MP Annual Report

DIVISION OF MINING

Permittee Name:	Smuggler Gold Mine, LLC	Permit Number:	P-2012-011
Operation Name:	Smuggler Gold Mine	County:	Gilpin
Annual Fee Due:	\$86.00	Anniversary Date:	October 11, 2013
Permit Acreage:	2.00	Current Bond Amt:	\$17,200.00

According to Colorado Statute, each year, on the anniversary date of the permit, an operator shall submit the Annual Fee, an Annual Report and Map showing the extent of current disturbances to affected land, required monitoring information, reclamation accomplished to date and during the preceding year, any new disturbance that is anticipated to occur during the upcoming year, any reclamation that will be performed during the upcoming year, the dates for the beginning of active operations, and the date active operations ceased for the year.

Information contained in this report is required and will be reviewed by the Division upon receipt and prior to the next compliance inspection of the site. If, while completing this report, you learn that your site is not in compliance with the rules and the act, it is advisable that the issues be rectified promptly to avoid possible enforcement action.

Permit area is clearly marked-disturbed area is within the permit area

1. Is the affected area boundary clearly marked if you have an excavation or portal? YES ☒ NO

2. Is the site in final reclamation? YES ☒ NO

If "YES," please note time limits related to completion of reclamation, Rule 3.1.3.

3. What was the date of last exploration activity? Continues

4. What date did prospecting activity end, or what date is it expected to end? Rule 5.6.1(e). Continues

5. Number of acres currently affected (exploration+ incomplete reclamation). Less than 2 acres

6. Number of acres that were newly affected during the current report year. 0

7. Number of acres that were reclaimed during the current report year. 0

8. Estimated new acreage to be affected in the next report year. 0

9. Estimated acres to be reclaimed in the next report year. 0

10. Total acres in various stages of reclamation, since permitted exploration activities began:

Total acres backfilled:	0	Total acres seeded w/ approved mix:	0	Total acres w/topsoil replaced:	0	Total acres mulched w/ approved mulch:	0
Total acres graded:	0	Total acres fertilized w/ apvd fertilizer:	0	Topsoil replacement depth (in.):	0	Mulch application rate (tons/ac):	0
Seed application method:	0	Fertilizer application method:	0	Mulch application method:	0		

11. Is weed control being conducted in accordance with an approved Weed Control Plan? YES NO ☒ N/A  
If "YES", indicate the weed species, control area, control type, application rate and treatment date on the report map.

12. Is adequate topsoil reserved for reclamation, based on your approved NOI? YES ☒ NO N/A  
If "NO", please explain:

Mine disturbed prior to current exploration activities-no topsoil was salvaged. Mine dates back to the 1940's

13. Is the reserved topsoil vegetated/stabilized in accordance with Rule 3.1.9(1)? YES NO N/A  
If "NO" please explain:
14. If exploration has exposed groundwater, is the site in compliance with the approved mining plan and Office of the State Engineer (Well Permit, S.W.S.P., and/or Permanent Augmentation Plan)? YES NO N/A
15. Are all hazardous materials stored within approved spill containment structures? YES NO N/A
16. Does your NOI reclamation plan or Environmental Protection Plan require you to submit monitoring information annually? YES NO N/A

If "Yes", please attach the required monitoring results to this Annual Report as required by Rule 1.15(1)(c).

17. As required by Rule 5.6(1)(g) submit with this report documentation to show that the Financial Warranty is still in place and is adequate to fully reclaim the approved prospecting site disturbance(s).

FINANCIAL WARRANTY DOCUMENTATION ATTACHED:

Attachment A

18. Please use the space below to describe as required by Rule 5.6(1)(c) any new prospecting activity that occurred during the preceding year, including the locations and number of new surface drill holes, mud pits, excavations, rock dumps, adits, shafts, trenches, pits, roads and structures. If applicable, you must also describe the measures taken to safeguard shafts, adits and other mine openings from unauthorized entry both during and after prospecting. Additional pages should be attached if needed.

The following site activities were conducted during the last year.

- installed stormwater management BMPs;
- conducted fire mitigation activities including removing slash, trees and debris;
- portal rehabilitation continues;
- installed barricades;
- installed safety berms in accordance with MSHA requirements; and
- complied with NOI permit requirements

19. As required by rule 5.6.1(f), attach a map to this report that accurately depicts the NOI boundary, current affected area, location of all previously listed featured, and all acreages listed in items 6 through 12 and item 20. These activities must be identified on a site map of adequate scale to field locate these areas, and may include coordinates in latitude and longitude to at least 5 decimal places, or UTM coordinates with the datum and zone specified.

UPDATED MAP ATTACHED: Attachment B

20. Rule 5.7 requires submittal of final abandonment reports within 60 days for any drill hole(s) with artesian flows and no later than 12 months for all other completed drill holes.

### Smuggler Gold Mine, Permit P-2012-011, Annual Fee Invoice and Report Request

#### PLEASE READ CAREFULLY – ACTION REQUIRED

Please attach your COMPLETED written Annual Report and Annual Report Map to this form

Under the terms of your NOI and Colorado Statutes, you must submit Annual Fees and Annual Reports (including a map). You must pay the Annual Fee and submit an Annual Report each year until reclamation responsibility release is granted. The Annual Fee is not a renewal fee. The Fee and Report are for LAST YEAR'S exploration and reclamation season, and MUST be paid even if your operation was inactive.

The Annual Report and Fee requirement will be considered submitted when we have received the following components:

1. ANNUAL FEE (\$86)
2. COMPLETED ANNUAL REPORT
3. ASSOCIATED MAP as required by rule

If you have requested reclamation responsibility release from the Division of Reclamation, Mining and Safety ("Division") but your permit is not released by the anniversary date listed below, the Annual Fee MUST be paid. If the permit is released before the anniversary date, then by Statute, it is not necessary to pay an Annual Fee or submit an Annual Report for that year. Division records indicate the \$86.00 fee is due for the following NOI(s) on or before the Anniversary Date:

Permit: P-2012-011  
Operation Name: Smuggler Gold Mine  
Anniversary Date: October 11, 2013

Return the enclosed Annual Report FORM, a MAP, and a CHECK or MONEY ORDER made payable to: Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. If your records indicate these documents and fees have already been submitted, please notify the Division.

See Figure 1

If you have additional comments and/or information that should be provided to the Division, please attach it to this form along with your written report and map. Annual Report instructions are enclosed. If you have any questions, please feel free to contact Jim Dupler (303)866-3567 x8119 or Christine Brookshire (303)866-3567 x8132. Thank you for your cooperation in this matter.

IF THE COMPLETE ANNUAL FEE SUBMITTALS ARE NOT RECEIVED ON OR BEFORE YOUR ANNIVERSARY DATE, THE ENFORCEMENT PROCESS WILL AUTOMATICALLY BE INITIATED. ENFORCEMENT ACTIONS WILL RESULT IN CIVIL PENALTIES AND POSSIBLE REVOCATION OF YOUR PERMIT. PER RULE 5.6(2) FAILURE TO SUBMIT AN ANNUAL REPORT FOR TWO CONSECUTIVE YEARS SHALL CONSTITUTE EVIDENCE OF ABANDONMENT OF PROSPECTING.
