Michael,

Attached is a request letter to extend the decision date from today until Nov 1, 2013, a week. Sorry it has taken so long to get the adequacy done and back to you. Also, attached is the Adequacy Response, I finally got the sign off that it was accurate. I will mail the originals today.

If you have any questions please call on me.

Regards,

Steve

**Re: Colorado Rose Red Stone Resource, Permit Application No. M-2013-068
Approval of Extension Request**

Dear Mr. O'Brian:

As requested in your letter that we received on October 25, 2013, DRMS approves your request to extend the decision deadline for the above-referenced application. The new deadline is November 1, 2013.

If you are unable to provide satisfactory responses to any inadequacies prior to the new deadline, **it will be your responsibility to request an extension of time to allow for continued review of this application.** If there are still unresolved issues when the decision date arrives and no extension has been requested, the application will be denied.

Sincerely,

Tom Kaldenbach
