Watershed PenPals connects students across watershed basins by fostering relationships built on shared experiences and letter writing. students in both Aurora and the Roaring Fork Valley learn about where their water comes from and why it s important to value, conserve, and protect this resource. The program will expand to incorporate more schools, teacher training, and add the summer experience program; Meet your Headwaters, giving a group of students from Aurora an opportunity to travel to the Roaring Fork Valley to meet their pen pal and explore their headwaters.
