Section 6 (COLLATERAL) of the PROJECT SUMMARY (APPENDIX 1), and secured by the SECURITY INSTRUMENT(S), including the SECURITY AGREEMENT and the DEED OF TRUST (APPENDIX 5).
10. **Collateral during Loan Repayment.** The BORROWER shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the COLLATERAL or the PLEDGED PROPERTY so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB. In the event of any such sale, transfer or encumbrance without the CWCB's written concurrence, the CWCB may at any time thereafter declare all outstanding principal, interest, and late charges, if any, on this loan immediately due and payable.
11. **Release After Loan Is Repaid.** Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the PROMISSORY NOTE, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the COLLATERAL and the PLEDGED PROPERTY.
12. **Warranties.**
- a. The BORROWER warrants that, by acceptance of the loan under this CONTRACT and by its representations herein, the BORROWER shall be estopped from asserting for any reason that it is not authorized or obligated to repay the loan to the CWCB as required by this CONTRACT.
 - b. The BORROWER warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the BORROWER, to solicit or secure this CONTRACT and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this CONTRACT.
 - c. The BORROWER warrants that the PLEDGED PROPERTY and COLLATERAL for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for any existing lien(s) identified in Section 5 (Schedule of Existing Debt) of the PROJECT SUMMARY, which sets forth the position of the lien created by this CONTRACT in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the PROJECT SUMMARY and incorporated herein.
13. **Change of Ownership of Water Shares during Term of Contract.** If the interest rate for this loan is based on the CWCB's agricultural or blended agricultural and

municipal and/or commercial and/or industrial rates, the BORROWER agrees to notify the CWCB of any change of the ownership of the water rights represented by its shares from irrigation to municipal or commercial or industrial use. The interest rate shall be revised when said change in ownership would increase the original interest rate by 0.5% or more. The parties shall amend this CONTRACT, including a revised PROMISSORY NOTE, to effect said change in interest rate.

14. **Remedies for Default.** Upon default in the payments to be made by the BORROWER under this CONTRACT, or default in the performance of any covenant or agreement contained herein, the CWCB, at its option, may:

- a. suspend this CONTRACT and withhold further loan disbursements pending corrective action by the BORROWER, and if the BORROWER does not cure the default as provided for below, permanently cease loan disbursements and deem the PROJECT substantially complete;

- c. exercise its rights under any appendices to this CONTRACT, including, but not limited to, the PROMISSORY NOTE, SECURITY AGREEMENT, DEEDS OF TRUST and/or any instrument securing COLLATERAL; and/or
- d. take any other appropriate action.

The CWCB shall provide written notice to the BORROWER of any such default and shall give the BORROWER an opportunity to cure within thirty (30) days of receipt of such notice. All remedies described herein may be simultaneously or selectively and successively enforced. The CWCB may enforce the provisions of this CONTRACT at its option without regard to prior waivers of previous defaults by the BORROWER, through judicial proceedings to require specific performance of this CONTRACT, or by such other proceedings in law or equity as may be deemed necessary by the CWCB to ensure compliance with provisions of this CONTRACT and the laws and regulations under which this CONTRACT is executed. The CWCB's exercise of any or all of the remedies described herein shall not relieve the BORROWER of any of its duties and obligations under this CONTRACT.

15. **Operation of PROJECT.** The BORROWER shall, without expense or legal liability to the CWCB, manage, operate, and maintain the PROJECT continuously in an efficient and economical manner.

16. **BORROWER's Liability Insurance.**

- a. Upon execution of this CONTRACT and continuing until complete repayment of the loan is made to the CWCB, the BORROWER shall maintain commercial general liability insurance, with a company that is satisfactory to the CWCB, with minimum limits of \$1,000,000 combined single limit for each occurrence and \$2,000,000 general aggregate, including products/completed operations and personal injury.
- b. Prior to the disbursement of any loan funds, the BORROWER shall provide the CWCB with an Acord Form 25 evidencing said insurance and shall provide the CWCB with

6. **Liability Insurance during Construction.** During construction of the PROJECT, the BORROWER shall require the construction firm(s) and any subcontractors to maintain the following insurance coverage in the limits shown during the term of their contracts for the construction of the PROJECT. The BORROWER shall provide the CWCB with an Acord Form 25 evidencing said insurance prior to commencement of construction, maintained until construction is complete, and shall provide the CWCB with documentation of renewals of said insurance. Any net proceeds remaining after such work has been completed or this loan has been repaid, shall be retained by the BORROWER. If the net insurance proceeds are insufficient to pay the full cost of the replacement, repair and restoration, the BORROWER shall complete the work and pay any cost in excess of the net proceeds. In the event BORROWER chooses to repay the loan, BORROWER shall remain responsible for the full loan amount outstanding regardless of the amount of such insurance proceeds or condemnation award.
