Re: Horse Draw Mine Re-Entry Project, Notice of Intent (NOI) No. P-2009-013, Request for Complete Surety Release, SL-01, Notice of Complete Request

Mr. Vuelvas:

On October 8, 2013, the Division of Reclamation, Mining and Safety (Division) received your request for reclamation release of the Horse Draw Mine Re-Entry Project. The release request states that no disturbance has occurred at the site. A release inspection is required to verify that no surface disturbance related to the NOI has taken place. Division staff will contact you in the near future to schedule a release inspection. The request is considered complete and the decision date has been set for November 7, 2013.

Please feel free to contact me at (970) 241-2042 if you have any questions during the review period.

Sincerely,
