**RE: Copper Mountain, NOI File No. P-2013-013,  
Approval with Financial Warranty Due**

Dear Mr. Barker:

On August 8, 2013 the Division of Reclamation, Mining and Safety (Division) received your notice of intent (NOI) to conduct prospecting and found no technical deficiencies. However the \$2,000.00 financial warranty was determined to be insufficient. On September 16, 2013 the Division approved your NOI application.

The financial warranty for this site was determined to be \$16,035. The detailed estimate is enclosed. **Please provide the Division with the additional \$14,035.00.** This financial warranty must be submitted on the appropriate Mined Land Reclamation Board approved forms which are available from our office or can be downloaded from our website at (<http://mining.state.co.us/>). Please be aware that if the vehicle used to provide the financial warranty is a corporate surety, irrevocable letter of credit, or an individual reclamation trust fund; the Division will require an additional \$500.00 for recovery fees.

**Please be advised that you may not commence operations until the financial warranty has been submitted and accepted by our office. You will be notified in writing when it is accepted. If we do not receive the required financial warranty within 60 days of the above-referenced approval date, then the NOI may be terminated.**

If you have any questions, please contact me (303-866-3567 ext. 8169).

Sincerely,
