Description: WPG - Westminster City Hall Landscape Transformation						
This project will transform Westminster City Hall s North Lawn from a highly visible, seldom used, difficult to access, four-acre expanse of non-functional Kentucky bluegrass, into a low-water use landscape that includes native grasses, regionally appropriate perennial gardens, and trees. The project will greatly improve public accessibility, provide on-site educational signage, and develop and implement a community outreach plan.						
As a part of this agreement, please refer to Exhibit A (dated 5/13/2024) for a complete Statement of Work and Budget.
