Re: Bowie No. 2 Mine (Permit No. C-1996-083)
Revision: TR-85
Gob Pile #2 Drying Area

Dear Sir or Madam:

The Division of Reclamation, Mining and Safety has received a revision for the Bowie No. 2 Mine. The revision was deemed complete on December 30, 2013. The decision due date is February 28, 2014.

Bowie Resources, LLC (BRL) is proposing to designate a gob storage and drying area on Gob Pile #2, located north of Bowie Road. The revision materials include a design and stability analysis for the proposed drying area. BRL does not propose to increase the disturbed or affected area, and there is no anticipated increase in the reclamation liability.

This revision application is available for review at the Paonia Public Library, P.O. Box 969, 2 3rd Street, Paonia, CO 81428.

If you have any questions, please contact me.

Sincerely,
