BLM APPROVAL OF NOI  
BOND RELEASE REQUEST  
SL-1 (P-2012-018)

Dear Mr. Leidich:

→ On August 7, 2013, this office received your request for bond release for your Wray Mesa mining notice / CDRMS NOI project (BLM case file # COC - 75082, CDRMS permit # P-2012-018) which would release the reclamation bond of \$8,163.00.

This office completed a reclamation compliance inspection for this mining notice on June 6, 2013. The inspection found that reclamation success has been achieved to BLM earthwork and re-vegetation standards.

The Wray Mesa mining notice is determined to be completed in full compliance with federal surface management regulations found at 43 CFR 3809. This case file is hereby closed, and the reclamation bond of \$8,163.00 being held by CDRMS can be released. Should you desire to conduct any surface disturbing activities in this project area, you will need to submit a new mining notice or plan of operations to this office for approval.

Thank you for assisting us to manage our public lands. Please call Robert Ernst at (970) 240-5305 if you have questions.

Sincerely,

*Dave Kauffman, Assoc. Field Mgr.*
