*RE: GP Aggregates, LLC. – West Farm Pit – Technical Revision No. 2 Request
File No. M-2008-078, Request for Decision Date Extension*

Dear Mr. O'Donnell,

GP Aggregates, LLC. (GP) has received the Division's Technical Revision No. 2 Request second adequacy review comments letter dated October 25, 2013. As a result of the Divisions second adequacy review comments additional information will need to be included in the Technical Revision No. 2 request for your approval. GP is requesting an extension to the current October 31, 2013 decision date for this Technical Revision request to November 29, 2013. This extension is required for GP to have sufficient time to gather and develop the additional information, and for the Division to review it.

Thank you for your consideration of this decision date extension request. Please feel free to contact me with any questions or comments.

Sincerely,
