Additional Language for Section 7 of ISF Agreement Per Directive 4

Paragraph 7.[X]:

viii. If, following the procedures above, **the requesting party objects to the decision made by the River District and the Director, or the Director of the CWCB and the River District General Manager do not agree on whether or not to implement a Voluntary ISF Call Reduction**, the CWCB shall place the matter on the agenda for a regularly scheduled or special Board meeting that occurs within a reasonable time period given the urgency of the request for consideration and decision in accordance with the ISF Rules and Board procedures. **Following the Board's decision**, the CWCB staff and the River District **shall act in accordance with the Board's direction** regarding implementation of the Voluntary ISF Call Reduction.
