Tim:

I am assisting TMoP in preparing the TR to correct the topics raised in your inspection report.

There are two Corrective Action Due Dates for the two topics. We wish to combine both Due Dates to January 17, 2014. TMoP has several key people (including me) on vacation in December. For the December 30, 2013 Due Date, these people will not be available to review the solutions.

Therefore we propose a compromise date of January 17<sup>th</sup> for both Due Dates.

Thank you for your consideration.
