**Re: West Farm Pit, DRMS Permit No. M-2008-078
Technical Revision TR-02
Approval**

Dear Mr. Nyquist:

On November 27, 2013 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on July 26, 2013, addressing the following:

- *Revised mine phases*
- *Reduction of affected area*
- *Revised mining slopes from vertical to 3H:1V*
- *Change from clay liner to a slurry wall*

The terms of the Technical Revision TR-02 approved by the Division are hereby incorporated into Permit No. M-2008-078. All other conditions and requirements of Permit No. M-2008-078 remain in full force and effect.

The estimated liability amount of \$108,000.00 exceeds the \$88,802.00 performance bond currently held. If you have not already done so, please submit additional bond in the amount of \$19,198.00. The revision will not be final until the bond is approved by the Division.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Tyler O'Donnell".

Tyler V. O'Donnell
Environmental Protection Specialist
