1. For Value Received, the Borrower promises to pay the Colorado Water Conservation Board ("CWCB"), the Principal Amount plus Interest for the Term of Repayment, pursuant to the Contract and this Promissory Note.
2. Principal and interest shall be payable in annual equal payments as set forth in "Annual Loan Payment" above, with the first payment due and payable one year from the Payment Initiation Date (the date the CWCB determines that the Project is substantially complete), and annually thereafter. All principal, interest, and late charges, if any, then remaining unpaid shall be due and payable on or before the Maturity Date.
3. Payments shall be made to the Colorado Water Conservation Board at 1313 Sherman Street, Room 718, Denver, Colorado 80203.
4. The CWCB may impose a late charge in the amount of five percent (5%) of the annual payment if the CWCB does not receive the annual payment within sixty (60) calendar days of the due date. At the discretion of the CWCB, and if the Borrower requests in writing with sufficient justification, the late fee may be waived by the CWCB. CWCB will review the request from the Borrower, and may, in its sole discretion, choose to waive the late fee.
5. This Promissory Note may be prepaid in whole or in part at any time without premium or penalty. Any partial prepayment shall not postpone the due date of any subsequent payments or change the amount of such payments.
6. This Promissory Note is issued pursuant to the Contract between the CWCB and the Borrower. The Contract creates security interests in favor of the CWCB to secure the prompt payment of all amounts that may become due hereunder. Said security interests are evidenced by Security Agreement and Deed of Trust ("Security Instruments") of even date and amount herewith and cover the Pledged Revenues and Pledged Property. The Contract and Security Instruments grant additional rights to the CWCB, including the right to accelerate the maturity of this Promissory Note in certain events.
7. If any annual payment is not paid when due or any default under the Contract or the Security Instruments securing this Promissory Note occurs, the CWCB may declare the entire outstanding principal balance of the Note, all accrued interest, and any outstanding late charges immediately due and payable, and the indebtedness shall bear interest at the rate of seven percent (7%) per annum from the date of default. The CWCB shall give the Borrower written notice of any alleged default and an opportunity to cure within sixty (60) days of receipt of such notice before the Borrower shall be considered in default for purposes of this Promissory Note.

Until payment in full of the indebtedness, the Grantor shall timely pay all taxes and assessments levied on the Pledged Property; any and all amounts due on account of the principal and interest or other sums on any senior encumbrances, if any; and will keep the Pledged Property insured in accordance with the requirements of the Loan Contract. In the event of the sale or transfer of the Pledged Property, the Beneficiary, at its option, may declare the entire balance of the note immediately due and payable.

In case of default in any of said payments of the principal or interest, according to the terms of said Promissory Note or Loan Contract, by the Grantor, its successors or assigns, then said principal sum hereby secured, and interest thereon, may at once, at the option of the Beneficiary, become due and payable, and the said Pledged Property be sold in the manner and with the same effect as if said indebtedness had matured, and that if foreclosure be made by the Public Trustee, an attorney's fee in a reasonable amount for services in the supervision of said foreclosure proceedings shall be allowed by the Public Trustee as a part of the cost of foreclosure, and if foreclosure be made through the courts a reasonable attorney's fee shall be taxed by the court as a part of the cost of such foreclosure proceedings.

It is further understood and agreed, that if a release or a partial release of this Deed of Trust is required, the Grantor, its successors or assigns will pay the expense thereof; that all the covenants and agreements contained herein and in the Promissory Note and Loan Contract shall extend to and be binding upon the successors or assigns of the respective parties hereto; and that the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

[THE REST OF THIS PAGE INTENTIONALLY LEFT BLANK]

8. The Borrower hereby agrees that if this Note or interest thereon is not paid when due or if suit is brought, then it shall pay all reasonable costs of collection, including reasonable attorney fees. In the event of any bankruptcy or similar proceedings, costs of collection shall include all costs and attorney fees incurred in connection with such proceedings, including the fees of counsel for attendance at meetings of creditors' committees or other committees.
9. This Promissory Note is authorized pursuant to and in accordance with the Constitution of the State of Colorado and all other laws of the State thereunto enabling. Specifically, but not by way of limitation, the Contract and this Promissory Note are authorized pursuant to and under the authority of Title 31, Article 35; Title 37, Article 45.1; and Title 11, Article 57, Part 2, C.R.S., and in full conformity therewith.
