Re: 23 Road Pit, Acreage Reduction Approval, Permit No. M-1979-089, Revision No. AR-1

Dear Mr. Lyman:

On October 9, 2013, the Colorado Division of Reclamation, Mining and Safety (DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 82 acres, through the release of 57 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees. The currently held reclamation bond in the amount of \$242,500.00 is considered adequate to reclaim the site.

If you have any questions, please contact me at the DRMS Grand Junction Field Office, 101 South 3rd, Suite 301, Grand Junction, CO 81501 or telephone no. (970) 241-2042.

Sincerely,

A handwritten signature in black ink, appearing to read "Travis Marshall".

Travis Marshall
Environmental Protection Specialist
