Hello Ms. Calicchio:

Direct Address:

David Costlow
121 S Whitcomb Street
Fort Collins, CO 80521

Many of my Colorado River Outfitters Association members depend on water flows to conduct their operations. Without dependable water flows, the industry cannot maintain a predicable rafting and fishing season for customers.

Thanks,

Subject: CROA Request to be party to the Proposed Acquisition of an Interest in the Shoshone Water Rights for Instream Flow Use on the Colorado River

Hello Jackie

My organization, the Colorado River Outfitters Association (CROA), requests that we be recognized as a party to the proceedings of the proposed Acquisition of an Interest in the Shoshone Water Rights for Instream Flow Use on the Colorado River, Water Division 5. Beyond my request, I am not, sure what additional procedures I should take to make this happen. Please advise me if you will.

Thanks,

David Costlow
