Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: TR-84
Reconfigure Gob Pile #3 and Expand Pond J

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received a revision for the Bowie No. 2 Mine. The revision was deemed complete on December 19, 2013. The decision due date is February 17, 2014.

Bowie Resources, LLC (BRL) is proposing to reconfigure Gob Pile #3 to steepen the slopes from 3:1 to 2.5:1. Additionally, BRL is proposing a revised drainage plan for the Gob Pile #3 disturbance area, including the expansion of Pond J. The proposal does not include any new disturbance area, but will result in an increased reclamation liability and performance bond.

This revision application is available for review at the Paonia Public Library, P.O. Box 969, 2 3rd Street, Paonia, CO 81428.

If you have any questions, please contact me.

Sincerely,
