Dear Mr. Marshall:

Per our phone conversation earlier today, Western Water & Land, Inc. (WWL) on behalf of Occidental Oil Shale, Inc. (OOSI), agrees to a one week extension requested by the Colorado Division of Reclamation, Mining and Safety (DRMS) to review WWL's response to DRMS's preliminary adequacy review (PAR) for Technical Revision No. 8, Mine Water Infiltration, Logan Wash Mine, Permit No. M-77-424.

Please contact me with any questions or comments you may have regarding this revision.

Sincerely,
